

New Mexico Interconnection Study Fee Form

Date:

Customer:

Address:

System Size:

Opportunity ID:

As part of the engineering review stage of the interconnection application process, you are required to provide a one-time, non-refundable interconnection study fee. Receipt of the fee and form is required in order for your line diagram and site plan to be sent to the Xcel Energy engineers for review and approval.

The interconnection study fee covers the complete review of your engineering documents, which may include multiple review rounds of revisions if changes are requested.

Interconnection Study Fee Amount:

PV systems $\leq$ to 10kW: \$50

PV systems $>10\text{kW}$ and $\leq 100\text{kW}$: \$100

PV systems $>100\text{kW}$: \$100 + \$1 per kW

Please sign and mail this form, along with the appropriate fee, noted above, to the following address:

Xcel Energy
