**UNSCHEDULED PUBLIC COMMENTS:** Mayor Peterson announced this time is reserved for members of the Public to make a presentation to the Board on items or issues that are **not** scheduled on the agenda. The Board will not discuss or debate these items, nor will the Board make any decisions on items presented during this time. Rather, the Board will refer the items to Staff for follow up. Time limited for Public comments is 3 minutes.

**Don Stephens, 2164 County Road 491** As a follow up from my last discussion with the Board over the Circus Horrificus event that recently took place, I believe the individuals who set up this event were not forthcoming with the information on their application they provided to the Town for approval and they have violated our Municipal Code. In the Town's six pillars of character; Citizenship, Trustworthiness, Respect, Responsibility, Fairness and Caring they were all violated, in my opinion, and I feel strongly that in the future the Board further vet all applications thoroughly for public events in the future. Also, I know several citizens of this Town are in support of a Marijuana shop in Town. I have done thorough research on this topic and I believe with the nationwide problems we have with drug addiction, abuse and overdose we do not need this type of business in Town as it brings further problems and other illegal drugs into our Town. This is not the impression we want to portray for our small mountain community.

**DELEGATIONS:** None
