Special Enrollment Exam (SEE) testing to begin June 1

Prometric will begin SEE testing, where permitted, starting June 1. Prometric test centers and staff will comply with local, state and federal regulations and guidelines to safeguard the health and well-being of test takers and staff.

Candidates will be required to bring and wear a mask during the entirety of their time at the test center. Either a medical mask or cloth face covering is acceptable. Please note that masks with exhale valves will not be permitted in test centers. Any candidate that comes to the test center without a mask will not be allowed to test and will not be eligible for a free reschedule. Candidates must follow all safety procedures at their test center location.

Please access the links below to check the status of your test center and understand the safety requirements:

- [Site Status List](#): reflects the operational standing of each test center following COVID-related closures. This list is updated as needed to reflect any changes in status, including program eligibility and occupancy status

In addition, you will receive a second email explaining what to do if your new appointment date, time and location does not work for you.

If you have additional questions, please call 800-306-3926 (toll-free) or +1 443-751-4193 (toll) Monday -Friday from 8:00 a.m.- 9:00 p.m. (ET).

Extension of the two-year carryover period - Updated July 9, 2020

Generally, candidates who pass a part of the examination can carry over a passing score up to two years from the date they passed that part of the examination. To provide candidates flexibility in testing during this period of global emergency, we are extending the two-year period to three years. This applies to any examination parts that had not expired as of February 29, 2020 and any examination parts passed on June 1, 2020 and later. For example, assume a candidate passed Part 1 on November 15, 2019. Subsequently the candidate passed Part 2 on February 15, 2020. That candidate has until November 15, 2022 to pass the remaining part. Otherwise, the candidate loses credit for Part 1. The candidate has until February 15, 2023 to pass all other parts of the examination or will lose credit for Part 2.

In another example, assume a candidate passed Part 1 on June 1, 2020. Subsequently the candidate passed Part 2 on September 1, 2020. That candidate has until June 1, 2023 to pass the remaining part. Otherwise, the candidate loses credit for Part 1. The candidate has until September 1, 2023 to pass all other parts of the examination or will lose credit for Part 2.

Scheduling an examination appointment

First step is to obtain a PTIN

Applicants must have a Preparer Tax Identification Number (PTIN) issued by the Internal Revenue Service (IRS) to schedule an examination.

To get your PTIN online

The IRS Tax Professional PTIN System is available at <http://www.irs.gov/ptin>. Once online, you will need to:

- **Create Your Account** — Provide your name, email address, and security question information. The system will then email you a temporary password, which you will change when you go back to enter your information in the PTIN application.
- **Apply for Your PTIN** — Complete the online application by providing personal information, information about your previous year's tax return, professional credentials, and more.
- **Get Your PTIN** — Your PTIN will be provided online.

It takes about 15 minutes to sign up online and receive your PTIN. If you opt to use the paper application, **Form W-12** IRS Paid Preparer Tax Identification Number (PTIN) Application, it will take 4-6 weeks to process.

PTIN renewal

PTINs must be renewed annually by December 31 for the following year. Renewal Open Season usually begins each year in mid-October.

Scheduling an examination

You can schedule an examination appointment at any time online at www.prometric.com/see, by calling 800-306-3926 (toll-free) or +1 443-751-4193 (toll), between 8 a.m. and 9 p.m. (ET), Monday through Friday, or by completing Form 2587. The online registration system requires you to create a user profile before you schedule and pay for your first exam. Refer to the job aid under "What's New" on Prometric.com/see to create an account. You will log in to your account to schedule and pay for subsequent exams.

The examination is 3 ½ hours; however, examination appointments are four hours to allow for a pre-exam tutorial and post-exam customer satisfaction survey.

After your appointment has been scheduled, you will receive a number confirming your appointment. Keep this confirmation number for your records—you will need it to reschedule, cancel, or change your appointment.

You may take each part of the examination at your convenience and in any order. Examination parts do not have to be taken on the same day or on consecutive days. You may take each examination part up to four times during each test window. The current test window is June 1, 2020 to February 28, 2021. Testing is not available in the months of March and April each year while the examination is updated.

Note You will receive a confirmation email containing the date, time, and location of the exam. If any information on the confirmation email is incorrect, contact Prometric to correct the appointment information. If you have not received your confirmation email before your exam date, or if you lose your confirmation email, you can log in to your account at www.prometric.com/see and request a duplicate confirmation email.

Identification required

You must present a valid, non-expired form of identification before you can test. That identification document **must**:

- Be government-issued (e.g., driver’s license, passport, state-issued identification card or military identification card);
- Contain **both** a current photo and your signature (if it does not, you must present two government-issued identification cards: one with your photo and one with your signature);
- Closely resemble your appearance on the date of testing; and
- Have a first and last name that exactly matches the first and last name used to register for the examination.

If a name on the candidate’s government-issued ID does not match the name on the candidate’s registration (for example, because of marriage) the candidate will not be permitted to test unless an original certified marriage certificate or original certified legal name change document is provided (no photocopies).

Important Failure to provide appropriate identification at the time of the examination is considered a missed appointment. As a result, you forfeit your examination fee.

Special ID Requirements for Amish/Mennonite Examinees Without A Photo ID

All Amish/Mennonite examinees without a proper ID must present a certified or notarized birth certificate. In addition to the Identification Required (above) the examinee must present any one of these IDs.

- IRS Form 4029 (Must be signed by both IRS and SSA)
OR
- A non-photo bearing, state-issued ID (as permitted by law)
OR

A Social Security Card

If you cannot provide identification that meets the requirements listed above, contact Prometric **before** scheduling your appointment to arrange an alternative way to meet this requirement.

If you have an identification that is damaged, clipped, altered, or marked in any way, Prometric reserves the right to turn you away and you will forfeit your test fee.

Examination locations

Examinations are administered by computer at Prometric test centers.

United States

Test centers are located in most major metropolitan areas. Most locations are open on Saturdays and some locations are open on Sundays and evenings.

International Testing

The February 2021 international testing window has been canceled due to COVID-19 travel and safety restrictions.

Check back here for future testing windows in 2021.

You can schedule an examination appointment at any time online at www.prometric.com/see, or by calling 800-306-3926 (toll-free) or +1 443-751-4193 (toll), between 8 a.m. and 9 p.m. (ET), Monday through Friday.

Testing fee

The testing fee is **\$182** for **each part** of the examination. This fee is paid at the time you schedule your examination. Accepted forms of payment include MasterCard, Visa, and American Express. Money orders, paper checks, electronic checks and cash are not accepted.

Refunds

Testing fees are generally not refundable or transferable. In very limited situations such as death of the candidate or accidentally signing up for the examination twice for the same date and time, refunds will be considered. Please carefully review your appointment confirmation to ensure accuracy regarding exam part, exam location, and the date and time of the test appointment. You must notify Prometric immediately if there is an error in your scheduled test.

Examples where requests for refund or a free retest have been denied include:

- Candidate reported for exam appointment but mistakenly scheduled the wrong part.
- Candidate decides that they no longer want to take the test because they have passed the CPA exam, have retired or changed careers.

Rescheduling an appointment

If you need to reschedule an examination for another date, time, or location, you must contact Prometric. Rescheduling an examination must be done online at www.prometric.com/see or by calling **800-306-3926 (toll-free) or +1 443-751-4193 (toll) M-F from 8a.m.- 9p.m. (ET)**.

Rescheduling fees will apply as follows:

- **No fee** if you reschedule at least **30 calendar days** prior to your appointment date.
- **\$35 fee** if you reschedule **5 to 29 calendar days** before your appointment date.
- You will be required to pay **another full examination fee** if you reschedule **less than five calendar days** before your appointment date.

Note If you are scheduling for the **same** examination part, you must wait 24 hours AFTER your originally scheduled exam date before you can schedule a new appointment.

If absent or late for your appointment

If you miss your appointment or arrive late by 30 minutes or more you will not be permitted to test. Your entire examination fee will be forfeited and you must pay another examination fee to schedule a new appointment.

Emergency closings

Severe weather or an emergency could require canceling scheduled examinations. If this occurs, Prometric will attempt to contact you by phone or e-mail; however, you may check for testing site closures at <https://www.prometric.com/closures>. If the test center is closed, your examination will be rescheduled without a rescheduling fee.

If a test center is open and you choose not to appear for your appointment, your fee will be forfeited. You must then reschedule your examination and pay another full examination fee.

Testing accommodations

If you require testing accommodations such as for disabilities, **please call Prometric prior to scheduling your appointment** at 800-967-1139 between 8 a.m. and 6 p.m. (ET), Monday through Friday, to obtain an accommodation request form.

The accommodation request form must be completed by you and the health care provider who made the diagnosis or is treating you. The health care provider must document the nature of the disability and sign the form. This documentation will help us determine the appropriate testing accommodation(s). Your request will be assigned to a Testing Accommodations Advocate who will help schedule your test and arrange for the accommodations. Generally, at least 30 days' advance notice is required to arrange testing accommodations. There is no additional charge for testing accommodations. For a list of pre-approved permissible items see the Prometric website at; <https://www.prometric.com/sites/default/files/2019-09/permissible-items.pdf>

Taking your examination

Test center procedures

You do not need any computer experience or typing skills to take your examination. Before you start the examination, you will receive a personalized introduction to the testing system. You can also take a pre-examination tutorial if you wish. You should arrive at the test center at least **30 minutes before** your scheduled examination appointment.

Non-disclosure agreement

At the beginning of the examination, candidates must read and agree to the terms of the non-disclosure agreement for the IRS Special Enrollment Examination which reads:

This exam is confidential and proprietary. It is made available to you, the examinee, solely for the purpose of assessing your proficiency level in the skill area referenced in the title of this exam. You are expressly prohibited from disclosing, publishing, reproducing, or transmitting this exam, in whole or in part, in any form or by any means, verbal or written, electronic or mechanical, for any purpose, without the prior express written permission of the IRS.

Reference materials

The examinations are closed book. **You are not allowed to access notes, books, reference materials, or electronic devices at any time during the test or during breaks.** You will not be able to leave the testing room with any notes taken during the examination.

Calculator usage

You will be able to use an onscreen calculator during the examination. Prometric will make available to you a handheld calculator to use during the examination. You **are not allowed** to bring your own calculator to the test center.

Scratch paper

You will be provided with a packet of scratch paper and a pencil to use during the examination. You may not bring your own scratch paper or pencil. The test center administrator will collect all scratch paper (used and unused) upon completion of the

examination. Removing scratch paper from the test center is considered an act of misconduct.

Break Policy

The Special Enrollment Exam (SEE) includes one scheduled 15-minute break. The exam clock stops after you have answered questions 1-50 and the first section of the test has been completed. Once you have answered questions 1-50, completed your review of your answers, and acknowledged you have completed section one, you will no longer be able to access the first section of the test content. You may choose to decline the scheduled break and continue testing, but the break will not be offered again. If you choose to take the scheduled break you will leave the testing room, adhering to all security protocols, and will be readmitted to the testing room once cleared by Prometric personnel. If you have not returned and started the second section (questions 51-100) of the exam prior to the expiration of the 15 minutes, the exam clock will restart.

You are required to sign out on the test center roster when you leave the test room. You must also sign back in and show your identification to the test center administrator in order to be re-admitted to the test room (this process is included in the 15-minute break).

You are allowed to take additional unscheduled breaks in order to access the bathroom or lockers; however, the exam clock will continue to count down during any unscheduled break.

When taking a break, you are allowed to access your locker for food, water, or medicine after notifying the test center administrator. You are not allowed to leave the locker area with any item such as a purse or bag. You are not allowed to leave the test center except to access the restroom.

You are not allowed to access notes, books, reference materials, electronic devices, or cell phones at any time during your appointment.

Failure to follow test center rules may result in the disqualification of your examination.

Test center climate

Test center temperatures may be cooler or warmer than your comfort level. Please consider wearing several layers of clothing. Any clothing removed must be stored in your locker. Hats and outerwear, such as coats, are not permitted in the testing room.

Test center regulations

To ensure that all candidates are tested under equally favorable conditions, the following regulations and procedures will be observed at each test center. Prometric reserves the right to audiotape and videotape any test session. For more information on Prometric test center regulations, please visit;

Breaks are only permitted in order to access the bathroom or lockers. Candidates are not permitted to leave the test center during the test. You are not allowed to leave the locker area with items such as a purse or bag.
- 16** You must conduct yourself in a civil manner at all times when on the premises of the test center. Exhibiting abusive behavior towards the test center administrator, or any other staff member of the test center, is considered misconduct and will be reported to the IRS.
- 17** To protect the privacy of all testers, the test center administrator can neither confirm nor deny if any particular individual is present or scheduled at the test center.
- 18** Persons not scheduled to take a test are not permitted to wait in the test center.
- 19 U.S. Candidates Only** – If you are wearing eyeglasses you will be required to remove them for visual inspection to ensure they don't contain a recording device. Large jewelry items must be stored in your locker due to concerns over concealed recording devices.

If questions arise. Test center administrators are not allowed to answer any questions pertaining to the examination content. If you do not understand a question on the examination, you should answer the question to the best of your ability.

Failure to follow any of these security procedures may result in the disqualification of your examination. The IRS takes candidate misconduct, including cheating, very seriously. If the IRS determines that a candidate is culpable of misconduct or has cheated, the candidate will be subject to a variety of penalties including, but not limited to, invalidation of test scores, disqualification from subsequent test administrations, and civil and criminal penalties. In cases where candidate misconduct or cheating is discovered after a candidate has obtained an Enrolled Agent card, the IRS may rescind the card.

Feedback

Our goal is to provide a quality exam and a pleasant testing experience for every candidate. We provide a voluntary customer satisfaction survey at the end of the examination. If you would like to submit a comment about a specific test question or provide feedback on your testing experience, the best way to share your feedback is at the end of the survey. You may also thank the team or register a complaint by visiting; <https://www.prometric.com/contact-us?category=Test>

Question types

The questions on your examination are multiple choice. Each question provides four options from which you choose your answer. Candidates should select the single best answer. An example of where this can occur could be a question about the Form 1040 filing deadline where the answer should be April 16 (because the normal filing deadline fell on a holiday). If the answer April 16 does not appear as an option but April 15 does appear as an answer, April 15 would be the single best answer, because that is generally the filing deadline.

Question formats. Three different multiple-choice formats are used. Each format is shown in the following examples.

ENROLLED AGENT SPECIAL ENROLLMENT EXAMINATION

Format 1—Direct question

Which of the following entities are required to file Form 709, United States Gift Tax Return?

- A. An individual
- B. An estate or trust
- C. A corporation
- D. All of the above

Format 2—Incomplete sentence

Supplemental wages are compensation paid in addition to an employee's regular wages. They **do not** include payments for:

- A. Accumulated sick leave
- B. Moving expenses (non-military)
- C. Vacation pay
- D. Travel reimbursements paid at the Federal Government per diem rate

Format 3—All of the following except

There are five tests which must be met for a child to be a qualifying child. Which of the following is **not** a requirement?

- A. Residency Test
- B. Relationship Test
- C. Disability Test
- D. Joint Return Test

Experimental questions. Your examination includes 15 experimental questions that will not be scored. They are distributed throughout the examination and will not be identified as such. These are used to gather statistical information on the questions before they are added to the examination as scored items. These experimental questions **will not** be counted for or against you in your final examination score.

Examination results

Upon completion of the examination, a pass/fail message will appear on your computer screen. Test scores are confidential and will be revealed only to you and the IRS. In addition, you will receive an email from Prometric containing your score report.

You can print your score report by following the instructions below:

1. Go to <https://scorereports.prometric.com>.
2. Enter your full exam confirmation number. It must be 16 digits in length and include leading zeros, when applicable.
3. Enter your last name.
4. Click "Validate Score Report" button.
5. Once the requested score report appears on your screen, click the green "Print Score Report" button.

If you need assistance locating your confirmation number or printing your score report, call 800-306-3926 (toll-free) or +1 443-751-4193 (toll), Monday - Friday, between 8 a.m. and 9 p.m. (ET).

Note: You may also obtain score report results from prior test attempts by entering the required information as explained above.

Scaled Scores. Scaled scores are determined by calculating the number of questions answered correctly from the total number of questions in the examination and converting to a scale that ranges from 40 to 130. The IRS has set the scaled passing score at 105, which corresponds to a minimum level of knowledge deemed

acceptable by those persons who will be practicing before the IRS as an Enrolled Agent.

Pass. If you pass, the score report will show a passing designation. It will not show a score. All score values above passing indicate that a candidate *is* qualified — not *how* qualified. You will also receive diagnostic information which will indicate areas where you may wish to consider professional development. When you pass all three parts of the examination, you may apply for enrollment. (See Page 11)

Fail. If you fail, your score report will show a scaled score between 40 and 104. You will also receive diagnostic information to assist you with future examination preparation. Diagnostic information will show an indicator of 1, 2, or 3 meaning:

- 1** Weak. Additional study is necessary. It is important for you to focus on this area as you prepare to take the test again. You may want to consider taking a course or participating actively in a study group on this topic.
- 2** Marginal. You may need additional study in this area.
- 3** Strong. You clearly demonstrated an understanding of this subject area.

Important You must reschedule and pass any parts of the examination you failed prior to applying for enrollment.

Rescheduling failed examination parts

You may take each part of the examination at your convenience and in any order. Examination parts do not have to be taken on the same day or on consecutive days. You may take examination parts up to four times each during each test window.

If you fail any part of the examination, you must allow a 24-hour waiting period before scheduling a retest of that examination part. You must re-schedule with Prometric online at www.prometric.com/see or by calling 800-306-3926 (toll-free) or +1 443-751-4193 (toll), Monday - Friday, between 8 a.m. and 9 p.m. (ET).

If you do not pass a part of the examination after four attempts during the June 1 to February 28 test window, you must wait until the next test window before attempting to retake any failed part of the examination again.

Carryover policy

Carryover of scores. Generally, candidates who pass a part of the examination can carry over a passing score up to two years from the date they passed that part of the examination. To provide candidates flexibility in testing during this period of global emergency, we are extending the two-year period to three years. This applies to any examination parts that had not expired as of February 29, 2020 and any examination parts passed on June 1, 2020 and later. For example, assume a candidate passed Part 1 on November 15, 2019. Subsequently the candidate passed Part 2 on February 15, 2020. That candidate has until November 15, 2022 to pass the remaining part. Otherwise, the candidate loses credit for Part 1. The candidate has until February 15, 2023 to pass all other parts of the examination or will lose credit for Part 2.

In another example, assume a candidate passed Part 1 on June 1, 2020. Subsequently the candidate passed Part 2 on September 1, 2020. That candidate has until June 1, 2023 to pass the remaining part. Otherwise, the candidate loses credit for Part 1. The candidate has until September 1, 2023 to pass all other parts of the examination or will lose credit for Part 2.

Applying for enrollment

After passing all three parts of the examination, you must apply for enrollment via Form 23, *Application for Enrollment to Practice Before the Internal Revenue Service*, within one year of the date you passed the third examination part. You may electronically file Form 23 and pay the application fee at **Pay.gov**. Copies of the score report do not need to be submitted to the IRS when submitting your application for enrollment (Form 23).

As part of the evaluation of your enrollment application, the Internal Revenue Service will conduct a suitability check that will include a review of your personal tax compliance. More information about the Enrolled Agent program can be found at <http://www.irs.gov/tax-professionals/enrolled-agents>
