2020 OUTBACK

OUTBACK OUTDOOR XT

Completely redesigned for 2020, the all-new Outback is equipped for adventure both on and off pavement thanks to its car-like ride and handling and go-anywhere abilities that come standard on all Subaru SUVs, including Symmetrical full-time all-wheel drive and 220 millimetres of ground clearance.

- All-new Outback features world-class safety, including standard EyeSight driver-assist and the available DriverFocus distraction Mitigation System.
- Powering the 2020 Outback is the choice of two engines, including an available turbocharged Subaru BOXER that produces 260 horsepower and 277 lb-ft of torque.

Best Mainstream Brand – Subaru

Residual Value Award, Midsize Utility
(2 Row Segment) (eight consecutive years)

LONGEVITY

- Subaru offers an industry-exclusive comprehensive extended maintenance schedule all the way up to 500,000 KM.
- It still stands that no other manufacturer of consumer vehicles offers this length of maintenance schedule.
- Fully 98.3% of our vehicles sold in Canada over the last 10 years are still on the road today.

Based on IHS Markit Vehicles in Operation as of June 30, 2018 for Model Years 2009 to 2018 vs Total New Registrations of those vehicles. Actual longevity of any car will vary based upon operating conditions.
