Après 30 minutes d'inactivité, le clavier se met en veille. Bluetooth déconnecté, appuyez sur le bouton pour vous reconnecter automatiquement.</p>										
Modèle	BW-KB1																																																																																																																																																																																																																																																
Disposition	63 boutons																																																																																																																																																																																																																																																
Connexion	Type-C																																																																																																																																																																																																																																																
Capacité de la batterie	105mAh																																																																																																																																																																																																																																																
Versión Bluetooth	Bluetooth 5.0																																																																																																																																																																																																																																																
Teclado	Moldaje a inyección de doble ABS																																																																																																																																																																																																																																																
Efecto de retroiluminación	16 modos de retroiluminación RGB completa																																																																																																																																																																																																																																																
Alimentación mecánica	Salomon Switch (Azul/Rojo/Blanco)																																																																																																																																																																																																																																																
Sistema de soporte	Win7/10, Android, iOS, Mac																																																																																																																																																																																																																																																
Tamaño	11.4 * 5.9 * 1.5cm / 250 * 150 * 38mm																																																																																																																																																																																																																																																
Contenido	Teclado, cable USB-C, extractor de teclas, manual
