PHONE PROJECTION

Android Auto™ and Apple CarPlay® allow you to access the most commonly used smartphone features, including calling, navigation, text messaging, and playing music all from your driver's seat.

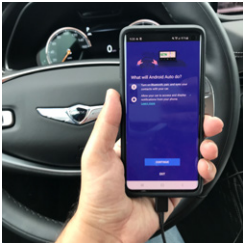

ANDROID AUTO

APPLE CARPLAY

1. 'Connect' a USB data cable from your phone to the vehicle's USB port.*

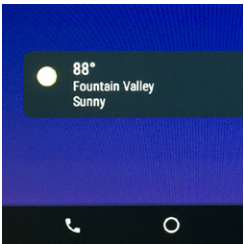

ANDROID AUTO

APPLE CARPLAY

2. 'Allow permission' from your phone to connect to your vehicle.

Please note that your phone must be unlocked.

ANDROID AUTO

APPLE CARPLAY

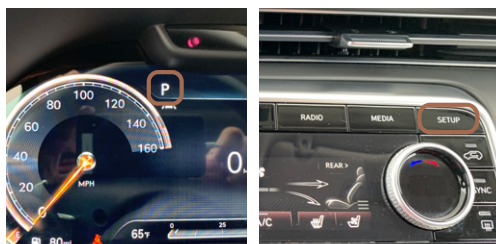

3. Enjoy using the applications displayed on your vehicle's multimedia screen.

Note

Android Auto users will be prompted to view a tutorial.
Select your option and proceed.

*USB data port will typically be located in or near the front in-dash console. Check your vehicle's owner's manual for specific location. Data cable for iOS device is required for Apple CarPlay. OEM data cables are recommended. Apple CarPlay is a registered trademark of Apple Inc. Android Auto is a trademark of Google LLC.

PHONE PAIRING

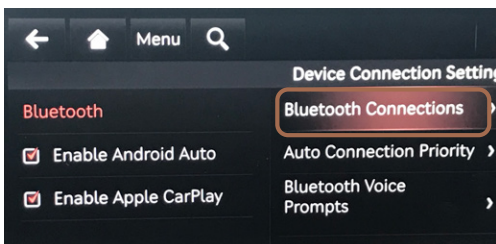

1. The vehicle's shifter must be in 'Park.'

Then press the 'Setup' button.

2. Select 'Device Connection' on the screen.

Then press 'Bluetooth®.'

3. Select 'Bluetooth Connections.'

4. Press 'Add.'

Note

Bluetooth settings can be found in the 'Settings' app on most smartphones. Refer to your phone's owner's manual or [click here](#) for more information.

PHONE PAIRING

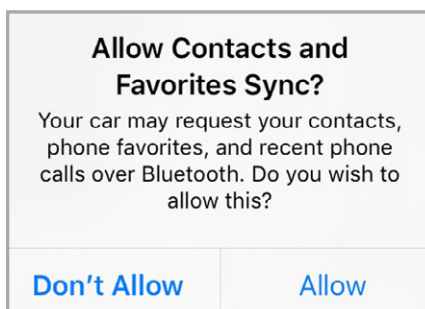

5. Select your 'Bluetooth Preference' and select 'OK.'

6. Turn on your phone's 'Bluetooth,' select the device (GV80) found by your phone, and follow any additional prompts on your phone.

Depending on the phone manufacturer and model:

- Some phones may request approval to download contacts; this process will take a few minutes
- Contact list may start with First or Last Name, depending on phone models
- Some phones may require additional confirmation to allow contacts to sync

Note

If your phone is supported, then your contact list may be transferred to your vehicle automatically.

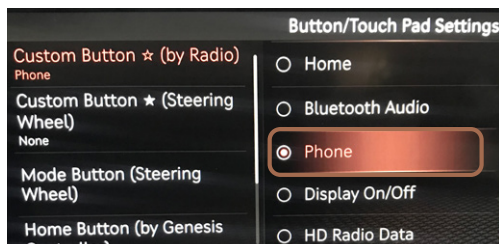

CUSTOM BUTTON

INITIAL SETUP

The Custom Button (☆) is easy to set up and use so that you can enjoy your favorite features with just a touch of a button. Learn how to set up your Custom Button by reviewing the steps below.

1. Press the
'Custom Button.'*

2. Select from the listed options**
to set as your custom button.

For example, select 'Phone.'

*Button location may differ from the image shown.

**Listed options may differ from the image shown.

MAKING A CALL

BY VOICE COMMANDS USING BLUETOOTH

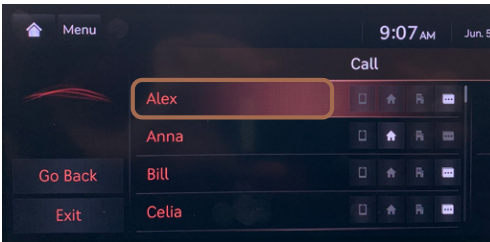

BEFORE YOU START

Make sure your phone is connected to your vehicle and your phone contacts have been downloaded to the vehicle. If this has not been done, please follow the instructions on page 4.

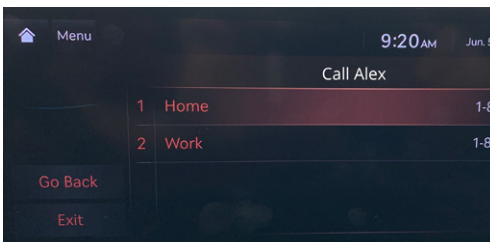

1. Press the 'Push to Talk' button on the steering wheel.

You will hear "Please say a command," followed by a beep.

2. After the beep, say the command "Call" followed by the name of the desired contact.

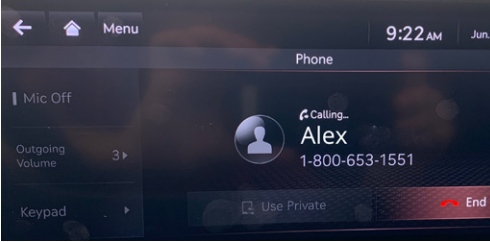

Example: "Call Alex"

3. If the contact has multiple phone numbers, you can select the phone number you would like to call by saying "One" or "Two."

MAKING A CALL

BY VOICE COMMANDS USING BLUETOOTH

4. The selected number will be dialed and your contact's name and phone number will appear on the screen.

5. To end the call, press the 'Call' button located on the steering wheel.

MAKING A CALL

COMMON VOICE COMMANDS

To enable voice command, press the 'Push to Talk' button located on the steering wheel.

HERE ARE A FEW COMMON VOICE COMMANDS TO USE AFTER YOUR PHONE HAS BEEN PAIRED:

“Help” provides guidance on commands that can be used within the current function.

Say “Call” to initiate a call followed by saying the name of the saved contact with whom you wish to speak. For example: “Call John Smith.”

“Dial” makes a call by dialing the spoken numbers.

For example: “Dial 1-800-633-5151.”

Note

Compatibility and performance may vary based on your phone, the phone's software, and your wireless carrier.

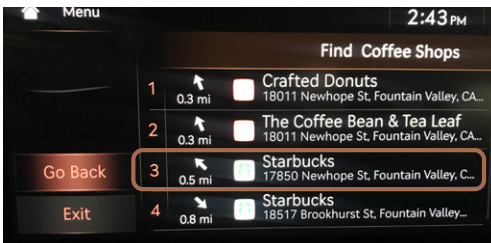

NAVIGATION

FINDING A DESTINATION USING VOICE COMMANDS

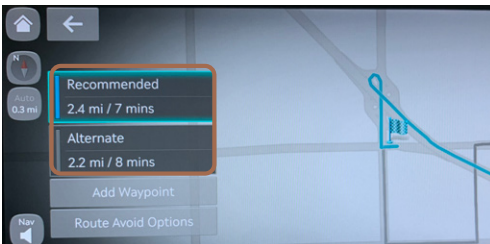

1. Press the 'Push to Talk' button located on the steering wheel.

You will hear "Please say a command," followed by a beep. After the beep, say the command "Find Coffee Shop."

2. The results will be listed on the screen.

Say the line item number (for example: "Three") to make your selection.

3. Select either the recommended or alternate route. The destination route will display on the screen and route guidance will begin.

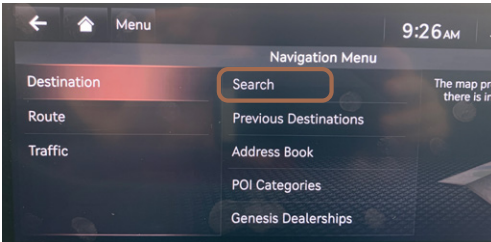

4. Press the 'Push to Talk' button located on the steering wheel and say "Cancel Route" to stop route guidance.

NAVIGATION

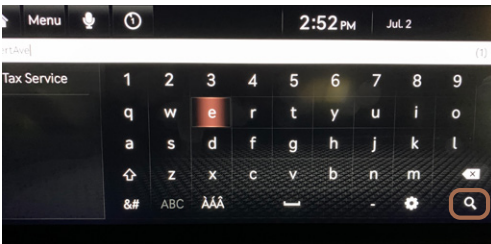

INPUTTING A DESTINATION

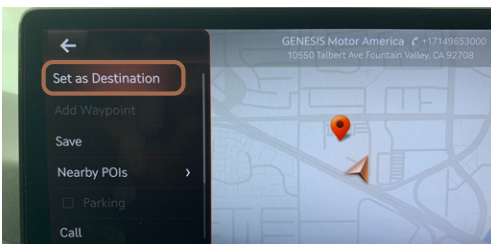

1. The vehicle must be in 'Park.'*
Press the 'Nav' button.**

2. Select 'Search.'

3. Enter the address of your destination or the name of your POI and press the 'Search' icon.

4. The route to your destination will be displayed on the map.
Select 'Set as Destination' to begin your route.

5. Press the 'Push to Talk' button located on the steering wheel and say "Cancel Route" after the prompt to stop route guidance.

*Manual destination input is only available when the vehicle is in 'Park.'

**Button location may differ from the image shown.

NAVIGATION

COMMON VOICE COMMANDS

To start voice command, press the 'Push to Talk'* button located on the steering wheel.

HERE ARE A FEW COMMON VOICE COMMANDS AVAILABLE TO USE:

“Help” provides guidance on commands that can be used within the current function.

Say “Find <Address>” to search for an address and set it as a destination. For example: “300 (Three-Zero-Zero) Main Street, Fountain Valley.”

“Find <POI>” searches for the point of interest specified. For example: “Find Banks.”

“Go Home/To Work” sets the destination to your home or work/office. Your home or work address must be set in the navigation system.

“Cancel Route” cancels the route to the set destination and exits guidance.

“Police Station/Hospital” displays a list of the nearest police stations or hospitals.

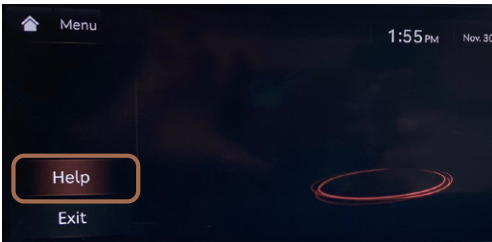

*The display, button, and/or icon locations may differ from the images shown.

DYNAMIC VOICE RECOGNITION

Your Genesis is equipped with Dynamic Voice Control, which allows you to use voice commands to control your vehicle's windows, climate, radio, navigation, and more. Additional POI and Internet search functions are available with a GCS subscription. To explore these commands, follow the instructions below.

1. Press the 'Push to Talk' button.

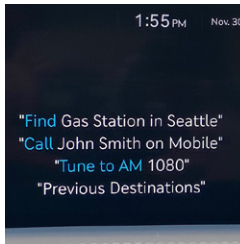

2. Select 'Help' on the lower left corner of the screen.

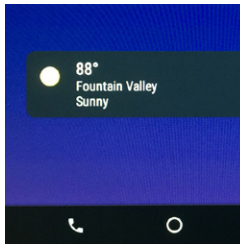

3. Select a category to see a list of commands that are available to use.

DUAL VOICE RECOGNITION

Follow these simple instructions to toggle between your vehicle's voice recognition and Android Auto's or Apple CarPlay's voice recognition.

Genesis Voice Recognition:
Press the 'Push to Talk' button and say a command.

ANDROID AUTO

APPLE CARPLAY

Android Auto or Apple CarPlay:

First, make sure your phone is connected to Android Auto or Apple CarPlay. Then hold down the 'Push to Talk' button until prompted by Android Auto or Apple CarPlay to provide a command.

MAP DISPLAYS

Customize the way that your Genesis displays maps by following the steps below.

1. Press the 'Map' button.

2. Tap 'Menu' in the lower left corner.

3. Checking 'Display Traffic' will show traffic conditions on your map .

4. Select 'Navigation Settings' to modify additional settings.

MAP DISPLAYS

5. Select 'Display,'
then select 'Map.'

6. Select each category on the
menu to set your map preferences.

ADVANCED DRIVER ASSISTANCE SYSTEMS

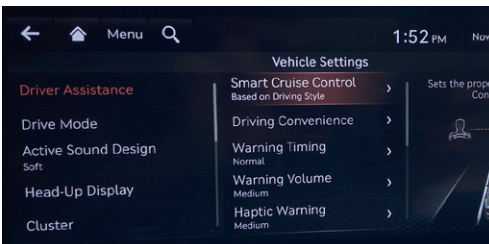

Your Genesis is equipped with Advanced Driver Assistance Systems* to help you along the way. To access the settings for these features, follow the instructions below.

1. Press the 'Setup' button.

2. Select 'Vehicle.'
Then select 'Driver Assistance.'

3. Select a feature on the menu to set its properties.

ADVANCED DRIVER ASSISTANCE SYSTEMS INCLUDE:

- Smart Cruise Control
- Driving Convenience
- Warning Timing
- Warning Volume
- Haptic Warning
- Driver Attention Warning
- Forward Safety
- Lane Safety
- Blind-Spot Safety
- Parking Safety

*The Advanced Driver Assistance System warning and alerts only serve to inform the driver of potential hazards. They do not detect and provide an alert in every situation. It is the driver's responsibility to remain alert at all times. See Owner's Manual for details and limitations.
