

North America (NA) Invoice Submission Information

Last Updated: September 20, 2021

Please send all invoices or credit documents issued to **Johnson Controls entities in North America and Canada** to one of the following email addresses (based on the Business). If you are unsure of the Business to which you should send your invoice/credit document, please refer to your JCI issued Purchase Order, or contact your JCI Business Contact/Buyer.

Submission of PDF invoices to one of the below email addresses is the preferred submission method and best way to ensure on-time payments. Please do not mail paper invoices unless necessary.

Note: Sending multiple copies of the same invoice will result in duplicated invoices, and delays in processing and payment. The below scanning email addresses are not monitored by a human, and thus no response will be provided. Please refer to the [invoice requirements and sample invoice](#) in our website to ensure you submit your invoice in the correct format to avoid delays in processing and payment.
