

Norfolk Southern Real Estate
Department Attn: Commercial Parking
Application 1200 Peachtree Street, NE,
12th Floor Atlanta, GA 30308

Instructions

Following are the instructions and forms for applying for a commercial parking lease or license with Norfolk Southern and its subsidiaries. **Submit your application and check for fee payment to the Real Estate address above.**

1. You must submit a fully completed **Application Form**. Please be sure you provide the complete legal name of the applicant, are explicit in the proposed use of the property, and that you sign the application. Please send the original application to NS and retain a copy for your records.
2. Any **application fees must be paid** at the time of submission of your application. All fees are non-refundable. **Please make your check payable to Norfolk Southern Corporation.**
3. An **exhibit** representing the location of the proposed lease property, with dimensions, should be attached to your application. See the Sample Exhibit provided in this section for an example of what this item should look like, and the kind of information it should include.
4. A **general location map** of the property must also accompany your application. Examples include such data as county highway maps with the location marked, USGS topographical maps with the location marked, or applicable county tax maps with the area highlighted, etc. The proposed leased or licensed property should be highlighted.
5. Please read the **insurance overview** and make certain you can comply with all requirements.
6. **Be sure to submit any attachments** specifically called for with the application such as agreement copies, sublessee agreements, legal documentation of proposed assignment, and sketches of parking lots, etc.

Processing of your application requires NS management review and approval and may involve several departments at NS. The proposed site may not be used prior to the execution of a formal agreement with NS.

Insurance

Each tenant/licensee shall be required to obtain, at its sole cost and expense, various types of insurance coverage with various limits. These insurance coverages must be of a form and be underwritten by insurance companies that meet with the NS' approval. In addition, the tenant/licensee may be required to pay NS a risk-financing fee in certain instances. The types of insurance typically required by NS include:

Commercial General Liability Insurance

Automobile Liability Insurance

Worker's Compensation Insurance

Railroad Protective Liability Insurance (during construction or maintenance only)

Norfolk Southern generally requires a policy of Commercial General Liability Insurance with a combined single limit of not less than \$2,000,000 per occurrence for injury to or death of persons and damage to or loss or destruction of property. Specific insurance requirements will be provided to you in the agreement covering your request when it is approved by the Railroad.

Hazardous Materials

Prohibition of Certain Potentially Environmentally Damaging Operations On Company Property:

Electronics, electrical transformer repair or reconditioning, asbestos manufacturing, blast furnaces, steel works, rolling and finishing mills, smelting and/or refining, wood treatment or tie plants, salvage operations, junk yards, scrap dealers, drum or barrel reconditioners, battery recycling, tire storage or recycling, waste disposal operations of any kind including landfills, surface impoundments and waste piles, incinerators, sewage systems, electroplating operations, fuel blending, waste or used oil recycling or reclamation, explosives disposal, manufacturing or detonation, bulk oil storage or any facility requiring a TSD hazardous waste permit or any hazardous waste transloading facility.

The foregoing list of prohibited activities on company property is not exclusive. All proposed leases, licenses and permits will be carefully evaluated to determine if the proposed activities pose an unreasonable environmental risk.

Exhibit/Sketch

An exhibit/sketch of the proposed leased property, with dimensions, should accompany all applications. Any planned improvements on the property, with dimensions from the nearest track, should also be depicted. Below is an example of what the sketch might look like, and some of the dimensions it could include.

Try to provide as many details or landmarks that identify the premises as possible. Mileposts generally exist along every mile of the RR and are similar in appearance to the mile markers found along interstates. If you have a GPS (Global Positioning System), please include property latitude and longitude.

If milepost markers are readily accessible or visible on the property, we appreciate your including the details but your safety is our foremost concern.

Maps

Examples include such data as county highway maps with the location marked, USGS topographical maps with the location marked, or applicable county tax maps with the area highlighted, etc. The proposed lease or licensed area should be highlighted. Please indicate which direction is north.
