Dear Mr. McVey,

We are enclosing a copy of the Establishment Inspection Report (EIR) for the inspection conducted at your facility, Stokes Pharmacy, which at the time of the inspection was located at 18000 Horizon Way, Suite 700, Mount Laurel, NJ 08054, from January 27, 2016, to February 12, 2016, by the U.S. Food and Drug Administration (FDA).

This letter is not intended as an endorsement or certification of your facility. It remains your responsibility to assure compliance with the requirements of federal law, including FDA regulations.

When the Agency concludes that an inspection is "closed" under 21 C.F.R. 20.64(d)(3), it will release a copy of the EIR to the inspected establishment.

The Agency continually works to make its regulatory process and activities more transparent for regulated industry. Releasing this EIR to you is part of this effort. The copy being provided to you comprises the narrative portion of the report; it may reflect redactions made by the Agency in accordance with the Freedom of Information Act (FOIA) and 21 C.F.R. If there is any question about the released information, please contact Charles Chacko, Compliance Officer, at (973) 331-4946.
