This Inspection Check Sheet must be:

- Completed with all items checked
- Signed by responsible persons as indicated
- Retained along with Repair Orders and Vehicle History Report in the vehicle's service history file.

FAILURE TO COMPLY WITH THESE REQUIREMENTS WILL VOID THE VEHICLE'S CERTIFICATION.

Vehicle History Report

1

Run and print CARFAX® Vehicle History Report™ (check one)

Pass

Fail

Test Drive

2

Car starts without hesitation

Meets Stds

Service Req'd

3

Cold engine idle

4

Warm engine idle

5

No abnormal engine noise present

6

Throttle operation

7

No abnormal exhaust noise present

8

Transmission and shift interlock function: shifts & smoothness

9

Clutch function: Shifts properly without slipping (if applicable)

10

No abnormal noise/rattles/squeaks

11

Steering alignment

12

Vehicle tracks properly while driving

13

ABS system operates properly and performs correctly

14

Dash gauges and lights are operational

15

Cruise control, smart control operation; set, cancel and resume function

16

Parking brake operation: the brake sets, holds and releases

17

Body/suspension: noise, (rough road test) performance

Exterior

18

Paint finish and appearance to include

Meets Stds

Service Req'd

19

Trim: finish and appearance

20

Body panels: fit and alignment

21

Frame: no visible damage

22

Front bumper: finish, appearance, no visible damage

23

Body Moldings: fit and adjustment, no visible damage

24

Rear bumper: finish, appearance, no visible damage

25

Head lamps: high/low operation, clear lens, no damage
