PREAMBLE

This Memorandum of Understanding (hereinafter referred to as Memorandum) entered into by East Bay Municipal Utility District (hereinafter referred to as the District) and Local 444, American Federation of State, County and Municipal Employees, AFL - CIO (hereinafter referred to as the Union) has as its purpose the promotion of harmonious relations between the District and the Union; establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work, and other conditions of employment.

The provisions of this Memorandum supersede all previous Memoranda of Understanding between the parties. Where provisions of this Memorandum make necessary the adoption, amendment or revision of Civil Service Rules and/or Policy & Procedure Statements because of specific conflict or absence of coverage, such provisions shall be presented to the District's Board of Directors in accordance with Section 31.3.

ARTICLE 1. RECOGNITION

1.1. Majority Representation.

1.1.1. The District recognizes the Union as the majority representative of all permanent, probationary, limited term (LT), temporary construction (TC), job shares, intermittent and part-time employees (except Worker Trainees) within the class titles of the formally recognized units as enumerated in Appendix A, "Units/Class Titles/Salary Ranges", which are attached hereto and made a part hereof.

1.1.2. The District shall furnish the Union with the name, classification and department number of each new employee hired for or separated from, a permanent, limited term, temporary construction or part-time position within the foregoing units on a monthly basis, and shall notify each said new employee of the District's recognition of the Union as the majority representative in said units.

1.2. Representation of Employees in Limited Term and Temporary Construction Appointments.

1.2.1. The following applies to employees in LT and TC appointments in classifications represented by Local 444.

1.2.1.1. Employees who have civil service status in a District classification and who are promoted or transferred continue to retain rights to a position in their former civil service classification when the "LT" or "TC" position is completed.

1.2.1.2. The District has the obligation to assign such employee back to a position in their former civil service classification. Ending LT or TC appointments shall not be grievable.

1.2.1.3. No "LT" employee shall serve in that category for more than four (4) years.

1.2.1.4. LT/TC employees with civil service status will retain the benefits they were receiving at the time of acceptance of the LT/TC appointment. LT/TC employees without civil service status will be provided all District benefits except retirement.

1.2.1.5. The District shall give reasonable notice of available "LT" or "TC" positions to be filled and shall, where qualifications are reasonably equal, give preference to District employees when filling such positions.

1.2.1.6. An employee who promotes or transfers to an "LT" or "TC" position shall, while in a "TC" or "LT" position, receive continuous service credit for purposes of this Contract, Article 6, Salaries, Article 12, Reduction in Force, and Article 15, Vacations.

1.2.1.7. LT and TC employees are subject to all contract provisions unless specifically restricted.

ARTICLE 2. AGENCY SHOP/DUES DEDUCTION

2.1. Eligibility/Exemptions. All permanent, probationary, limited-term, temporary construction, less than full-time (intermittent) and part-time employees in the classifications listed in Appendix "A" shall, as a condition of continued employment, become members of the Union, or shall pay a service fee equal to the monthly dues of the Union. This agency shop agreement shall continue for as long as AFSCME Local 444 remains the exclusive representative of the bargaining units listed in Appendix A.

2.1.1. Exemptions:

2.1.1.1. Any employee who is a member of a bona fide religious body or sect which has historically held conscientious objections to joining or financially supporting employee organizations shall not be required to join or financially support the Union as a condition of employment. Such employees shall be required, in lieu of periodic dues, initiation fees, or agency shop fees to pay an amount equal to the periodic dues, initiation fees or agency shop fees to a non-religious tax-exempt charity, three such organizations to be mutually agreed upon by the parties.

2.2. Compliance.

2.2.1. An employee in one of the classes included in Appendix A shall (and, in the case of a newly hired employee, within thirty (30) calendar days of employment) execute a payroll deduction authorization form furnished by the District, included in this MOU as attachment #1, and thereby become and remain a member in good standing in the Union; or execute a payroll deduction authorization form (Attachment #1), and thereby pay to the Union a service fee equal to the monthly dues of the Union; or in the case of employees who certify that they are members of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting public employee organizations, pay sums equal to the service fee which is equal to the monthly dues of the Union.

If any current employee fails to authorize one of the above deductions, (or, in the case of a newly hired employee, within thirty (30) calendar days of hire into a classification covered by this Contract), the District shall deduct a service fee equal to the monthly dues of the Union from the employees' paycheck.

2.2.2. The District shall provide contact information in writing, regarding persons newly hired by the District into a Local 444 represented classification, to the designated Union Official within seven (7) workdays of the employee's official hire date.

2.3. Union Dues, and Service Fee, or Optional Union Contribution Deduction Check-off.

2.3.1. During the period AFSCME Local 444 remains the exclusive representative of the bargaining units listed in Appendix A and to the extent the laws of the State of California permit and as provided in this Article, the District will deduct one month's current and periodic Union dues or service charge based upon a uniform dues schedule from the pay of each employee who has executed and delivered to the District a deduction authorization form, (Attachment 1) or who has deductions made from salary pursuant to Article 2.2.2.

2.3.2. When certifying membership dues or service charge the Union shall use the certification form, as furnished by the District and included in this MOU as Attachment #2.

2.3.3. Payroll deductions shall be made only from the pay due employees on the first payday of each calendar month; provided, however, the initial deduction for any employee shall not begin unless both (1) a properly executed "Payroll Deduction Authorization for Membership Dues or Service Charge", and (2) the amount of the monthly membership dues or service charge certified by the Secretary of the Union have been delivered to the District at least thirty (30) calendar days prior to the first payday of the calendar month. If the employee fails to properly execute the "Payroll Deduction Authorization for Membership Dues or Service Charge" within thirty (30) calendar days of hire into a classification covered by this MOU, the District will deduct the monthly membership dues or service charge automatically. Changes in the amount of the monthly membership dues or service charge also must be delivered to the District at least thirty (30) calendar days prior to the first payday of the calendar month before the change will become effective.

2.3.4. All sums deducted by the District shall be remitted to the Union at an address given to the District by the Union, once each month by the fifteenth (15th) calendar day following the payday on which the deductions were made, together with a list of names, mailing addresses and the amount deducted for each employee for whom a deduction was made.

2.3.5. The District shall not be liable to the Union by reason of the requirements of this Article for the remittance or payment of any sum other than that constituting actual deductions made from the pay earned by the employee. In addition, the Union shall indemnify and hold the District harmless from any liability resulting from any and all claims, demands, suits or any other action arising from compliance with this Article, or in reliance on any list, notice, certification or authorization furnished under this Article. The Union agrees to refund to the District any amounts paid to it in error.

2.3.6. The District shall furnish, monthly, a list of all employees appointed within classifications contained in Appendix "A" of this Contract who are subject to the provisions of the agency shop agreement. The list will include temporary construction (TC) and limited term (LT) employees who have civil service status in the bargaining unit and part-time employees in classifications represented by the bargaining unit. The list shall include the employee's name, employee ID, address, home phone number, date union deductions began, date of hire, mail stop, job code, job title, salary, current deduction amount, and job status. The District shall furnish a list of all newly hired employees and change in status or representation of employees to the Union's President and the Council 57 office each pay period.

2.3.7. The Union may request the District to provide an optional voluntary Union deduction for members or service fee payers of the Union. Such deduction shall be requested by the member or service fee payer in even dollar amounts. The optional Union deduction shall be made only from the pay due employees on the first payday of each calendar month. The member or service fee payer may discontinue the optional Union deduction at any time (Attachment #3). Such request for optional Union deduction shall be made on "Payroll Deduction Authorization for Optional Union Contribution, AFSCME, Local 444" (Attachment #4). The Union and District agree that such optional Union deduction is not subject to the provisions of the agency shop agreement between the Union and District. The Union agrees to refund to the District any amounts paid to it in error.

2.3.8. Political Payroll Deduction. Any worker may sign and deliver to the District an authorization card for payroll deduction of voluntary contributions to Public Employees Organized to Promote Legislative Equality (PEOPLE). The District agrees to remit monthly AFSCME Council 57, all monies deducted for PEOPLE accompanied by a list of employees for whom such deductions have been made. Such authorization may be invoked or revoked in writing by the employee at any time.

2.3.9. Maintenance of Membership. Any employee currently employed or hired after the date of ratification and adoption of this agreement by the Board of Directors and who has signed a union member card shall remain a member and continue membership dues deduction for the duration of this MOU and each subsequent MOU thereafter. Employee shall have the right to withdraw from the Union by discontinuing membership dues deduction by communicating in writing to the Union and District during the month of April, for effectivity beginning the first pay period of the following fiscal year.

ARTICLE 3. DISTRICT RIGHTS

3.1. Definition of Rights.

3.1.1. The rights of the District include, but are not limited to, the exclusive right to determine the missions of its constituent departments and divisions; set standards of services; determine the procedures and standards of selection for employment and promotion; direct and assign its employees; take disciplinary action; relieve its employees from duty because of lack of work or for other legitimate reasons; maintain the efficiency of District operations; determine the

methods, means and personnel by which District operations are to be conducted; determine the content of job classifications; take all necessary actions to carry out its mission in emergencies; and exercise complete control and discretion over its organization and the technology of performing its work; provided, however, that the exercise of such District rights shall not conflict with the express provisions of this Memorandum.

3.1.2. District and Union mutually intend and agree that District may unilaterally exercise any and all rights reserved by this Article without further meeting and conferring with the Union. It is further mutually agreed that Union and District have met and conferred on all matters reserved to District by this Article and Union does expressly waive any and all rights to further meet and confer on such issues, or any of them, during the period of this Memorandum. Any dispute concerning the interpretation or application of District's rights shall be deemed a grievance and must be processed under Article 22.

3.1.3. The District agrees to apply the rights reserved by this Article in a prudent and reasonable manner; furthermore, the District shall consider the impact that the application of these rights may have on the work force, before applying these rights. The District agrees to make reasonable efforts to mitigate any significant impacts arising out of the application of any and all rights reserved by this Article.

ARTICLE 4. NO DISCRIMINATION/HARASSMENT

4.1. No Discrimination.

4.1.1. There shall be no discrimination of any kind by the Union or the District against any employee, to the extent the applicable law prohibits such discrimination, harassment, or disparate treatment, because of race, religious creed, color, age, marital status, national origin, ancestry, sex, sexual orientation, political affiliation, physical or mental disability (including HIV and AIDS), or medical condition (cancer or genetic characteristic).

4.1.2. To the extent applicable law prohibits, there shall be no discrimination or harassment because of lawful Union activity, Union membership, or non-membership.

4.2. Harassment, Disparate Treatment and Inappropriate Behavior.

4.2.1. In addition to behavior which violates Section 4.1 above, the following behavior will not be permitted, tolerated, or condoned:

- a) Dishonesty, including providing false information to District management about the performance of an employee or circulation of private personnel files;
- b) Abusive, threatening, or intimidating behavior, gestures or language;
- c) Physical threats or physical striking of an employee;
- d) Repeated threats of discipline without counseling, warning, investigation, or a

progressive disciplinary approach, including untimely discipline;

- e) Inequitable treatment regarding the application of District policies, District rules, this Contract, or those items listed in 4.1. above;
- f) Disrespect toward each other regardless of position, status, or job responsibilities.

Infractions of this policy are subject to the Grievance Procedure.

4.3. Accommodation for Disabled Employees.

The Union understands that the District has a lawful obligation under federal and state law to make reasonable accommodations for qualified individuals with disabilities. Any accommodation will be on a case-by-case basis, and will not be precedential, or constitute a past practice for anyone other than qualified individuals with disabilities.

ARTICLE 5. UNION ACTIVITIES

5.1. Union Stewards.

5.1.1. Employees selected by the Union to act as Union representatives shall be known as "stewards". The Union may select one steward for each thirty-five (35) filled positions or major fractions thereof for those classifications represented by the Union. The names of employees so selected and the areas to which they are assigned shall be certified in writing to the District by the Union. In the absence of the steward, an alternate may be appointed by the Union President. Stewards, during the regular working hours, shall be permitted to investigate, prepare, and present grievances to the District without loss of time or pay, provided that this is done in a manner consistent with District operating requirements, and the steward is first excused by his/her District supervisor. Permission to perform steward functions shall not be unreasonably denied.

5.1.2. If it becomes necessary during the course of his/her investigation for a steward to contact an employee in another department or division, the steward shall state to and notify the supervisor of that department or division the purpose of his/her investigation. When the investigation is completed, the steward shall promptly report back to his/her supervisor.

5.1.3. The District shall keep a record of time spent by stewards in the processing of grievances, and shall review this record periodically with officials of the Union. In order to have time approved to investigate a grievance, stewards shall complete the Grievance Investigation Request form and submit it to their immediate supervisor, prior to the start of the investigation. It is agreed that in the event any abuse is found to exist, the Union officials will cooperate with the District in taking such steps as are necessary to correct such abuse.

5.2. District Board Meetings.

5.2.1. Consistent with District operating requirements, the Union may designate two (2) employee representatives to attend each District Board meeting and workshop (which meeting is

otherwise open to the public), including the Retirement Board meeting, without loss of time or pay.

5.2.2. Authorization to attend such Board meetings must be obtained from the Manager of Employee Relations no later than twenty-four (24) hours prior to the time of such meetings.

5.2.3. In addition, the Union may designate two (2) employees to serve on the combined 401K and 457 Deferred Compensation Committee without loss of time or pay.

5.3. Election Observers. Consistent with District operating requirements, one (1) Union election observer shall be paid during regular work hours for attendance at each election balloting location to observe all election procedures which involve representation, modification or decertification of the Union.

5.4. District Vehicle Use. Union representatives are prohibited from using District vehicles other than sedans and pick-up trucks to attend District meetings. If Union representatives are driving District vehicles other than sedans and pick-ups at the time they are requested to attend meetings, the District will arrange for transportation or for a sedan or pick-up to be available for them.

5.5. Communication with Employees. The Union shall have designated for official Union business a specific portion of District Bulletin Boards with space adequate for the posting of 4 sheets of paper (8.5 inches by 11 inches), or a contiguous area approximately 17 inches wide by 22 inches long. Items placed in the Union section of the District bulletin boards shall be signed by an officer of the Union and shall not contain salacious or inflammatory material that is derogatory towards the District, its employees, or its policies. The Union may distribute materials to employees within the classifications it represents through District mail distribution channels, with all such mailings subject to the prior approval of the Manager of Employee Relations. These provisions may be revoked in the event of abuse after the Manager of Employee Relations consults with representatives of the Union.

5.6. Visits by Union Representatives. The District agrees that accredited non-employee representatives of the Union, whether local, district council, or international representatives, shall have access to District premises for the purpose of meeting with Union officials when investigating grievances or determining compliance with this Memorandum. Arrangements for visits to District premises for these purposes shall be made through the Manager of Employee Relations. Employee meetings with non-employee Union representatives shall not be paid for by the District.

5.7. Limitation on Union Activities. Activities involving internal management of the Union such as collection of dues, assessment of other funds, membership meetings, campaigns for office, distribution of literature or conducting of membership drives, shall not be conducted during working hours, in District work areas, or on District property without prior approval of the Manager of Employee Relations. The election of stewards on nonworking time may be conducted at work sites when it does not interfere with the operations of the District. Prior notice of two (2) work days shall be given to the work unit supervisor.

5.8. Union Business.

5.8.1. Employees elected to any Union office or selected by the Union to do work that takes them from their employment with the District shall, at the written request of the Union, be granted leave for up to six (6) months, provided that the work of the operation concerned will not be unduly impaired by such absence. While such employees are on Union Business Leave, they will remain on the District payroll.

5.8.2. The Union will reimburse the District for the employees' wages and benefits while the employees are on Union Business Leave. If Union reimbursement is not received within forty-five (45) calendar days of District billing, the employees' status for that time will be changed to Union Business Leave Without Pay and the appropriate amount will be deducted from their next paycheck.

5.8.3. It is understood the intent of this section is to permit employees to continue to accrue sick leave, vacation, and retirement system credits while on Union Business Leave With Pay.

5.8.4. Notification. Requests for Union Business Leave shall be submitted in writing from the Union President to the Manager of Employee Relations a minimum of three (3) workdays before the effective date of the leave. The Manager of Employee Relations may waive these notification requirements at her/his discretion.

5.8.5. Minimum Duration. Union Business Leaves must normally be for a minimum of one (1) hour.

5.8.6. Unpaid Leave Requirements. Union Business Leaves Without Pay shall be subject to the provisions of Section 17.1 of this Memorandum.

5.9. Orientation.

Pursuant to California Government Code Section 3555, et seq., the District and the Union mutually agree and intend the Union shall have access to the District's new employee orientation as follows:

As part of the District's new employee orientation program, the Union shall have thirty (30) minutes prior to the start of the new employee orientation program to provide information and answer questions to new employees who are in classifications covered by this Memorandum of Understanding.

6.3 Twenty-year Wage Increment. Each employee who is employed by the District prior to January 1, 2013 or who is an employee covered by the 1980 Retirement Plan shall be entitled to a salary increment following completion of twenty (20) years' continuous full-time District service. The adjustment for such employees shall be 2.75% (plus or minus no more than one dollar per month) added to the monthly salaries set forth, exclusive of overtime, night shift differential or standby pay. Employees who receive this benefit are not eligible for the benefit listed in Section 6.3.1.

6.3.1 Employees who are covered by the 2013 Retirement Plan shall be entitled to a salary increment of 3.75% (plus or minus no more than one dollar per month) following completion of twenty (20) years' continuous full-time District service. The adjustment shall be added to the monthly salaries set forth, exclusive of overtime, night shift differential, standby pay or merit pay. Employees who receive this benefit are not eligible for the benefit listed in

Section 6.3.

6.4. Work-Out-of-Classification. When an employee is assigned by a District supervisor to temporarily replace another employee in a higher classification or to perform the full range of duties required for a particular assignment of a higher classification, he/she shall be paid the lowest step of the higher classification or at least 5% whichever is greater for such work. Assignments to perform the work of a higher classification pursuant to this Section 6.4, will be tracked by hours worked and shall not exceed 480 hours in a payroll year. By use of this Section, the District will not attempt to avoid District Civil Service Rules and the filling of regular full time positions. The District will make reasonable efforts to distribute work-out-of-class on an equal and rotational basis for qualified employees, beginning with the most senior unit member.

6.5 New Classifications. The Union recognizes the right of the District to establish new job classifications and to amend existing class descriptions to reflect changes in assigned duties and responsibilities. In the event a change is made to the description of a class represented by the Union, the District shall notify the Union President, Chief Steward, and Business Agent of such change. In the event a substantial change is made in the description of a class represented by the Union, the District will advise the Union of such change and of the salary for the class. Upon request of the Union, the parties shall meet and confer on the salary for the classification within ten (10) working days prior to presentation to the Board of Directors. Establishment of salary is not subject to the grievance procedure as contained in this Memorandum.

6.5.1 Classification Study Requests. Employees are encouraged to first discuss any concerns regarding the classification of their position with their immediate supervisor. If review of the issues with the supervisor and appropriate department management staff does not resolve the classification concerns, an employee may submit a written request for a study of their position. The District shall determine whether the issue causing the request is clearly one of classification. In conducting this initial review, staff may discuss the request with the employee, their supervisor, and/or other management personnel in the department. The District will issue a memo to employees with a copy to the union acknowledging the receipt of a written classification study request within 15 workdays of receiving the request. If the written request is found to be one in which a classification study is appropriate, the District will also provide a projected timeframe for conducting the study. In the event that the study results in reclassification of the employee and their position to a higher pay level, the effective date of the higher salary would be retroactive to the lesser of four months or the date the employee submitted the formal request.

6.6 Payment for Licenses/Certificates.

6.6.1 The District shall pay all normal and regular fees incurred in the obtaining of any licenses or certificates that are required by the District for the job classification of the employee. It is understood that any late or penalty fees which are not caused by District action shall not be included in normal or regular fees. The District shall pay actual fees for employees who obtain higher level licenses or certificates than required for their class but within their normal class

series. Employees shall be granted paid time to take tests for any licenses or certificates required for the employee's current job classification. The District will reimburse actual fees for and provide paid time for California Class A and B driver's tests and licenses.

6.6.2 Employees in the Wastewater Plant Operator I/II and Treatment Plant Specialist classifications who obtain a Wastewater Plant Operator's certificate at a higher level than required for their classification will receive a \$15.00 per month premium. If they receive a second, higher classification certificate, they will receive an additional \$20.00 per month, for a maximum total of \$35.00 per month premium. Employees on unpaid status for two consecutive pay periods due to illness or injury will have their certificate premium payments discontinued until they return to work. Employees who request leave without pay (LWOP) for reasons other than illness or injury will have their certificate premium payments discontinued effective the first full pay period after their leave begins, and the payments will be resumed once they return to work.

6.7 Salary on Promotion.

The new base shall be either the beginning step of the new class, or the step in the salary schedule

in the new class which is at least 5% above the employees current base salary, whichever is the greater amount, provided that in no instance shall the employee's base rate exceed the maximum salary wage rate established and in effect for the new class.

6.8 Adjustments for Overpayments/Underpayments. In the event an employee is erroneously overpaid wages by the District, regardless of fault, written notice shall be provided to the employee. Simultaneously, the Union shall be notified that the employee received an overpayment notice from the District. Upon obtaining written authorization from the employee the District shall make the deductions to recoup the overpayments from the employee's regular paycheck. Said deductions shall be in compliance with State law and continue for as many consecutive pay periods as necessary until full payment is recovered.

When the deductions are necessary to recoup underpayments for insurance premiums or recover health and welfare or pension contributions, the District shall not commence recovery by payroll deductions until written notification has been given to the employee at least ten (10) working days in advance, which includes all the details of the underpayment. Simultaneously, the Union shall be notified that the employee received an underpayment notice from the District. The employee shall have the opportunity to respond within ten (10) working days from receipt of notice before any deduction is made. If an employee disputes the underpayment, the District will meet with that employee and his/her chosen representative to resolve the dispute. The District shall recover the underpayment by deducting from the employee's regular paycheck either the full amount of the underpayment or ten (10) percent of the employee's gross salary, whichever is less, and continue said deductions for as many consecutive pay periods as necessary until full payment is recovered. The District shall not need or seek additional written authorization to recoup insurance premiums and/or health and welfare or pension contributions from the employee.

6.9 Wastewater Plant Operator Vector Truck Premium Pay. Wasterwater Plant

Operators who are assigned as the Vactor Truck Lead Operator shall be paid a 5% premium on the straight-time hourly rate for the actual time worked as lead operator. A Vactor Truck Lead Operator is defined as the individual who is responsible for both driving the Vactor truck and operating it and who has been certified through the Wastewater Treatment Division's Vactor Truck Training and Certification Program as competent to be a Vactor Truck Lead Operator.

ARTICLE 7. DAYS AND HOURS OF WORK

7.1. Workday. The workday shall consist of eight (8) consecutive hours of work (exclusive of any unpaid meal period) within a 24-hour period beginning at 12 midnight except where otherwise mutually agreed.

7.2. Workweek.

7.2.1. The workweek shall consist of five (5) consecutive workdays within a seven (7) day period beginning at 12:01 a.m. Monday and ending at 12 midnight Sunday.

7.2.2. Notwithstanding Sections 7.1 and 7.2, upon request of an individual employee or a group from the work unit, the District will investigate and may change the beginning and ending work day hours of that employee or the work days and workweeks of employees within any particular work unit provided the work or the operation of the unit concerned will not be unduly impaired by such adjustment. Such adjustment shall not affect the total length of the workweek. All requests for flexible schedules will be examined and considered for implementation by the District. The decision of the District on granting or refusing to grant a change in the beginning and ending work day hours or workweek shall be final and conclusive and shall not be subject to the grievance procedure of this Memorandum.

7.3. Continuous Operations.

7.3.1. In operations in which there is regularly scheduled employment for 24 hours per day, seven (7) days per week, the hours of work shall consist of eight (8) consecutive hours per workday, and except during scheduled rotation or relief operation, five (5) consecutive days per workweek.

7.3.2. The District shall not schedule work so as to require employees in continuous operations to work three (3) shifts within a forty (40) hour period. In continuous operations, except where such occurs on a regular, recurring basis as part of a rotating shift schedule, employees who are called back to work an eight (8) hour shift after being off their previous shift for eight (8) or fewer hours shall be paid one (1) hour of double back pay at the overtime rate in addition to their pay for such time worked. Seniority will be an important consideration in the assignment of shifts.

7.3.3. Employees in continuous operations who are required to be at work stations for eight (8) consecutive hours shall eat during working hours.

7.3.4. In operations where work schedules are changed, the work schedule shall be

posted and changes in schedule shall be posted a minimum of one (1) week in advance of the effective date of change. (Applicable department work rules will be revised in accordance with this provision.)

7.3.5. Relief shift operators shall be notified 48 hours in advance of changes in their work schedules. The advance notice specified above shall not apply in cases of illness or other emergencies.

7.3.6. Wastewater Treatment employees working in work units designated by the District as requiring continuous operation shall utilize work shifts consisting of three (3), eight-hour shifts in a day. Shift assignments and days off shall be bid annually, based on District seniority. Operators elected as Union President and Chief Steward shall have super seniority for the purpose of bidding for day shift, Monday through Friday, assignments.

7.4. Changes in Days and Hours of Work.

7.4.1. It is understood that, all other provisions of this Article notwithstanding, the hours of work, workday, and workweek practices in effect on the effective day of this Memorandum may be continued at the option of the District; provided, however, changes in such practices shall be subject to prior consultation with the Union.

7.4.2. Notwithstanding the above, the District may schedule shifts one (1) hour earlier than present. If such shift creates work in two (2) different calendar days, all time will be treated for payroll processing purposes as if it were worked in the calendar day containing the majority of the workday. For example, if the start of the workday is changed from 12:00 midnight to 11:00 p.m., the employee will be paid as if all work commenced at 12:00 midnight. Such treatment of time worked shall have no effect on eligibility for shift differential or other premiums.

7.4.3. Notwithstanding the above, in special circumstances when mandated by CalTrans or other agency, the District may temporarily change shift starting times to accommodate said agency's concerns, provided that such change shall not be for less than five nor more than one hundred and twenty calendar days. In such cases a minimum of two weeks prior notice shall be provided to the employee(s) whose shift starting time is temporarily changed, and a five percent premium shall be paid to those employees for all regular hours worked on all days so changed. In no case shall the combined shift differential and shift change premiums paid to an employee exceed fifteen percent. The District will not temporarily change the scheduled workday or workweek of employees for the purpose of avoiding overtime payments. Employees shall be compensated for time worked in excess of their regularly scheduled work day or workweek as provided in Section 8.1 of this Memorandum of Understanding. Nothing herein shall be interpreted as limiting the District's right to reschedule shifts on a long-term or permanent basis as provided in this Article.

7.5. Rest Periods. Employee work schedules shall provide for fifteen (15) minute rest periods during each one-half (1/2) of the work day. Rest periods shall be scheduled so as not to interfere with efficient operations of the District.

7.6. Meal Periods.

7.6.1. Employees shall be granted a thirty (30) minute lunch period, without pay, except as otherwise provided, scheduled at approximately the middle of the workday.

7.6.2. The District, at its option, shall furnish meals or provide \$20.00 per meal on an employee's paycheck for employees who work unscheduled overtime for two (2) or more hours beyond their regular quitting time. Employees shall be provided additional meals or money on their paychecks, as above, for every completed four (4) hour period of unscheduled overtime work thereafter. Emergency or unscheduled overtime work is defined as overtime work that is not scheduled a minimum of eight (8) or more hours in advance of the overtime work. Scheduled or planned overtime work on a regular workday or sixth or seventh day in a week shall not require reimbursement for overtime meals unless an employee works two (2) or more consecutive hours beyond their regular eight (8) or more hour scheduled shift. Time taken for meals furnished by the District at the work location shall be paid time. Time taken for meals eaten away from the work location shall be unpaid time.

7.7. Cleanup Time. Where the nature of the work is such that cleanup is required, work schedules shall be arranged to allow reasonable time for that purpose prior to the end of the workday. The District shall provide facilities for cleanup. All employees who report to a job site have the option (with the permission of their immediate foreman/supervisor), to go to the nearest District facility to shower or change clothes in case of emergency or at the end of their workday.

7.8. Receiving Materials. District employees normally will not be required to unload or assist in unloading material from common carriers making deliveries on District premises except when weight or bulk of freight precludes reasonable physical handling by driver, or, when other unusual circumstances require such unloading or assistance by District employees one-half (1/2) hour before the end of the shift.

7.9. Reimbursement For Use of Private Car. The District will reimburse employees at the FY14 rate of sixty-one cents (0.61) per mile for each mile they are authorized and required to drive their private cars within the employee's normal areas of operations in the performance of their assigned duties. Annually in July, the District will adjust this amount to conform to the American Automobile Association (AAA) composite per mile cost for a 6-cylinder, 4-door sedan in the 15,000 miles per year category. This information is obtained from the Annual Edition of Your Driving Costs, published by the American Automobile Association, Falls Church, Virginia. In the event such publication is not available, the parties will meet and confer on the new data.

7.10. Fatigue Time.

7.10.1. Employees shall receive full pay for fatigue time hour for hour worked if they have worked overtime and the overtime has been completed with less than eight (8) hours between the completion of the overtime and the start of the employee's next regularly scheduled shift provided that the employee worked two (2) or more consecutive hours of overtime within

the nine (9) hour period before the start of the employee's next regularly scheduled shift.

7.10.2. Employees shall not receive fatigue time if: (1) the overtime is completed more than eight hours prior to the start of their next regularly scheduled shift, or (2) employees are called out to perform overtime work within four (4) hours of the start of their next regularly scheduled shift, or (3) they are assigned to continuous operations, except employees assigned to the Large Value Crew in the Construction Maintenance Division who meet the other requirements in 7.10.1.

7.10.3. Fatigue time must be taken during the first or last part of the next regularly scheduled workday. Employees receiving fatigue time shall notify their immediate or after hours supervisor at the completion of the overtime work, if possible, or a minimum of one (1) hour before the start of their next regularly scheduled shift when their fatigue time will be taken.

ARTICLE 8. OVERTIME

8.1. Preamble. At the present time the District has no plans and does not contemplate an expansion in the use of overtime. The District will make all reasonable efforts to avoid overtime including reviews of staffing to minimize its adverse effect on individuals and to control costs to the District, but occasionally overtime may be necessary to avoid greater costs as well as to meet legal obligations and Board commitments. The District agrees to provide the Union with reports on overtime utilization on a semi-annual basis. The District will provide the Union with specific overtime utilization reports upon reasonable request. Furthermore, the parties agree to consult on an annual basis regarding overtime, standby and call back usage in order to improve the system and eliminate practices that the parties agree should be corrected. The District will continue to assess all overtime use to ensure that overtime is necessary in order to maintain current District operations, services, and to ensure completion of projects on schedule. Whenever overtime is necessary, the District will give employees notice as soon as is reasonable and practical to do so.

8.2. Rate of Pay. One and one-half (1-1/2) times the employee's regular hourly rate of pay shall be paid for all work performed in excess of eight (8) hours per workday or forty (40) hours per workweek. Time worked at the overtime rate due to Call Time overlap of the employee's regular workday shall be counted in determining the eight (8) hours per workday or forty (40) hours per workweek required to establish a base for overtime. There shall be no pyramiding of overtime pay.

8.3. Limitation and Distribution of Overtime. No employee shall be required to work more than sixteen (16) hours in any twenty-four (24) hour period. If an employee works thirty-two (32) hours in a pay period on emergency overtime work, that employee will not be subject to non-emergency necessary overtime work in the same pay period unless the employee volunteers for such work. An employee shall be obligated to work non-emergency necessary overtime work to the extent that the employee has not worked thirty-two (32) hours in a pay period as emergency overtime work, i.e., emergency overtime hours worked shall reduce the hours limitation for non-emergency necessary overtime in the same pay period.

8.4. Emergency Overtime. All employees are required to work in emergency situations. An emergency includes, but is not limited to, situations which involve disruption of service to customers and actual or threatened danger of injury to person or damage to property, or threat to public health and safety.

8.5. Non-Emergency Necessary Overtime.

8.5.1. The District will request volunteers for all available necessary overtime. Overtime work shall be distributed as nearly equally as possible among qualified employees working within the same job classification, within the same work unit.

8.5.2. No volunteer may work more than sixteen (16) consecutive hours without approval of the Division Manager.

8.5.3. No employee will be assigned to work more than sixteen (16) hours in any 24-hour period or to work more than thirty-two (32) hours per pay period of non-emergency necessary overtime work. The parties emphasize the distribution commitment contained in Article 8.5.1 above to minimize the impact of assigned overtime on an individual employee.

8.5.4. In the event an insufficient number of employees volunteer for necessary overtime, the District shall assign employees to fill vacancies (on a rotating basis) starting by reverse seniority in the affected unit and classification. Whenever an employee is on standby, the District will not assign other overtime work to that employee unless the entire rotation of his/her classification has been exhausted and overtime is still necessary. However, an employee shall be permitted to volunteer for overtime during a week the employee is also on standby.

8.5.5. With District approval, employees may trade or relinquish to another employee all overtime assignments. Until a trade is approved, all overtime assignments are part of an employee's job responsibilities. If a trade is not approved, a reason for the denial will be provided in writing.

8.5.6. Employees are expected to comply with overtime assignments and failure to do so shall subject an employee to appropriate discipline. However, an employee who, because of illness or other compelling emergency, is unable to work assigned or scheduled overtime, and who notifies the District a minimum of one (1) or more hours before an employee is scheduled to report to work, shall not be subjected to disciplinary action for failure to work.

8.6. Voluntary Overtime Lists. Work units having overtime work will establish lists of employees who are available to work overtime on a voluntary basis. The initial order of call when the lists are established shall be by seniority; thereafter, employees will be called on a rotating basis subject to the operating procedure of the work unit. The operating procedure for such lists shall be developed by each work unit and shall take into account the nature of the overtime work available, skills required to do the overtime work, and the operational requirements of the work unit.

8.7. Compensatory Time. Compensatory time will be provided at 1.5 hours for each

hour of overtime worked. The maximum accrual of compensatory time will be 75 hours in a payroll year. Payroll year is defined as the period beginning with the first pay period for which pay is received in January, and ending with the last pay period for which pay is received in December. All overtime worked after an employee has accrued or used 75 hours of compensatory time in a payroll year will be paid at the appropriate overtime rate. All employees who have accrued compensatory time at the end of the last pay period, for which pay is received in December, shall have their compensatory time carried over as compensatory time into the next (following) payroll year. All compensatory time carried over from the last payroll year to the next must be used by the end of the next payroll year or it will be paid off to the employee at the end of the next (following) payroll year at the applicable FLSA rate. Any compensatory time used in the next (following) payroll year will first be deducted from any compensatory time that was carried over from the last payroll year, if any. Compensatory time accrued after the last full pay period of the payroll year, but prior to the end of the calendar year, will be credited and included in the accrual for the following calendar year.

8.7.1. Use of accumulated compensatory time off shall be scheduled and approved by the District so as not to disrupt the operation of the work unit or the District.

ARTICLE 9. STANDBY PAY

9.1. Preamble. At the present time the District has no plans and does not contemplate an expansion in either the use of standby or in the classifications where standby is currently being utilized.

9.2. Compensation Rates.

9.2.1. An employee assigned to be on call during non-working hours shall receive a premium of twenty-five percent (25%) of the basic pay during the standby period, provided such employee makes himself/herself available and responds to all calls for work. Overtime work performed during a standby period shall be paid at the rate of one and one-half (1-1/2) times the straight-time hourly rate for the time worked exclusive of such standby premium.

9.2.2. In the event an employee assigned to standby is not called for overtime work because of District error which is verified by the District, the employee shall receive payment equivalent to two and one-half (2.5) hours at their overtime rate exclusive of special or premium pay provided such employee makes himself/herself available and responds to all standby calls for overtime work during that week.

9.2.3. When an employee is on standby on a day that is designated as a District holiday, the employee shall receive standby pay for three (3) eight-hour standby periods on that holiday, in addition to receiving regular holiday pay.

9.3. Scheduling. The District shall schedule its standby needs at least two (2) months in advance. Volunteers for standby to fill the schedule shall be allowed in each classification with the most senior District employee allowed first choice of assignments.

9.4. Rotation System. A rotation system in each department, in each classification, in each location, shall be developed by the District where standby is necessary. The rotation system shall not be utilized if the standby schedule is completely filled with volunteers. The rotation system, if used, shall, in its inception, first obligate the least senior District employee in each department, in each classification, in each location.

9.5. Trades. With District approval, employees may trade or relinquish to another employee all standby assignments. Unless and until a trade is approved, all standby assignments are part of an employee's job responsibilities. If a trade is not approved, a reason for the denial will be provided in writing.

9.6. Compliance. Employees are expected to comply with standby assignments and failure to do so shall subject an employee to appropriate discipline. However, an employee who, because of illness or other compelling emergency, is unable to be available for standby, and who notifies the District at the onset of the illness or at the time they become aware of the compelling emergency, shall not be subjected to disciplinary action for failure to be available. Such employee shall only be compensated for the actual time he/she was available for standby.

ARTICLE 10. CALL TIME

10.1. Minimum Overtime Guarantee. Employees called and requested to work outside of their regularly scheduled shift and who report to work in response to such request, shall be paid for a minimum of two and one-half (2-1/2) hours at the appropriate overtime rate.

10.2. Shift Overlap. If the call time work assignment and the employee's regular shift overlap, the following process will be followed:

10.2.1. The time that the minimum overtime guarantee overlaps the employee's regular shift will be paid as a premium but will count towards the employee's regular shift or hours. Minimum overtime guarantee is a premium pay and is not subject to retirement withholding and will not be counted toward retirement service credit.

10.2.2. The District and employee will pay retirement contributions for the regular shift hours worked by the employee at the regular rate of pay and the employee shall receive service credit in the Retirement System for the employee's regular shift hours.

10.2.3. No retirement contributions will be made for overtime compensation paid to the employee for the minimum overtime guarantee and no retirement service shall be credited for overtime work.

10.3. Rest/Meal Break. If an employee is called to start work less than two and one-half (2-1/2) hours before the start of his/her regularly scheduled shift, the employee shall be allowed a fifteen (15) minute break prior to the start of his/her shift. If the employee is called to start work two and one-half (2-1/2) or more hours before the start of his/her regularly scheduled shift, he/she shall receive a thirty (30) minute paid meal break prior to the start of his/her regular shift.

10.4. Telephone Response. An employee on paid standby who is called on the telephone but not required to report for work will be compensated for a minimum of one (1) hour at the appropriate overtime rate.

ARTICLE 11. SHIFT DIFFERENTIAL

11.1. Definition and Compensation. Employees who perform work on a scheduled eight (8) hour shift beginning between 11:00 a.m. and 10:59 p.m., inclusive, shall be paid ten (10) percent per hour. Employees who perform work on a scheduled eight (8) hour shift which begins between 11:00 p.m. and 3:59 a.m., inclusive, shall be paid fifteen (15) percent per hour.

11.2. Continuous Operations. In continuous operations, when an employee's shift is extended by additional hours either before or after the normal shift, overtime compensation shall be based on the rate for the shift that was extended or actually worked, whichever is greater.

ARTICLE 12. REDUCTION IN FORCE/DEMOTION AND TRANSFER AND DEMOTION APPEALS

12.1. Reasons. An employee may be separated from District employment by reduction in force due to lack of work or funds, retrenchment, or completion of work. The District shall notify the union of its intent to implement a reduction in force no less than thirty (30) calendar days prior to its effective date. The notice shall include the reason for the layoff, the classifications and positions affected, the names of the employee(s) subject to separation by reduction in force, and the seniority information associated with the reduction in force.

12.2. Application. Reduction in force in a given classification shall be from all positions in the classification, District-wide.

12.3. Priority. Reduction in force shall first affect employees having provisional or probationary appointments in the classification in question. Thereafter, employees having permanent appointments in the classification shall be subject to reduction in force in inverse order to the length of their continuous service within the affected classification.

12.3.1. Length of service for the purpose of Section 12.3. shall mean an employee's continuous uninterrupted service from the effective date of appointment as a probationary, part-time, or less than full-time (Intermittent) employee

12.3.2. An interruption in length of service within a classification shall occur as a result of any one of the following:

- a. Discharge for cause
- b. Voluntary resignation
- c. Retirement for service or disability
- d. Absence from work for thirty-six (36) consecutive months because of layoff
- e. Failure to return from layoff as provided in Article 12.6
- f. Failure to return from an approved leave of absence upon the date specified

- for return at the time said approval was granted
- g. Unapproved leave of absence without pay of any length

Acting appointments to a classification shall not be construed as service in such classification unless such acting appointment was contiguous with appointment to such classification in a probationary, part-time, or less than full-time (Intermittent) status.

12.4. Demotion to Previously Held Classifications. An employee subject to separation by reduction in force may elect demotion to classifications in which he/she has previously held permanent civil service status during his/her current period of employment. In such election, the procedures of reduction in force outlined in Section 12.3 shall be applied to the employee being separated and to all others in the classification in question.

12.5. Voluntary Demotion. In accordance with Civil Service Rules governing demotions and transfers, an employee subject to separation may also be considered for voluntary demotion to other lower classifications or for transfer to classifications at the same salary level, if any vacancies exist. Any employee who is not transferred or demoted to a permanent position shall be offered appointment to any temporary position in his/her classification which is currently filled at the time of his/her proposed termination.

12.6. Reinstatement List. Names of employees affected by reduction in force shall be placed on a layoff and reduction list in the order in which they have been laid off or demoted. Such list shall remain in effect for a period of two (2) years, during which time, when vacancies occur in the classification in which reduction in force took place, employees laid off or demoted shall be reinstated in the reverse order of layoff or demotion.

12.7. Severance Pay. Each permanent employee with a minimum of five (5) continuous years of District employment who is laid off due to a reduction in force shall receive twenty (20) workdays' severance compensation exclusive of any premium, overtime, standby or longevity pay.

12.8. Demotion. The General Manager may approve the demotion of an employee for inefficiency, or as a result of reduction in force or for other cause. Except in disciplinary situations, there shall be no involuntary demotion of an employee until reasonable effort has been made to transfer or reassign the employee in accordance with applicable Civil Service Rules.

12.9. Transfer and Demotion Appeals. In the event of transfer or demotion in accordance with the District's Civil Service Rules, the Personnel Officer shall give written notice to the employee, including the reasons for the action, and the employee shall have the same rights of appeal as employees who are discharged or suspended.

ARTICLE 13. CONTRACTING AND SUBCONTRACTING

13.1 Right to Contract. The rights to contract and subcontract are vested exclusively in the District; provided, however, if such contracting or subcontracting work would result in the layoff of an employee in a classification set forth in Appendix A, the District will consult with the Union, prior to such contracting or subcontracting, in an attempt to avert, by transfer or other

reasonable means, the layoff of such employee.

13.2. Annual Meeting. In addition to current practice, District and Union representatives will meet annually to review contract construction work and other work that is customarily performed by Union members that the District intends to contract out during the fiscal year. Further, District and Union representatives will regularly hold meetings as a Contracting Out Committee.

Probationary and regular employees will be eligible for the floating holiday if they are employed prior to July 1 and must be taken by the beginning of the last pay period in December. The District will allow the individuals to choose this day (May 19) as the floating holiday, provided the department or division does not fall below acceptable minimum staffing. If all applicants for the day cannot be satisfied, selection of which individuals will receive the specified date will be made on the basis of date of request.

14.2.2.2. The Malcolm X holiday must be taken no later than the last day of the last full pay period in the calendar year to be paid in the calendar year.

14.2.2.3. If the Malcolm X holiday is not used prior to that date it shall be forfeited.

14.2.2.4. Use of the Malcolm X holiday after the last day of the last full pay period in the calendar year will be charged against the following year.

14.3.3. Employees who work in a 24-hour continuous operation or a seven-day per week operation and are scheduled to work on District-observed holidays and actually work on the holiday in accordance with this MOU shall receive the following based on their work schedule:

14.3.3.1. Eight Hour Work Schedule. Employees who work an eight (8) hour schedule shall receive the following:

14.3.3.1.1. Eight (8) hours of regular straight time pay for the holiday worked that will be

subject to retirement contributions from both the District and employee and be counted toward retirement service credit.

14.3.3.1.2. Eight (8) hours of holiday pay at the straight time rate that the employee may choose either to receive as pay or add to his/her vacation accruals. If taken as pay, holiday pay is a premium pay and is not subject to retirement withholding and will not be counted toward service credit.

14.3.3.1.3. Four (4) hours of holiday premium at the regular straight time rate that may be paid or added to compensatory time accruals in accordance with this MOU. If taken as pay, holiday premium pay is not subject to retirement withholding and will not be counted toward service credit. The four (4) hours of holiday premium pay will be reported using a separate payroll code.

14.3.3.2. Compressed Work Week Schedule. Employees who work on a compressed workweek schedule shall receive the following:

14.3.3.2.1. Nine (9), ten (10), or twelve (12) hours of regular straight time pay for the worked holiday depending on the duration of their regularly scheduled work day that will be counted toward retirement service credit and be subject to retirement contributions from both the District and employee.

14.3.3.2.2. Eight (8) hours of holiday pay at the straight time rate that the employee may choose either to receive as pay or add to his/her vacation accruals. If taken as pay, holiday pay is a premium pay and is not subject to retirement withholding and will not be counted toward credit.

If taken as pay, holiday premium pay is not subject to retirement withholding and will not be counted toward retirement service credit. The holiday premium pay equal to one-half of these regularly scheduled hours worked will be reported using a separate payroll code.

14.3.3.3. No retirement contributions shall be taken from overtime compensation paid to the employee for holidays and no retirement service credit for overtime work.

14.3.4. In the event that a holiday falls on an employee's compressed day off, the employee will be credited with eight (8) hours of vacation, or the employee may choose to receive holiday pay, to be added to 80 hours of regular pay (a total of 88 hours at regular rate for the pay period). If the employee does not indicate that he/she wishes to receive holiday pay, the holiday will be added to his/her vacation accrual.

14.3.5. In continuous and seven-day operations, when a holiday falls on a Saturday or Sunday, the actual holiday will be observed rather than the District observed holiday.

14.4. Holiday During Vacation. Holidays that fall during a vacation shall not be charged against vacation credits.

ARTICLE 15. VACATIONS

15.1. Eligibility and Allowance.

15.1.1. Employees who are eligible to be credited with vacation are those who have permanent or probationary status. Other appointments, however, if continuous with the current period of employment, shall be counted in determining the amount of vacation to be credited and the date of eligibility.

15.1.2. Eligible employees shall accrue vacation leave as follows:

Continuous Service Years	Vacation Leave Hours Per Pay Period	Vacation Days Per Year
1 st through 4 th	3.692	12
5 th through 9 th	4.616	15
10 years	5.539	18

16 years	6.770	22
17 years	7.077	23
18 years	7.385	24
19 and subsequent	7.693	25

15.1.3. Any increases an employee receives in vacation shall be prorated for the calendar year.

15.2. Vacation Accrual. All eligible employees shall accrue vacation on the basis of hours paid.

15.3. Use of Vacation.

15.3.1. At any time after completion of six (6) months of service, an eligible employee may use the six (6) vacation days credited for the first six (6) months of employment. Thereafter, employees may use vacation leave equal to the accrued vacation leave credited to their account.

15.3.2. Vacation must be taken within the calendar year in which it is credited, with two (2) exceptions:

a. Certain amounts of vacation may be deferred, as shown below.

b. Vacation started before the end of the year may be continued into the next year.

15.3.3. A maximum of 50 vacation leave days (400 hours) may be deferred by employees. Any employee with deferred vacation accrual in excess of 50 days (400 hours) at the end of any calendar year shall have his or her vacation leave balance adjusted and reduced to 50 vacation days at the beginning of the first payroll period in January unless there is specific written authorization from the General Manager to exceed such limit. Employees who have more than four hundred (400) hours of vacation accrued on the last payroll period in December and who have not taken at least 80 hours of vacation in the prior calendar year, shall be required to schedule and take vacation to equal eighty (80) hours (including previous year's vacation) within the following three months. These 80 hours shall not include hours used in the first quarter of the year to comply with the prior year's requirement. If any employee retains more than 400 hours after the three-month period, the District will automatically convert to pay all hours in excess of 400 hours as of the last payroll period in December. The District will discontinue the additional notification of employees by letter of vacation leave balances in excess of 400 hours effective with the end of the 2007 payroll year.

15.4. Choice of Vacation.

15.4.1. Whenever possible, vacations shall be scheduled for the time requested by the employee. In order to avoid undue disruption of work activities or to minimize conflicts with other employees' vacations, the Department Head or Division Manager may place reasonable seasonal or other restrictions on the use of deferred vacation.

15.4.2. Supervisors shall prepare a schedule of available vacation periods for each classification in their organizational units which shall be based on efficient staffing of the unit in relation to estimated workload. Each employee shall indicate, by order of preference, the vacation period desired. Supervisors shall review these requests and resolve any conflict in favor of the employee with the most seniority (i.e., longest total continuous District service); provided, however, if an employee requests that his/her vacation be taken in two (2) or more noncontinuous vacation periods, such employee may exercise his/ her seniority only for the first period of vacation.

15.4.3. Supervisors shall recommend the completed schedule to the Department Head or Division Manager. After the vacation schedule has been approved by the Department Head or Division Manager, an employee promoted or transferred into a unit may not "bump" another employee's previously scheduled vacation period without that employee's consent.

15.5. Vacation Proration on Separation. An employee eligible for vacation who is separated from District service for any reason shall receive a lump sum payment for any unused, earned vacation.

15.6. Vacation Sell-Back. An employee may choose to sell back a maximum of one hundred twenty (120) hours of vacation leave to the District, in one hour increments, during the payroll year. Payments to employees resulting from such sell back of vacation shall not be considered "compensation" as defined in the Retirement Ordinance for the purpose of calculating

terminal compensation.

ARTICLE 16. PAID ABSENCE

16.1. Sick Leave.

16.1.1. Eligibility. Any permanent, probationary or part-time employee who, through no fault of his/her own, is unable to be present to perform his/her duties due to illness, injury, medical or dental treatment, or serious medical emergency in the employee's immediate family shall be granted sick leave in accordance with the provisions of this Section.

16.1.2. Accumulation. Employees shall accrue four (4) hours of sick leave credit for each full biweekly pay period of continuous service, to a maximum of 1040 hours (130 days). There shall be no accumulation for any workday of unpaid leave in excess of 20 workdays in a calendar year.

16.1.3. Use. All sick leave used shall be deducted from the employee's credits, with the minimum chargeable time being 30 minutes. When sick leave credits are exhausted, unpaid sick leave may be granted.

16.1.4. Family Sick Leave. Where employee absence is required due to serious medical emergency in the employee's immediate family (i.e., mother, father, stepmother, stepfather, husband, wife, son, daughter, stepson, stepdaughter, brother, sister, or domestic partner), a maximum of thirteen (13) days of accrued sick leave may be used in a payroll year as defined in Article 8.7 .

16.1.5. Substitution of Sick Leave for Vacation. If an employee becomes ill and takes sick leave before a scheduled vacation begins, the starting date of vacation may be postponed or vacation rescheduled as approved by the District. If an employee becomes ill after his/her last workday before vacation begins or during vacation and the illness extends more than two (2) vacation days, accumulated sick leave shall be substituted for vacation leave for each full day involved. Each vacation leave day that an employee was hospitalized may be converted to sick leave upon submission of satisfactory evidence of hospitalization. Request for such substitution shall be made when the employee returns to work, unless he/she wishes to extend his/her absence, in which case he/she shall contact his/her supervisor before he/she is scheduled to return to work. Request for sick leave substitution shall be accompanied by a doctor's statement or other satisfactory evidence verifying the length of time the employee was incapacitated.

16.1.6. Limitations. An employee who is unable to report for work and who fails to notify his/her supervisor in accordance with work unit procedures, may not qualify for paid sick leave. An employee whose illness or injury arises out of non-District employment is not entitled to sick leave. All sick leave use is subject to review, verification, and approval by the District. A doctor's certificate indicating time under doctor's care, approval for return to work, and any work limitations is required if sick leave extends to ten (10) consecutive workdays or more. Upon return to work from sick leave, the employee's supervisor and Department Director/Division Manager may require an employee to be evaluated by a District-selected physician, if there is

reasonable concern about the employee's fitness for duty, or endangering the health of other employees. These evaluations will be conducted on District time.

16.1.7. Retirement Credit. Consistent with the terms and conditions of the Retirement Ordinance, when an employee's sick leave accumulation reaches the maximum of 1040 hours, any hours which would have otherwise accrued thereafter shall be accumulated without limit. Such hours, when added to the existing sick leave accumulation, become Service Extension Credit, to be applied when computing the employee retirement allowance.

16.1.8. Service Extension Credit/Conversion. When an employee is released for return to work as shown by medical evidence satisfactory to the District, after sick leave extending for ninety (90) calendar days or more, the hours of sick leave taken shall be restored to the employee's sick leave account by deducting that number of hours from any service extension credit in the employee's account at the time of return to work to a maximum of five hundred twenty (520) hours. Such sick leave shall be credited and available for use after the employee's return to work.

16.1.9. Sick Leave Pay-Out In Lieu of Service Extension Credit. Employees who separate from service due to retirement shall have the option of receiving a lump sum cash payment equal to the value of fifty percent of the accrued hours in the employee's sick leave account and Service Extension Credit account, at base rate, not including shift or other differentials or premiums, less applicable taxes, instead of and in lieu of receiving Service Extension Credit pursuant to Article 16.1.7. and the Retirement Ordinance. Such lump sum payment shall not be considered "compensation" as defined in the Retirement Ordinance for the purpose of calculating terminal compensation.

16.1.10. Sick Leave/FMLA. Eligible employees who are on paid sick leave or job injury leave will be granted simultaneous leave under the FMLA, after an absence of thirteen (13) consecutive workdays effective January 1, 2004.

16.2. Special Leave.

16.2.1. Death in Family. In the event of death in an employee's immediate family (i.e., parent, stepparent, spouse, domestic partner, child, stepchild, sibling, grandparent, grandchild, or any other person sharing a comparable relationship resulting from a registered domestic partner relationship), the employee shall be granted five (5) workdays of special leave. In the event of death of the employee's mother-in-law or father-in-law, the employee shall be granted three (3) workdays of special leave. Leave granted for death in the family may be split between the period immediately following the death and the funeral services.

16.2.2. Funeral/Service of Relative. An employee shall be granted one (1) workday of special leave to attend the funeral/service of a close relative not in the employee's immediate family. Close relative includes, spouse's grandparent, daughter-in-law, son-in-law, sister-in-law, brother-in-law, spouse's sister-in-law, spouse's brother-in-law, and employee's aunt, uncle, niece, nephew, and first cousin.

16.2.3 Other Deaths. An employee may request authorization by the General Manager or his/her designee for special leave involving deaths other than those listed in paragraphs 16.2.1 and 16.2.2 above where the employee considers special leave justified. The decision of the General Manager is final and not subject to appeal.

16.2.4. Death in Family, Funeral/Service of Relative, and other death leave shall be taken immediately following the death of the person or to coincide with funeral/services unless, because of extenuating circumstances, another specified time is required and specific written authorization is granted by the General Manager to defer such leave to another specified period of time.

16.2.5. Jury Duty. An employee shall be granted necessary special leave for jury duty as detailed in an appropriate summons or order. The employee must immediately notify the supervisor when s/he receives a jury duty summons and provide a copy of the instructions that s/he receives. Employees shall follow the instructions of the jurisdiction for which they are summoned, but must immediately report back to work if not required to be present for jury duty or if released from jury duty during the workday.

16.2.5.1. Employees who work a schedule other than day shift will respond as follows:

a. On the next regularly scheduled working day after receiving a notice for report to jury duty, the employee will inform his/her supervisor of the day and time the jury duty is scheduled. It is the employee's responsibility to give prompt notice of scheduled jury duty.

b. At the employee's request, the supervisor will consider transferring the employee to a Monday through Friday day shift assignment starting the week of the jury duty assignment. If the employee starts jury duty mid-week, he/she will work the days of the week on a Monday through Friday day shift schedule prior to starting jury duty.

c. The employee on jury duty may remain on a Monday through Friday day shift assignment until the jury duty assignment is completed. The employee shall notify the supervisor as soon as the jury duty assignment is completed. The employee may finish out the week on a Monday through Friday day shift assignment and return to his/her regular assignment the following week. The employee shall give the supervisor necessary paperwork to show days served on jury duty.

d. Employees placed on a Monday through Friday day shift schedule will continue to receive their shift differential pay while on jury duty.

16.2.6. Court Appearance. An employee subpoenaed to appear before a court or other public body on any matter not related to his/her work shall be granted special leave for such purposes; provided, however, that such leave shall not be granted if the employee is the plaintiff or defendant or if the court appearance is for domestic relations matters.

16.2.7. Military Physical Examination. An employee shall be granted special leave to take a required military physical examination.

16.2.8. Military Leave. The District shall grant military leave in accordance with applicable laws of the State of California.

16.2.9. Voting Time. An employee who is eligible to vote in primary and general elections shall be granted special leave, when required, not to exceed two (2) hours, at a time when the polls are open, in accordance with California State Law.

16.2.10. One Day Special Birthday Float. Each employee shall be granted special leave for his/her birthday based on the employment status of that employee, not to exceed a total of 8 hours within the payroll year of his/her birthday. The District will make every reasonable effort to accommodate an employee's request for a specific special leave day off, subject to the operational needs of the District.

16.2.10.1. Eligible employees shall request and use the One Day Special Birthday Float Leave no later than the last day of the last full pay period in the payroll year as defined in Article 8.7.

16.2.10.2. If the one day Special Birthday Float is not used prior to this date it shall be forfeited.

16.2.10.3. Use of the one day Special Birthday Float after the last day of the last full pay period in the payroll year, as defined in Article 8.7, will be charged against the following year.

16.2.11. Blood Donations. Consistent with District operating requirements, employees shall be granted special leave of two (2) hours for giving blood donations to the District, Union, accredited hospital or Red Cross blood banks.

16.3. Job Injury Leave.

16.3.1. Eligibility. Job injury leave shall be granted an employee who is unable to report to work following an injury or industrial disease which arises out of and during the course of his/her employment, provided that:

16.3.1.1. Requests for leave are accompanied by a statement from a District panel physician indicating the nature of the injury and an estimate of the time the employee will be incapacitated for work; and

16.3.1.2. The reported injury or disease is accepted as industrial by the District's Third Party Workers' Compensation Administrator.

16.3.2. Compensation. When a job injury leave is authorized, the District will grant paid leave or supplement payments made by the Workers' Compensation Insurance Administrator so that the employee will suffer no loss in his/her regular pay for a period not to exceed 480 total hours of each such injury. When lost time exceeds 480 total hours, the employee may choose to receive Workers' Compensation Insurance only, or he/she may choose to use sick leave and/or

vacation leave which he/she has to his/ her credit to supplement his/her compensation payments so that he/she will suffer no loss in his/her regular pay until such sick leave credit is exhausted.

16.3.3. Designation of Employee Personal Physician. Notwithstanding the above, pursuant to and consistent with applicable law, an employee may seek treatment from his/her personal physician. However, to provide a safeguard against abuse, the employee shall make every reasonable effort to be evaluated by a panel physician within 48 hours of the injury.

16.3.4. Reemployment Preference After Job Injury. A former permanent employee of the District currently not a District employee as a direct result of disabling job injury shall be granted reemployment preference as follows:

16.3.4.1. An employee who has recovered sufficiently in the opinion of a District-selected physician to resume his/her former duties shall be offered the first vacant position in the employee's former classification.

16.3.4.2. An employee as described above or an employee who has been rehabilitated and retrained for another occupation because of a disabling job injury who has been placed on a District employment list and is eligible for consideration for a position shall be selected to the first vacant position.

16.3.5. The preference described above shall be in effect for a period of two (2) years beginning with the date that the employee is determined to be rehabilitated, or a total of four (4) years from the date of termination, whichever is less. The preference shall be absolute unless:

16.3.5.1. Mandatory selection or reinstatement of another person is required by the Civil Service Rules, the Retirement Ordinance, or law; or

16.3.5.2. The General Manager determines that selection for a specific position would be contrary to the interests of the District.

17.1.2. There shall be no loss of vacation or sick leave credits for leaves without pay of 160 hours or less in a calendar year; thereafter, there shall be no accumulation of vacation and sick leave credits for any workday of unpaid leave. All leave without pay except unpaid sick leave is deducted from an employee's service when computing retirement credits. All employees hired after January 1, 2004 shall not receive retirement service credit after 18 months of unpaid sick or job injury leave.

If the grievance involves employees in only one division, the grievance shall be filed with the Division Manager at Step 1. If the grievance involves employees in more than one (1) division, the grievance shall be filed with the Manager of Employee Relations at Step 1.

22.3.1 Any employee may be suspended for just cause. Before imposing the suspension, the supervisor shall advise the employee that the subject of suspension will be discussed and that the employee may be accompanied by a representative. When the District is considering taking major disciplinary action (suspension of 5 or more workdays or discharge), it shall provide copies of all written and other relevant materials used by the District, to the employee and his/her representative before the scheduled pre-disciplinary meeting. The District is not precluded from considering information obtained by the District after the pre-disciplinary meeting in response to the statements made by an employee or his/her representative during the pre-disciplinary meeting and shall provide copies of any additional information. Upon such suspension, the supervisor shall notify the employee in writing, of the reason for and duration of the suspension. An employee ordered to leave his/her work for disciplinary reasons shall, before leaving the District premises, have the right to consult with his/her Union steward or officer.

22.3.1.1. The supervisor shall promptly notify the Union steward or officer of the action taken, the reasons for and duration of the suspension.

22.3.1.2. Whenever the employee is not present at his/her workplace when a suspension is deemed necessary, the employee and the Union shall be notified by telephone or mail within one (1) workday following the effective date of suspension. Such notice shall state the reasons for and duration of the suspension.

22.3.2. Any employee may be discharged for just cause. In all cases where the District may conclude that an employee's conduct may justify discharge, such employee shall first be suspended. Such initial suspension shall not be for more than five (5) workdays. During such period, the District shall decide whether the suspension without pay already given is considered sufficient, or, dependent on the facts of the case, it should be extended, reduced, converted into a discharge, or that no discipline should have been given.

22.4. Civil Service Appeal. The employee, with or without his/ her designated representative, shall have the right to appeal a suspension or discharge either in accordance with the Grievance Procedure by sending a completed grievance form to the Division Manager via the work unit supervisor, or in accordance with Civil Service Rule XIII, APPEALS, but in no case under both.

22.5. Procedural Steps.

22.5.1. Step 1. Informal Discussion/Filing of Grievance Statement.

22.5.1.1. The employee who has a grievance other than discrimination [as described in (b) below] may, with or without the assistance of a representative, discuss the matter informally with his/her immediate supervisor. If the grievance is not settled through informal discussion and the

employee desires further review, a completed and written Form PE-105, "Statement of Grievance", must be submitted to the employee's immediate supervisor within twelve (12) workdays from the initial date he/she knew, or reasonably could know, of the act or omission causing the grievance. If the grievance is challenging a disciplinary action, the grievance shall be filed with the supervisor of the person who took the disciplinary action within twelve (12) workdays.

22.5.1.1.1. The PE-105 shall contain the following information: (1) a statement of the grievance and all relevant facts; (2) specific provision(s) of the Memorandum of Understanding allegedly violated; and (3) the remedy sought.

22.5.1.1.2. The supervisor shall discuss the matter with the employee, the work unit supervisor, and any others who should be directly involved and attempt to arrive at a solution. The supervisor shall provide a written answer to the employee that sets forth the supervisor's rationale and decision within five (5) workdays of receipt by the supervisor of the written Form PE-105. The decision of the immediate supervisor shall be applicable only to the grievance being reviewed and considered.

22.5.1.2. Alleged Unlawful Discrimination.

22.5.1.2.1. If an employee is seeking redress from an action, decision, policy or condition that he/she believes to be a result of union activity, then the grievance shall be filed with the Manager of Employee Relations.

22.5.1.2.2. If the grievance is not settled through informal discussion and the employee desires further review, a completed and written Equal Employment Opportunity (EEO) Discrimination/Harassment Complaint Form must be submitted to the Diversity and Inclusion Officer within twelve (12) workdays from the initial date he/she knew or could reasonably have known of the act or omission causing the complaint. The complaint will be processed in accordance with the EEO Discrimination/Harassment Complaint Procedure 227. The Diversity and Inclusion Officer is the final District review level of EEO complaints. If the complaint as described in the EEO Discrimination/ Harassment Complaint Form remains unresolved, the grievant may submit the grievance directly to binding arbitration as described in Section 22.5.3.2.

22.5.1.2.3. If the discrimination is believed to be because of union membership, non-membership, or any lawful union activity, then the grievance is filed with the Manager of Employee Relations.

22.5.2. Step 2. Board of Adjustment.

22.5.2.1. If the employee is not satisfied with the Step 1 written response from his/her immediate supervisor, the employee must submit the completed Form PE-105, "Statement of Grievance", to the Manager of Employee Relations within twelve (12) workdays of the Step 1 written response.

22.5.2.2. A Board of Adjustment meeting will be held within ten (10) workdays of the receipt of the Form PE-105 by the Manager of Employee Relations. In all grievances except those involving suspension without pay or discharge, the Board of Adjustment shall be comprised of the Division Manager and the Manager of Employee Relations or his/her delegate and not more than two representatives from the bargaining unit. In the case of a class action grievance that involves all Local 444 members, the Board of Adjustment shall be comprised of a Department Director and the Manager of Employee Relations or his/her delegate and not more than two representatives from the bargaining unit. The Manager of Employee Relations or his/her delegate will chair the Board of Adjustment. In all grievances that involve suspension and/or discharge, or the decision of the Division Manager, the Department Manager will replace the Division Manager. No relatives of the grievant or members of the grievant's household may sit on a Board of Adjustment for either of the parties. In addition, an individual named in a grievance resulting from a disciplinary action or alleging harassment will not be eligible to serve on the resulting Board of Adjustment, with the exception of Employee Relations staff.

22.5.2.3. The purpose of the Board of Adjustment meeting will be: 1) to review the facts of the grievance and to conduct a further investigation of the situation, if appropriate, and (2) to explore alternate methods of resolving the grievance. Unless the parties mutually agree otherwise, any majority decision reached at the Step 2 level, shall be reduced to writing within five (5) workdays and shall be final and binding. If no agreement is reached, Management's decision shall be reduced to writing within five (5) workdays.

22.5.3. Step 3. Binding Arbitration.

22.5.3.1. If the grievance as described in the PE-105 in Step 1 remains unresolved, the grievant may submit the grievance to binding arbitration in accordance with the procedures set forth in Step 3.

22.5.3.2. A request for arbitration shall be in writing and addressed to the Manager of Employee Relations and must be postmarked within forty-five (45) workdays after the employee's receipt of the decision in Step 2. The request shall clearly state the issue to be arbitrated. The District, or its representative, and the employee, or his/her representative, shall jointly select an impartial arbitrator. If they are unable to agree upon an arbitrator, the District shall request a list of arbitrators from either the American Arbitration Association, the California State Conciliation Service or Federal Mediation and Conciliation Service. The arbitrator shall be selected as mutually agreed upon, or in accordance with applicable rules of the agency selected within twenty (20) workdays of receipt of the request for arbitration from the grievant/union. The arbitrator will be requested to hold the hearing within thirty (30) workdays of the request to arbitrate and to render a decision within sixty (60) workdays of the receipt of briefs.

22.5.3.3. The arbitrator shall limit his/her findings and recommendations strictly to the

interpretation, application and enforcement of the provisions of this Memorandum, or the interpretation or application of rules or regulations governing personnel practices or working conditions. In cases of suspension or discharge, the arbitrator shall limit his/her findings and recommendations strictly to the issue of cause.

22.5.3.3.1. The arbitrator's hearing shall be formal and conducted in accordance with usual administrative practices, including recording of proceedings by certified reporter and testimony given under oath. If a transcript of the proceedings is ordered by either party, each party shall pay for its own copies.

22.5.3.3.2. The arbitrator shall in no case make any recommendations:

1. contrary to, or inconsistent with or modifying or varying in any way, the terms of the Memorandum, or the terms of rules or regulations governing personnel practices or working conditions;
2. inconsistent with the District's duties, responsibilities or obligations particularly with regard to public health and safety and including the Municipal Utility District Act or any other State or Federal law to which the District is subject;

4. ordering any wage increase or decrease;
5. ordering the payment of back wages for more than six (6) months prior to the date a written grievance is filed;
6. reversing, overruling, or otherwise modifying any District decision or omission except after finding (a) the District decision violated some express provision of the Memorandum or rules and regulations governing personnel practices or working conditions; or (b) the District decision or omission was under the circumstances arbitrary, capricious or discriminatory.

22.5.3.3.3. Each party shall make arrangements for and pay the expenses of witnesses who are called by them. The District shall have no obligation to compensate employees, with the exception of the aggrieved in other than suspension or discharge cases, for time lost during arbitration proceedings, except when any employee is requested by the District to participate in such arbitration proceedings.

22.5.3.3.4. The expenses of the arbitrator shall be shared equally by the District and the Union or employee, as appropriate.

22.6. Procedural Steps for Limited Civil Service Examination Grievance Procedure.

22.6.1. Step 1. The Union may file a Limited Civil Service Examination Grievance on behalf of a current employee or group of current employees by submitting a PE-105 to the Director of Human Resources within the following time limits:

22.6.1.3.1. The Manager of Human Resources shall provide a written answer to the union setting forth his/her decision and rationale within five (5) working days of receipt of the PE-105.

22.6.2. Step 2. If the union desires to appeal the Manager of Human Resources' decision, it shall notify the Manager of Human Resources in writing within five (5) working days from receipt of the Manager of Human Resources' decision, that it desires to submit the grievance as set forth in the PE-105, "Statement of Grievance" to expedited arbitration. The expedited arbitration process for Limited Civil Service Examination Grievances shall be as described below and shall be the exclusive means for the resolution of such disputes:

22.6.2.1. Selection of Arbitrator and Scheduling of Hearing. Within five (5) working days of the Union's notice to the Director of Human Resources, an impartial arbitrator shall be jointly selected by the District and union. If the parties cannot agree on an arbitrator, then the Manager of Human Resources will request a list of five (5) arbitrators from the California State Mediation and Conciliation Service and the parties shall select an arbitrator by mutual agreement or alternately striking names.

22.6.2.2. The hearing shall be held within 10 working days of the arbitrator's selection. If the arbitrator has no available date within 10 working days, another arbitrator shall be selected until an arbitrator can be found who is available within the 10 working day time limit.

22.6.2.3. Pre-Hearing Submission and Conduct of the Hearing.

22.6.2.3.1. The District and the Union shall each submit three (3) calendar days prior to the hearing a pre-hearing statement to the arbitrator, with a copy to the other party, outlining its position and appending whatever exhibits it wishes to present.

22.6.2.3.2. Unless the parties mutually agree to the contrary, each party shall have up to two (2) hours to present its case, but may reserve up to one-half (2) hour of such time to respond to the other party's presentation. The presentation may be made by way of statement by the party's representative, presentation of witnesses or both, but the hearing shall be informal and rules of evidence shall not apply. No transcript or recording shall be kept.

22.6.2.4. Decision. The arbitrator shall issue a written award within three (3) working days after the close of the hearing. During this period, the arbitrator may convene the parties for up to an additional two hours if the arbitrator wishes to raise additional questions. The award shall be final and binding.

22.6.2.5. Costs. The fee and expenses of the arbitrator shall be shared equally by the parties.

22.7. Election of Remedies.

22.7.1. It is the intent of the parties that this Grievance Procedure shall be the exclusive remedy for the resolution of grievances as defined in Section 22.5.

22.7.2. It is specifically and expressly understood and agreed that taking a grievance appeal to arbitration constitutes an election of remedies and a waiver of any and all rights by the appealing employee, the Union, and all persons it represents to litigate or otherwise contest the appealed subject matter through the District Complaint Procedure or the District Civil Service Procedure. Litigation or any other contest of the subject matter in any court or other available forum shall constitute an election of remedies and a waiver of the right to utilize this Grievance Procedure or to arbitrate the matter. This paragraph is not intended to bar an employee from pursuing any cause of action which has been established by statute.

22.8. Waiver of Steps and Time Limits. Except when otherwise provided, all steps of the grievance procedure shall be utilized unless a waiver of one or more steps is mutually agreed upon in writing. If the employee or the Union fails to process a grievance within specified time limits, the grievance shall be deemed concluded on the basis of the last decision reached, unless an extension of time limits is mutually agreed upon by the parties in writing. If the District fails to respond within the specified time limits, the grievant may appeal to the next step, within the specified time limits.

22.9. Suspension of the Grievance Procedure. If this Memorandum is violated by the occurrence of a strike, work stoppage, other interruption or impeding of work in violation of Article 24, no grievance shall be processed while such violation continues. The Grievance Procedure outlined herein shall not be applicable to grievances arising in the period between the termination of this Memorandum and the effective date of its successor.
