Global Accreditation Certification Application for AAAASF Accredited Facilities

If you are an AAAASF accredited facility and are currently seeing international patients or want to attract international patients, you are eligible for AAAASFI Global Accreditation. By becoming a certified globally accredited facility, you will be listed on our AAAASF International website and your contact information will be seen by prospective patients around the world! Additionally, some specialty societies promote AAAASF Global Accredited Facilities.

If you are in good standing with your AAAASF accreditation and would like to register your facility to this **voluntary program**, please complete this form and submit the appropriate fee. Once your facility is Globally Certified, an annual renewal invoice of \$50 will be included in the renewal packet sent to your facility.

You can cancel the Global Accreditation Certification at any time; this will not affect your current AAAASF accreditation.
