## Wood-Ultrex Series All Ultrex Window

You've heard of vinyl. You've heard of aluminum. But what you haven't heard is that Ultrex fiberglass outperforms them both. And with Integrity All Ultrex windows, you get the unmatched strength and low maintenance of Ultrex both inside and out. The strength of the Ultrex material lends itself to contemporary designs and narrow sightlines you won't find in other materials. Factor in the special sizes and proven energy efficiency and you have a window that is perfect for any home.

- Double Hung 36" x 48" ..... **\$333<sup>94</sup>**
- Glider 36" x 36" ..... **\$285<sup>64</sup>**
- Casement 24" x 36" ..... **\$271<sup>84</sup>**

## Wood Ultrex Window Series

You can have it both ways. The Wood-Ultrex Series combines the unmatched performance of an Ultrex fiberglass exterior to protect against the elements with the traditional look of a handcrafted wood interior. It's the perfect blend of classic styling and advanced construction technology designed to give you windows that look beautiful and stay beautiful for decades.

- Double Hung 36" x 48" ..... **\$360<sup>15</sup>**
- Glider 36" x 36" ..... **\$339<sup>45</sup>**
- Casement 24" x 36" ..... **\$274<sup>59</sup>**

## Wood Ultrex Inswing French Patio Door

Nothing says "welcome home" like an elegant Wood-Ultrex Inswing French door from Integrity. A door height of up to 8 feet offers gorgeous, unobstructed views and the rich pine trim can be easily stained or painted to match your interior. The durable Ultrex exterior stands up to the changing seasons and offers strength in the high-traffic threshold.

- 72" x 80" ..... **\$1788<sup>99</sup>**

## All Ultrex Sliding Patio Door

Integrity All Ultrex Sliding Patio Doors deliver style, durability and an enticing, unobstructed view to the world around you. Whether you are walking out to a patio, deck or porch, you will appreciate the clean sightlines and smooth operation. The precision Ultrex frame stays true without sagging and misalignment that can plague vinyl patio doors to ensure your patio door glides smoothly and effortlessly for years to come.

- 72" x 80" ..... **\$1153<sup>59</sup>**

# PRO CAT™

## Professional Loosefill Insulation System

### ProCat™ Professional Loose Fill Insulation System

An unbonded loose fill thermal insulation intended for use in both open applications, such as the floor of vented attics, and in closed cavity applications, such as walls and floors between stories of a house. Can be used in both existing and new construction. It is noncorrosive, does not absorb moisture and does not support mold growth. New advanced formula for higher insulating performance at the eaves. (PROCATB1)
