

2021 NHSN TRAINING WD4459

PROGRAM DESCRIPTION: This educational activity is designed to educate healthcare personnel on how to measure, validate, interpret, and respond to data relevant to healthcare associated infections. The participant will then be able to present data to the staff, initiate process improvements at the facility level, and positively impact healthcare practices. This educational opportunity will enhance the knowledge and skills of the users in order to decrease healthcare-associated infections and improve patient safety and enhance patient outcomes.

OBJECTIVES:

At the conclusion of the session, the participant will be able to:

1. Explain 2021 updates and troubleshooting for MRSA Bacteremia and CDI LabID Event Reporting and LabID Analysis for Acute Care Facilities.
2. Describe the surveillance definitions and 2021 updates for Central Line-associated Bloodstream Infection (CLABSI) and Secondary BSI, Catheter-associated Urinary Tract Infection (CAUTI), and Surgical Site Infection (SSI).
3. Explain NHSN analysis tools and data analysis for Ventilator-associated Event (VAE) and Pediatric Ventilator-associated Event (PedVAE).
4. Explain how to optimize the NHSN Group User analysis experience.
5. Explain 2021 updates to the Antibiotic Resistance and changes to the Antibiogram.
6. Identify healthcare-associated infection internal data validation measures and quality reporting.
7. Explain New CMS Requirement for Healthcare Personnel Influenza Vaccination Data Reporting.
8. Describe the importance of interprofessional collaboration in healthcare-associated infection surveillance and reporting.

FACULTY/CREDENTIALS:

Rashad Arcement, MSPH, Public Health Analyst, Centers for Disease Control and Prevention

Amanda Clemons, MPH, Public Health Analyst/Epidemiologist, Centers for Disease Control and Prevention

Heather Dubendris, MSPH, Public Health Analyst, Centers for Disease Control and Prevention

Dominique Godfrey, MPH, CPH, CIC, Infection Prevention Consultant, Centers for Disease Control and Prevention

Karen Jones, PhD, MSPH, Public Health Analyst, Centers for Disease Control and Prevention

Lindsey Lastinger, MPH, Epidemiologist, Centers for Disease Control and Prevention

Denise Leaptrot, MSA, SM/MT(ASCP), CIC, Epidemiologist/Infection Prevention Consultant, Centers for Disease Control and Prevention

Nigel Lewis, MPH, CIC, Infection Preventionist, Centers for Disease Control and Prevention

Megan Lindley, MPH, Acting Associate Director for Science, Centers for Disease Control and Prevention

Bonnie Norrick, MT(ASCP), EdM, CIC, CPHQ, Infection Prevention Consultant, Centers for Disease Control and Prevention

Vaishnavi Pattabiraman, MSc, MS, MPH, Public Health Analyst, Centers for Disease Control and Prevention

LaTasha Powell, RN, BSN, MPH, CIC, Nurse Infection Preventionist, Centers for Disease Control and Prevention

Victoria Russo, MPH, CIC, Public Health Analyst, Centers for Disease Control and Prevention

Sunny Xu, MPH, Public Health Analyst, Centers for Disease Control and Prevention

ORIGINATION DATE: March 1, 2021
EXPIRATION DATE: March 1, 2022

URL: <https://www.cdc.gov/nhsn/training/>

HARDWARE/SOFTWARE: Computer Hardware; Internet connection; Browser

MATERIALS: None

TARGET AUDIENCE: Physicians, Physician Assistants, Advanced Practice Nurses, Registered Nurses, Epidemiologists, Laboratorians, Program Managers, and other health educators

PREREQUISITES: The target audience is healthcare personnel involved in infection control. Participants should have some clinical background and be familiar with the National Healthcare Safety Network (NHSN) Patient Safety Component and Outpatient Procedure Component Manual documents, available on the NHSN website, as well as the NHSN application.

FORMAT: This activity is **Web on Demand**.

CONTACT INFORMATION: Division of Healthcare Quality Promotion, NHSN@cdc.gov

ACCREDITATION STATEMENTS:

In support of improving patient care, The Centers for Disease Control and Prevention is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

CME: The Centers for Disease Control and Prevention designates this **enduring** activity for a maximum of **4.25** AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE: The Centers for Disease Control and Prevention designates this activity for **4.25** nursing contact hours.

CEU: The Centers for Disease Control and Prevention is authorized by IACET to offer **0.4** CEU's for this program.

For Certified Public Health Professionals (CPH)

The Centers for Disease Control and Prevention is a pre-approved provider of Certified in Public Health (CPH) recertification credits and is authorized to offer **4** CPH recertification credits for this program.

DISCLOSURE: In compliance with continuing education requirements, all presenters must disclose any financial or other associations with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters as well as any use of unlabeled product(s) or product(s) under investigational use.

CDC, our planners, content experts, and their spouses/partners wish to disclose they have no financial interests or other relationships with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters. Planners have reviewed content to ensure there is no bias.

Content will not include any discussion of the unlabeled use of a product or a product under investigational use.

CDC did not accept commercial support for this continuing education activity.

Instructions for Obtaining Continuing Education (CE)

In order to receive continuing education (CE) for **WD4459- 2021 NHSN Training** please visit [TCEO](#) and follow these [9 Simple Steps](#) before **March 1, 2022**.

Complete the activity

Complete the Evaluation at www.cdc.gov/Get CE

Pass the posttest at 78% at www.cdc.gov/GetCE

FEES: No fees are charged for CDC's CE activities.
