

STRIPING SERVICE AND SUPPLY

www.stripingserviceandsupply.com

Over the last five years, Striping Service and Supply has grown and innovated our custom TMAs (Truck Mounted Attenuators) and Flatbed bodies to meet any desired specification. We utilize the TrafFix Devices product line and work with only the best quality products in the market for all our add-on features to ensure maximum safety on your TMA/Flatbed truck. It is our goal to make sure your work zone is protected and equipped with the right gear.
