New Brunswick Prescription Drug Program (NBPDP)

The New Brunswick Prescription Drug Program (NBPDP) began accepting claims for the New Brunswick PharmaCheck medication review program on June 1, 2012. The program's goal and objectives are as follows:

Program Objectives

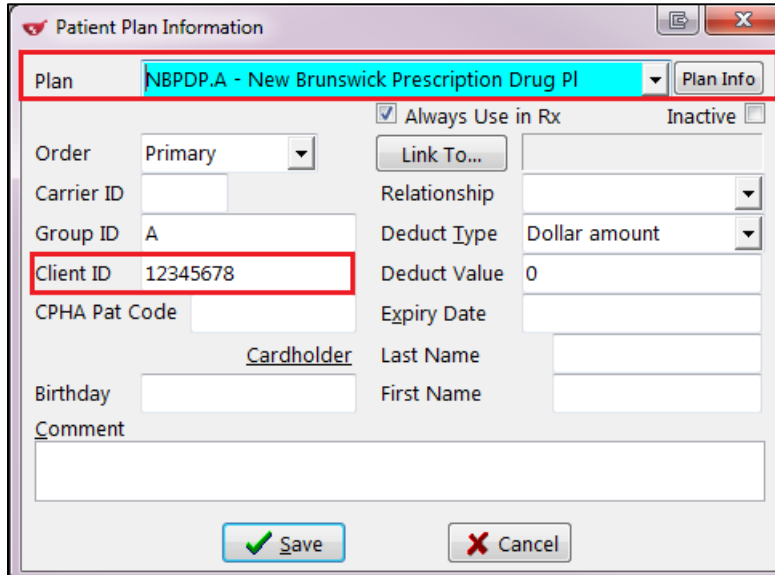

- To provide a professional pharmacy service focused on the appropriate utilization of chronic medications to improve patient outcomes;
- To improve a patient's knowledge of and adherence with their medications;
- To enhance the potential benefits associated with a patient's medications;
- To reduce the potential risks associated with a patient's medications.

Eligibility

- NBPDP Plan A (Senior) beneficiaries taking three or more chronic prescription medications;
- Only one Medication Check-up will be reimbursed per Plan A beneficiary per year (April 1st to March 31st).

Billing for NB Medscheck

Setup the patient plan with **NBPDP Plan A (Senior)** as follows:

Setting up a Doctor

1. Create a doctor profile with the credentials of the pharmacist who performed the medication review.
2. Enter the license number of the pharmacist preceded by '8000'.
3. Select **Pharmacist** from the **Designation** menu.

The screenshot shows a software window titled "1-Doctor - House, Gregory". The window has a menu bar (File, Edit, Doctor, Reports, Utilities, NH, Cards, Session, Help) and a toolbar with function keys (F3 - Patient, F5 - Drug, F7 - Doctor, F9 - Workflow, F11 - Drop-off, F12 - New Rx, Alt-X - Start). The main form area is divided into several sections:

- Top Section:** Fields for Last Name (House), First Name (Gregory), Salutation (Dr.), and QuickCode. Buttons for OK, Save, and Scan are present.
- Addresses Section:** Includes "Add", "Modify", and "Delete" buttons. A table shows one location: "Office" at "123 Likely Line", "Moncton", "NB (New Brunswick)", "Canada", with phone number "(555) 555-5555".
- Phone Numbers Section:** A table with one entry: "Office" with phone number "(555) 555-5555".
- Comments Section:** A table with columns "Topic" and "Comment".
- General Section:** Contains "Doctor Information" (Designation: Pharmacist, Specialty, Prescribing Rights: Full Rights, Written Language: English, Spoken Language), "Primary License Number" (License: 8000123456, Prov: NB (New Brunswick), Ref ID: 46), "Alternate License Number", "Prescriptions/Refills" (checkboxes for No Kroll Care, No Fax Refills, No Phone Refills), "Signature" (No image available), and "Dates" (Created On, Changed On: 23/10/2014 12:37:12, Last Rx On).

Documentation Requirements

- Patients must leave with a complete, accurate, up-to-date personal medication record that includes the name and signature of the patient and the pharmacist who conducted the medication check-up, as well as the pharmacy's contact information;
- A copy of the signed record must be retained by the pharmacy for a period of three years;
- It is recommended that consent be obtained from the patient if their personal health information related to a medication check-up is to be shared with another health care provider.

After completing a medication check-up, it is expected that a patient understand:

- The names of their medications;
- Why they are taking their medications;
- The best way to take their medications;
- Any special instructions that may be associated with the proper use of their medications.
