

Consider a leasing option for new equipment

Affordable monthly payments

Choosing the Lease that best meets your needs

Fair Market Value (FMV) Purchase Option

Your End-Of-Lease Options are: continue to lease the equipment, purchase at fair market value, or return the equipment to Thermo Fisher Financial Services.

You may also apply to upgrade to new equipment.

\$1.00 Purchase Option

You will own the equipment at the end of the lease term. Payments are spread out over several years and represent the full value of the equipment.

Benefits of Leasing your equipment

- Avoids technological obsolescence
- Flexible end-of-lease options
- Matches benefits to costs--Pay as you use equipment
- Provides a hedge against inflation with a fixed monthly payment
- Conserves working capital
- Preserves existing credit lines
- Provides possible tax benefits
