Forms and Print Services for Salesforce

Canon Business Imaging Online

// LOOK FORWARD

Forms and Print Services for Salesforce* is a cloud service that will allow users to create highly visual and attention-grabbing reports and forms, and then print them directly to their Canon imageRUNNER ADVANCE system or store them for later retrieval, without the need for printer drivers.**

With Forms and Print Services for Salesforce, you'll be able to:

PRESENT

Bring your Salesforce data to life with high-impact visuals and sophisticated PDF forms – at the touch of a button.

Simply log-in to Forms and Print Services for Salesforce via your Salesforce account through the secured Single-Sign-On (SSO) function.

Our Professional Services team can help design dynamic, sophisticated forms to meet your company's unique and specific needs.

PRINT

Print directly to your Canon imageRUNNER ADVANCE System from the cloud – no printer driver needed. For other printers, download the PDF form and print using an appropriate printer driver.

Print at any FedEx Office location in the U.S.

Batch print documents with just one click and save precious time.

RETRIEVE

Get PDF forms stored in the cloud from your PC or mobile device anytime, anywhere.***

Access PDF forms in the cloud directly from the touch-panel of any imageRUNNER ADVANCE system.

* For applicable terms and conditions and system and other requirements, please contact your Canon Information and Imaging Solutions, Inc. sales representative.

** If you are not printing to a Canon imageRUNNER ADVANCE multifunction system, you can download and print a PDF from another printer with the use of a printer driver.

*** The PDF forms are stored on Canon Business Imaging Online cloud for a maximum of two (2) days.

HOW IT WORKS

1. Simply log-in to your Salesforce account.
2. Create the documents you need, selecting the custom "button" that pulls data from Salesforce into sophisticated PDF forms, designed for you by our Professional Services team.

You will be able to:

PREVIEW

Download PDF forms to your PC and preview, save, e-mail...

STORE

Store PDF forms to your Salesforce account.

DIRECT PRINT

Print to a Canon imageRUNNER ADVANCE system directly from the cloud.

AUTHENTICATION PRINT

Store PDF forms temporarily in the Canon Business Imaging Online cloud and pull prints from any Canon imageRUNNER ADVANCE system as needed.

PRINT AT FEDEX OFFICE

Access and print your document at any FedEx Office location in the U.S.
