

## CALIFORNIA: CLEAN VEHICLE REBATE PROJECT

Type of Benefit: Cash Rebate

Description of Incentive: The Clean Vehicle Rebate Project offers a cash rebate of up to \$1,000 for owners or lessees of a Pacifica Hybrid. If purchased before December 3, 2019, applicants must apply within 18 months of purchase/lease and before rebate funds are exhausted. If purchased after December 3, 2019, applicants must submit within three months of vehicle purchase or lease date before rebate funds are exhausted. The rebate amount varies based on gross annual income from the individual's tax return. The rebate is subject to an income cap, which varies based on the applicant's tax filing status. If purchased or leased before December 3, 2019, maximum of two (2) rebates per individual or business applicant. If purchased or leased after December 3, 2019 limit one (1) rebate per individual or business applicant.

Effective Dates: This incentive is current and at this time has no expiration date. Updated requirements will go into effect on December 3, 2019.
