Part II Organizational Action Attach additional statements if needed. See back of form for additional questions.

14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ▶ On October 8, 2020, Viking Merger Sub, Inc. (a wholly owned subsidiary of Sunrun Inc. ("Sunrun")) was merged with and into Vivint Solar, Inc. ("Vivint") with Vivint surviving. As a result of the merger, Vivint became a wholly owned subsidiary of Sunrun. In the merger, each Vivint common stock share was exchanged for 0.55 shares of Sunrun common stock. If the exchange resulted in a right to receive a fractional share in Sunrun, cash equal to the fair market value of the fractional share was paid instead.

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ▶ For Vivint shareholders, their aggregate tax basis in Sunrun common stock received in the merger (including any fractional share of Sunrun stock deemed received and redeemed, as described in question number 17) will equal their aggregate adjusted tax basis in the shares of Vivint common stock surrendered in the merger. The holding period of the Sunrun common stock received by Vivint shareholders in the merger (including any fractional share deemed received and redeemed for cash, as described in question number 17) will include Vivint shareholder's holding period for the Vivint common stock surrendered in the merger.

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ▶ Please refer to question number 15.

Part II Organizational Action (continued)

17 List the applicable Internal Revenue Code section(s) and subsection(s) upon which the tax treatment is based ▶ _____

The merger of Viking Merger Sub, Inc. into Vivint is intended to qualify as a tax-free reorganization under Internal Revenue Code ("IRC") Section 368(a). Under IRC Sec. 354(a) and 356(a), a Vivint shareholder generally will not recognize any gain or loss for U.S. federal income tax purposes, except with the respect to cash, if any, received in lieu of a fractional share of Sunrun common stock (in the manner described below). The aggregate tax basis in the Sunrun common stock received in the merger (including any fractional share deemed received and redeemed, as described below) will equal the shareholder's adjusted tax basis in the shares of Vivint common stock surrendered in the merger.

If a Vivint shareholder receives cash in lieu of a fractional share of Sunrun common stock, the shareholder will be treated as having received the fractional share pursuant to the merger and then if such fractional share had been redeemed for cash in an amount equal to the amount of cash received in lieu of such fractional share. As a result, the Vivint shareholder will generally recognize gain or loss equal to the difference between the amount of such cash and the tax basis allocable to such fractional share.

18 Can any resulting loss be recognized? ▶ _____

Under Section 354(a), no loss can be recognized on the exchange.

19 Provide any other information necessary to implement the adjustment, such as the reportable tax year ▶ _____

The transaction will be reported in tax year 2020.

Under penalties of perjury, I declare that I have examined this return, including accompanying schedules and statements, and to the best of my knowledge and belief, it is true, correct, and complete.
