

PREMIUM MATERIALS HANDLING PRESS-ON SOLID

## TRELLEBORG

### Designed to Perform Made to Excel

Trelleborg Press-On tires are the total solution for all your materials handling equipment needs. They are designed to provide excellent wear and energy efficiency.

Trelleborg Press-On tires are available in traction and smooth profiles:

The **Traction** profile offers long wear and distributes the load for excellent stability.

The **Smooth** profile has an average 13% greater footprint than a standard press-on tire. The larger footprint provides a more comfortable tire and improves performance and traction.

### PERFORMANCE DEFINED

#### TIRE WEAR

Our expertise in design ensures that our tires are **built to last** in demanding environments. Our tires are designed to match the requirements of the global leading OEM producers delivering a wear **performance that exceeds** all others in their class.

#### TIRE LIFE

Trelleborg products guarantee **the best tire** performance in the industry. This results in longer tire life, **additional hours of usage**, reduced downtime and lower maintenance costs.

#### ENDURANCE

Our tires are built to deliver the **best heat resistance performance** in their class. We invest in **compounding technology and quality raw materials** to ensure exceptional heat resistance. Combined, these allow our tires to cope safely with heat build-up longer.

#### ENERGY SAVING

Trelleborg is a **leading approved tire manufacturer to the OEMs**. We work closely with them to ensure we meet the requirements of energy consumption. This results in **reduced fuel costs** for our customers.

## PREMIUM MATERIALS HANDLING PRESS-ON SOLID

**TRELLEBORG****PERFORMANCE AGAINST PREMIUM COMPETITOR**

- 25% Longer Tire Life
- 19% Longer Tire Wear
- 16% More Endurance
- 12% Energy Savings

## SPECIAL COMPOUNDS AVAILABLE

				
Non-Marking	Electrically Conductive	Power Saver (Rolling Resistant)	Heavy Duty	Chemical Resistant (Scrubber)

## TREAD PATTERNS

**Note: In case of multiple tread pattern profiles for the same size, the provided weight refers to FL.**

Trelleborg is a world leader in engineered polymer solutions that seal, damp and protect critical applications in demanding environments. Our innovative engineered solutions accelerate performance for customers in a sustainable way. The Trelleborg Group has local presence in over 40 countries around the world.
