**Working Hold:**  
**Down Arrow** without holding a direction

**Submission:** **Hold Down Arrow**

**Turn Opponent Over:** **Spacebar + A/D**

**Lift Opponent to Seated Position:**  
**Spacebar + S**

**Grapple:** **Down Arrow**

**Strong Strike:** **Hold Left Arrow**

**Submission:** **Hold Down Arrow**

**Limb Target:** **E + Right Arrow/Down Arrow/Up Arrow/Left Arrow**

### SUBMISSIONS

Use **Spacebar + W/S/A/D** to move your slider around the submission mini-game. As the defender (blue), avoid the attacker's (red) slider! Grab the glowing orb to help put your opponent away or escape!

### SUBMISSIONS (ALT.)

An alternate submission mechanic option is also available in **WWE 2K17**. If selected, the attacker and defender must compete to rapidly press the displayed **Right Arrow/Down Arrow/Up Arrow/Left Arrow** keys during submissions. Pay attention because the key to press will keep changing over the course of the submission attempt.

### PINFALLS

Press the **Down Arrow** when the meter lands in the target zone to escape.

If you have the Rope Break ability, and you're near the ropes, you can press **Right Arrow** when prompted to perform a manual rope break.

### Dirty Pins

If you have the Dirty Pin ability, and your opponent is lying parallel near the ropes, hold **Right Arrow** to perform a dirty pin!

### REVERSALS

**F:** Normal reversal. This move has a single reversal. Requires a single reversal stock.

**Green F icon:** Minor reversal. This move has a Major reversal. Requires a single reversal stock.

**Orange F icon:** Major reversal. Last reversal opportunity for this move. Requires two reversal stock.

**Major Reversals require more reversal stock but will temporarily weaken your opponent.**

### OPPONENT STUNNED IN THE CORNER

**Turn Opponent Around:**  
**Spacebar + A/D**

**Lift and Place on Top Of Turnbuckle:**  
**Spacebar + W**

**Place In Tree Of Woe (Hanging Upside Down In Corner):**

### OPPONENT STUNNED AGAINST THE ROPES

**Place Opponent Stunned on Middle Rope:**  
**Spacebar + A or D**

### LADDER

Run up a ladder and perform a diving attack to an opponent at ringside. To lean a ladder against the ropes use **W/S/A/D** to move towards the ropes, hold **E**, and press **Q**.

### ROLL OUT

When you Roll Out, you will remain down at ringside while the Rollout Meter fills. Once the meter is filled, you will recover and receive a Buff. You may press **Down Arrow** while the meter is orange to recover early, but you will receive a Debuff.

### TABLE

Damage your opponent using tables to fill their Table Break meter. Filling your opponent's meter unlocks Table Grapples, which can put them through a table without the use of a Table Finisher. The Table Break icon indicates when a Table Grapple can be performed by pressing **Down Arrow**. If the opponent is leaning against a table propped in the corner, a Running Strike can also put them through the table.

### MANUAL TARGETING

In **WWE 2K17**, Manual Targeting is enabled by default. You can switch to another target by pressing **F1**. Your new Target's name will briefly appear above your Superstar's head.

## GAME SCREEN

- 1. Reversal Prompt:** Time F correctly to counter the opponent's attack.
- 2. Health Meter:** Track your health as you take damage from your opponent.
- 3. Stamina Meter:** When it's depleted, you navigate and recover slower, and temporarily lose the ability to run.
- 4. Momentum Gauge:** Build momentum by executing attacks and taunts. Reach 100% to earn a Signature and 150% to gain a Finisher.
- 5. Signature/Finisher:** Press Up Arrow when it appears to perform your Signature/Finisher.
- 6. Reversals:** Shows the number of reversals you have available. These will regenerate over time.

## WWE CREATIONS

**WWE 2K17's** creation suite allows you to personalize your **WWE** experience with more robust and powerful options than ever before.

- NEW! Custom Video:** The user can create their own videos to be used on the Titantron during an entrance.
- NEW! Custom Victory:** The user can create their own Face and Heel victory scenes for their Custom Superstar or any **WWE** Superstar.
- NEW! Highlight Reel:** During a match, the user can record any part and implement that recording into their Custom Video.
- Custom Superstars:** Create your own Custom Superstar or customize any **WWE** Superstar on the roster!
- Custom Entrance:** Choose from numerous entrance options and have your Superstar come down the ramp in style.
- Custom Move-set:** Select from hundreds of moves to give your Superstar the edge to dominate the ring.
- Custom Championship:** Create championship titles from strap to plate or even customize existing **WWE** titles.
- Custom Arena:** Design an arena fit for holding the pulse-pounding action of the **WWE**.
- Custom Show:** Create your own show brand for play in Exhibition and **WWE Universe** modes.
- Community Creations:** Upload your creations online and share with the **WWE Universe**!

## WWE UNIVERSE MODE

**WWE** Universe mode offers the ultimate **WWE** sandbox experience in **WWE 2K17**. Book matches, assign Superstars to shows and pay-per-views, create rivalries and alliances or watch them transpire on their own. Promos and run-ins are now available to the mode, giving Superstars exciting new possibilities to perform during shows. An updated interface highlights what's happening for each show, allowing players to find information about their favorite Superstars and champions. Our new show presentation creates an authentic **WWE** experience, letting you play through shows in **WWE** Universe just as you would watch them unfold on TV.

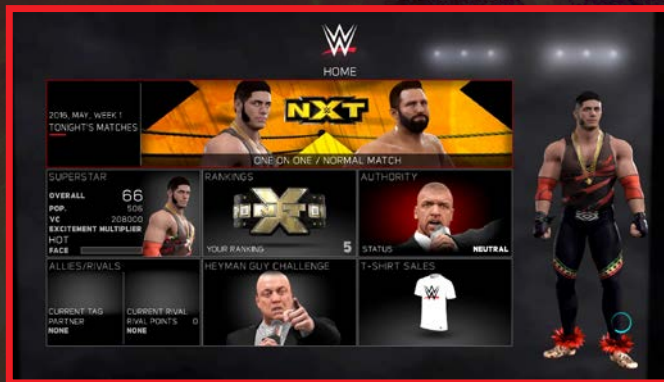

## MyCAREER MODE

An expanded MyCAREER mode lets you pursue the dream of becoming a **WWE** Superstar like never before. For the first time, you can start your Custom Superstar off on the main roster or on NXT. Delivering great matches will help you earn VC to spend on improving your skills, learning new moves, hiring managers, and other boosts. Putting on five-star matches isn't enough for winning over the **WWE** Universe, however – you will need to build your Superstar's popularity by getting strong on the mic and even through pushing your Superstar's T-shirt sales. With the new promo feature, you can hype up the arena, interrupt other Superstars' promos, or berate the crowd. Become the face or heel you've always wanted to be.

Rivalries are now bigger and better, spanning multiple months of pay-per-views. Eclipsing your rival in the ring and on the mic will earn you great rewards. You can even face your friend's Custom Superstars as rivals through the Career Invasion feature. And, of course, The Authority will make their presence known throughout your career as well. Will you appease to get them to give you the matches you want, or will you defy them and oblige them to get in your way? And if securing the title around waist just doesn't feel like enough, you can stake out another and become a double champion!

## TERMINATION

This Agreement is effective until terminated by you or by the Licensor. This Agreement automatically terminates when Licensor ceases to operate the Software servers (or games exclusively operated online), if Licensor determines or believes your use of the Software involves or may involve fraud or money laundering or any other illicit activity, or upon your failure to comply with terms and conditions of this Agreement, including, but not limited to, the License Conditions above. You may terminate this Agreement at any time by (i) requesting Licensor to terminate and delete your User Account that is used to access or use the Software using the method set forth in the Terms of Service or (ii) destroying and/or deleting any and all copies of all Software in your possession, custody, or control. Deleting the Software from your Game Platform will not delete the information associated with your User Account, including any VC and VG associated with your User Account. If you reinstall the Software using the same User Account, then you may still have access to your prior User Account information, including any VC and VG associated with your User Account. However except as otherwise prohibited by applicable law, if your User Account is deleted upon termination of this Agreement for any reason, all VC and/or VG associated with your User Account will also be deleted, and you will no longer be available for use of the Software or any VC or VG associated with your User Account. If this Agreement terminates due to your violation of this Agreement, Licensor may prohibit you from re-accessing the Software. Upon termination of this Agreement, you must destroy or return the physical copy of Software to Licensor, as well as permanently destroy all copies of the Software, accompanying documentation, associated materials, and all of its component parts in your possession or control, including from any client server, computer, gaming unit, or mobile device on which it has been installed. Upon termination of this Agreement, your rights to use the Software, including any VC or VG associated with your User Account, will terminate immediately, and you must cease all use of the Software. The termination of this Agreement will not affect our rights or your obligations arising under this Agreement.

**U.S. GOVERNMENT RESTRICTED RIGHTS.** The Software and documentation have been developed entirely at private expense and are provided as "Commercial Computer Software" or "restricted computer software." Use, duplication, or disclosure by the U.S. Government or a U.S. Government subcontractor is subject to the restrictions set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clauses in DFARS 252.227-7013 or as set forth in subparagraph (c)(1) and (2) of the Commercial Computer Software Restricted Rights clauses at FAR 52.227-14, applicable. The Contractor/Manufacturer is Licensor at the location listed below.

**EQUITABLE REMEDIES.** You hereby agree that if the terms of this Agreement are not specifically enforced, Licensor will be irreparably damaged, and therefore you agree that Licensor shall be entitled, without bond, other security, or proof of damages, to appropriate equitable remedies with respect any of this Agreement, including temporary and permanent injunctive relief, in addition to any other available remedies.

**TAXES AND EXPENSES.** You shall be responsible for and shall pay and shall indemnify and hold harmless Licensor and any and all of its affiliates, officers, directors, and employees against all taxes, duties, and levies of any kind imposed by any governmental entity with respect to the transactions contemplated under the this Agreement, including interest and penalties thereon (exclusive of taxes on Licensor's net income), irrespective of whether included in any invoice sent to you at any time by Licensor. You shall provide copies of any and all exemption certificates to Licensor if you are entitled to any exemption. All expenses and costs incurred by you in connection with your activities hereunder, if any, are your sole responsibility. You are not entitled to reimbursement from Licensor for any expenses, and will hold Licensor harmless therefrom.

**TERMS OF SERVICE.** All access to and use of the Software is subject to this Agreement, the applicable Software documentation, Licensor's Terms of Service, and Licensor's Privacy Policy, and all terms and conditions of the Terms of Service are hereby incorporated into this Agreement by this reference. These agreements represent the complete agreement between you and Licensor relating to use of the Software and related services and products and supersede and replace any prior agreements between you and Licensor, whether written or oral. To the extent there is a conflict between the Terms of Service and the Terms of Service, this Agreement shall control.

**MISCELLANEOUS.** If any provision of this Agreement is held to be unenforceable for any reason, such provision shall be reformed only to the extent necessary to make it enforceable and the remaining provisions of this Agreement shall not be affected.

**GOVERNING LAW.** This Agreement shall be construed (without regard to conflicts or choice of law principles) under the laws of the State of New York, as such law is applied to agreements between New York residents entered into and to be performed within New York, except as governed by federal law. Unless expressly waived by Licensor in writing for the particular instance or contrary to local law, the sole and exclusive jurisdiction and venue for actions related to the subject matter hereof shall be the state and federal courts located in Licensor's principal corporate place of business (New York County, New York, U.S.A.) and you and Licensor consent to the jurisdiction of such courts and agree that process may be served in the manner provided herein for giving of notices or otherwise as allowed by New York state or federal law.
