

Relief[®] Spray

Pramoxine and Colloidal Oatmeal for Temporary Relief of Itching and Flaking on Dogs, Cats and Horses

WARNING: Keep out of reach of children.

ACTIVE INGREDIENT: Pramoxine Hydrochloride 1%

PRODUCT DESCRIPTION: Relief[®] Spray combines Pramoxine and micronized colloidal oatmeal in a humectant base that remains on the skin for enhanced antipruritic activity. Contains Omega-6 fatty acids for maintenance of the epidermal barrier, moisturizers and coat conditioners in a hydrating medium.

INDICATIONS: For temporary relief of itching, flaking and irritation.

DIRECTIONS: Shake well before use. Spray directly onto the affected areas. If necessary, part hair coat so that Relief[®] Spray makes direct contact with the skin. Rub in well. May be used daily or as directed by your veterinarian.

CAUTIONS: For topical use on dogs, cats and horses only. If redness or irritation persists or increases, discontinue use and contact your veterinarian. Avoid contact with eyes. If eye contact occurs, rinse thoroughly with water. Available through licensed veterinarians only.

STORAGE: Store at room temperature.
Protect from freezing.

HOW SUPPLIED: 8 fl oz - NDC 0859-2381-01
