

WRAP Program Highlights

- A named component level of coverage
- An exclusory level of coverage
- Eligible vehicles include those up to 9 prior model years
- Terms to match most manufacturers warranty
- Deductible options include \$0, \$50, \$100, \$200 and disappearing per repair visit
- Transfer benefit
- Additional benefits include: towing, jump-start, flat tire change, vehicle fluid delivery, lockout assistance, rental and concierge services

WRAP Coverage Levels

Gold Plus WRAP

Front and Rear-Suspension: Upper and lower-control arms, shafts and bearings/bushings, upper and lower-ball joints, king pins and bushings, spindle and spindle support, MacPherson struts, torsion bars and bushings, wheel bearings, leaf springs, shackles and bushings, coil springs, stabilizer bar, linkage and bushings, compressor, seals and gaskets

Steering Power steering pump: steering box, rack and pinion, steering shaft and couplings, idler arm, tie rods, tie rod ends, pitman arm, center and drag link, cooler and cooler lines, pressure control valve, seals and gaskets

Brakes Master cylinder: vacuum assist booster, diesel vacuum assist booster pump, hydraulic lines and fittings, wheel cylinders, calipers, pressure-differential, metering, proportional and combination valves, brake pedal assembly and parking brake lever

Electrical: Alternator, voltage regulator, starter motor, starter motor solenoid, front and rear-window wiper motor, windshield wiper delay module, washer pumps, power antenna motor, distributor, dash and engine main wiring harness, spark control sensor, electronic ignition module, turn signal switch, horn switch and horns, rear-window defogger, power trunk motor, trunk release switch and trunk release solenoid, headlamp switch and manually operated switches (for all parts listed in this component group)

Air Conditioning: Compressor, condenser, compressor clutch, field coil and clutch pulley, idler pulley and bearing, evaporator, blower motor and fan, receiver-dryer/accumulator, air ducts, expansion valve/orifice tube, suction throttling/POA valve and tube, air conditioning control panel and control module, seals and gaskets

Cooling Radiator, radiator brackets, fan, fan clutch, electric fan motor, fan relay, fan shroud, coolant recovery tank, idler pulley/belt tensioner and bearing

Interior and Exterior: Hood/trunk/hatch hinges, latches, gas cylinders and springs, door handles and hinges, seat tracks, glove box lock, ash tray assembly and shift lever

Fuel: Mechanical and electrical fuel pumps, fuel injector pump, fuel distributor, fuel lines and fittings, fuel pressure regulator, fuel sending unit, fuel injectors, fuel tank, fuel injection sensors and air flow sensors, electronic fuel injection computer control module, seals and gaskets

Hi-Tech Coverage: ABS brake systems and electronics, hydraulic control unit, all safety air bags and sensors, seat belt fasteners, seat belt/ restraint system motor and servo, retractable child seats, door locks; child safety door locks, automatic and central door locking systems, window disabling system, traction control systems, electronic modulated suspension, bumper absorbers, automatic roll bar system, illuminated keyless entry, remote and electronic entrance device, factory installed anti-theft devices, map lights and compartment lighting, factory installed ignition fault device, centering lock spring and phase control, tilt/telescoping steering assembly, steering dampener, four-wheel steering output shaft/rod, variable assist power steering computer, electronic level control module, height sensor, electronic (L.E.D.) driver display and control module, ,speed/cruise control module and servo, convertible top motor, sunroof motor, power seat computer, computer dash circuit boards and dash gauges, computer dash module, power window motors, window regulator, power mirror motor, rear compartment air conditioning control panel, automatic day/night mirrors, heated seats, illuminated visor vanity, trip odometer, engine block heater, thermometer and manually operated switches (for all the parts listed under “Hi-Tech Coverage”)

Taxes and Fluids: Will be covered when required in conjunction with a covered repair.

Platinum WRAP (Exclusionary)

VIP Platinum WRAP is an exclusionary level of coverage that protects all vehicle components on new and pre-owned vehicles (including components listed in all previous coverage levels) against the cost of breakdowns due to mechanical defects, subject to specified exceptions.

Exceptions and excluded components are summarized below*.

- Vehicle misuse, commercial use, racing and vehicle alterations
- Damage caused by a non-covered part or an external force or event
- Routine maintenance, leaks and noises
- Repairs or replacements that are unauthorized, for performance enhancement, or subject to a manufacturer's warranty, manufacturer's recall or other coverage
- All pre-existing conditions (problems existing prior to sale of service plan)
- Any vehicle retrofitted with aftermarket equipment to use alternative fuels including but not limited to: LPG, CNG, methanol, ethanol, or RFG
- The following component groups are among those explicitly excluded:
All parts (including seals and gaskets) within the engine, turbocharger/supercharger, transmission, transfer case and front/rear-wheel drive axles.
- Also excluded are: Filters, lubricants, coolant, fluids (except when required in conjunction with a covered repair), spark plugs, spark plug wires, glow plugs, light bulbs, fuses brake rotors, brake drums, brake pads, brake linings, manual/hydraulic/electronic clutch assemblies, shock absorbers, battery cables, throttle body assembly, exhaust system, belts and hoses, glass, lenses, sealed beams, tires, trim moldings, bright metal, upholstery and paint.

* A complete list of exclusions appears in the vehicle service contract.

Optional Coverage*

Tire & Wheel Road Hazard Coverage

Provides tire repair or replacement when damaged by a road hazard

Paintless Dent Removal

Restores dented metal without harming the vehicle's factory finish

Front Windshield Repair

Repairs chips/cracks caused by road hazard or temperature change

*Optional Coverage is not available in all states. See your service contract for exact terms, coverage and exclusions.

Additional Benefits*

Towing to the nearest qualified repair facility

Jump-starts to charge a weak or dead battery

Flat tire changes in the event of a flat tire

Vehicle fluid delivery to provide gas or fluids

Lockout assistance to unlock a vehicle

Rental reimbursement in the event of a mechanical breakdown of a covered part

Concierge services provide emergency phone call support to relatives and police

Meals and lodging reimbursement in the event of a breakdown more than 50 miles from your residence

Transfer benefit if vehicle is sold while the service contract is still active

*All plan benefits are subject to maximum reimbursement limits, may not be available in all states and may be different for each vehicle protection plan. Please see your service contract for all details.
