Transfers and balance payoffs will not result in closure of my other credit cards and loans. I must notify the financial institution directly to request account closure. I understand that a 3% or \$50 fee (whichever is greater) will be assessed to each balance transfer. I understand that you will advise me if you are unable to process my request for any reason. I understand that my request to pay-off the credit card balances with other creditors may take up to 30 (thirty) days. I understand that you will process balance transfers in any order you choose, subject to my available credit line. I understand that you will not be responsible for any charges billed to me for the account(s) indicated. I understand that I should continue to make my monthly payments to each creditor until the balance transfer appears as a credit on the account(s). If I transfer an amount for a transaction I dispute, I may lose my rights against the other creditor. I understand that balance transfers must not include requests to pay down or pay off any of my loan accounts with Tulare Federal.
