

2021 GRANT PROGRAM PRIORITIES

ABOUT THE MOTOROLA SOLUTIONS FOUNDATION

At Motorola Solutions, we are good citizens by design. Our work makes a difference in the critical moments that shape lives, businesses and the world, but our contributions don't end there. The Motorola Solutions Foundation acts as the charitable and philanthropic arm of Motorola Solutions and focuses on giving back to the community through strategic grants, employee volunteerism and other community investment initiatives. The Foundation is one of the many ways in which the company lives out its purpose to help people be their best in the moments that matter.

GRANT PROGRAM FOCUS

The Motorola Solutions Foundation, which has donated \$100 million over the past 10 years, aims to partner with organizations that are creating safer cities and thriving communities, and prioritizes underrepresented populations, including people of color and females. The Foundation focuses its giving in three key areas:

- STEM education, specifically focused on technology and engineering
- First responder programming
- Blended first responder programming and technology and engineering education programs

EVALUATION REQUIREMENTS

Like you, the Foundation is steadfast in driving positive change. Grant recipients must be able to demonstrate how their program provides measurable change via impact reporting.

KEY FACTS AND DATES

Grant Request Maximum:
\$50,000

Inquiry Form Deadline:
February 1, 2021

Application Deadline:
April 15, 2021

August, 2021

PRIORITIES

OVERARCHING PRIORITIES

- Reach people of color, females and other underrepresented populations
- Engage Motorola Solutions employees
- Leverage robust partnerships with other nonprofit organizations and institutions
- Support organizations that exhibit strong financial health
- Support organizations with a proven evaluation process, including quantifiable metrics and outcomes

TECHNOLOGY & ENGINEERING EDUCATION

- Engage students in innovative, hands-on technology and engineering activities, such as design, coding and robotics
- Provide vocational skills, scholarships, certifications and workforce placement opportunities in engineering, information technology and data science
- Equip teachers with the skills and training necessary to enhance instruction in technology and engineering
- Prioritize middle school, high school and university programs

FIRST RESPONDER* PROGRAMMING

* The term First Responders includes: law enforcement personnel, firefighters, EMT, healthcare professionals and veterans.

- Provide leadership development and training opportunities for underrepresented first responders, including females and people of color
- Provide mental wellness and stress management trainings for first responders and their families
- Provide wellness and scholarship support to families of fallen first responders
- Prepare youth and young adults for careers in public safety through outreach, scholarship and educational programs
- Offer safety preparedness and response training to schools, adults, students and first responders
- Lead safety and disaster preparedness trainings for the public
