PART III — NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report portion thereof, could not be filed within the prescribed time period.

General Motors Company (the "Company") is unable to file its Annual Report on Form 10-K for the fiscal year ended December 31, 2009 (the "2009 Form 10-K") by March 31, 2010, as the Company is still finalizing its fresh-start adjustments required by generally accepted accounting principles relating to the assets acquired and liabilities assumed from General Motors Corporation ("Old GM") in connection with Old GM's sale of assets under Section 363 of the United States Bankruptcy Code (the "363 Sale") prior to such date. Due to the size of the Company, the global application of fresh-start reporting and the associated determination of the fair value of its assets and liabilities is a significant undertaking, which requires extra time. Accordingly, the Company is unable to file the 2009 Form 10-K on March 31, 2010.
