HEALTH WARNING

Always play in a well lit environment. Take regular breaks, 15 minutes every hour. Discontinue playing if you experience dizziness, nausea, fatigue or have a headache. Some individuals are sensitive to flashing or flickering lights or geometric shapes and patterns, may have an undetected epileptic condition and may experience epileptic seizures when watching television or playing videogames. Consult your doctor before playing videogames if you have an epileptic condition and immediately should you experience any of the following symptoms whilst playing: altered vision, muscle twitching, other involuntary movement, loss of awareness, confusion and/or convulsions.

3D HEALTH WARNING

Some people may experience discomfort (such as eye strain, eye fatigue or nausea) while watching 3D video images or playing stereoscopic 3D games on 3D televisions. If you experience such discomfort you should immediately discontinue use of your television until the discomfort subsides.

Generally we recommend that you avoid prolonged use of your PlayStation®3 system and take 15 minute breaks during each hour of play. However, when playing stereoscopic 3D games or watching 3D video, the length and frequency of necessary breaks may vary from person to person – please take breaks that are long enough to allow any feelings of discomfort to subside. If symptoms persist, consult your doctor.

The vision of young children (especially those under six years old) is still under development. We recommend that you consult with your child's doctor or optometrist before allowing young children to watch 3D video images or play stereoscopic 3D games. Adults should supervise young children to ensure they follow the recommendations listed above.

PAN EUROPEAN GAMES INFORMATION (PEGI) AGE RATING SYSTEM

The PEGI age rating system protects minors from games unsuitable for their particular age group. PLEASE NOTE it is not a guide to gaming difficulty. For further information visit www.pegi.info.

Comprising three parts, PEGI allows parents and those purchasing games for children to make an informed choice appropriate to the age of the intended player. The first part is an age rating:

The second part of the rating may consist of one or more descriptors indicating the type of content in the game. Depending on the game, there may be a number of such descriptors. The age rating of the game reflects the intensity of this content. The descriptors are:

The third part is a label indicating the game can be played online. This label may be used only by online game providers who have committed to uphold standards which include the protection of minors in online gameplay:-

For further information visit
www.pegionline.eu

PARENTAL CONTROL

This product has a preset Parental Control Level based on its content. You can set the Parental Control Level on the PlayStation®3 system to restrict the playback of a product with a Parental Control Level that is higher than the level set on the PS3™ system. For more information, please refer to the PS3™ system instruction manual.

This product is classified according to the PEGI rating system. The PEGI rating marks and content descriptors are displayed on the product package (except where, by law, another rating system applies). The relationship between the PEGI rating system and the Parental Control Level is as follows:

PARENTAL CONTROL LEVEL	9	7	5	3	2
PEGI RATING AGE GROUP	18	16	12	7	3

In rare cases, the Parental Control Level of this product may be higher than the age rating which applies in your country, because of differences in the age rating systems in the various countries in which this product is sold. You may need to reset the Parental Control Level on your PS3™ system to enable play.

MAIN MENU

Choose between the Campaign, Multiplayer and Zombies.

CAMPAIGN

Pick up where Call of Duty: Black Ops ended and continue the single player experience in the Call of Duty: Black Ops II campaign. From the Campaign menu you can resume your most recent campaign or start a new one. You may also use the Mission Select option to replay an already completed mission at any difficulty.

Note: Black Ops II uses an automatic checkpoint save system to save your game progress. You may also choose to use the Save and Quit option from the in-game Pause menu.

STRIKE FORCE

Strike Force missions in Call of Duty: Black Ops II offer a new and innovative spin on traditional Call of Duty single-player combat by melding real-time strategy tactics with tried and true first-person shooter functionality. Take on special story-related missions and complete them as either front-line soldier, top-down battlefield commander, or a variety of unique wartime drones. Succeed and bring victory to your country; fail and watch the consequences play out alongside the main campaign storyline.

MULTIPLAYER

Compete with other Call of Duty: Black Ops II players online and locally in a variety of maps and game modes in Multiplayer (MP). Unlock new weapons, attachments, perks and rank up in MP!

ZOMBIES (1-8 PLAYERS)

Survive the Zombies hordes alone, cooperatively or competitively in the new and expanded Call of Duty: Black Ops II Zombies experience. Group up with friends to repel waves of increasingly deadly Zombies in the traditional Survival mode, compete against another team of Zombie apocalypse survivors in an epic battle to be the last group standing in the brand new Grief mode, or experience a whole new level of Zombies strategy in TranZit, the first ever Zombies campaign. But be warned: there are more than just Zombies lurking in the town of Green Run...

OPTIONS

Adjust the game's settings to suit individual preferences. Adjustable options include: controller settings, aim assist, look sensitivity, graphic content filter, and subtitles.

STEREOSCOPIC 3D

Call of Duty: Black Ops II supports stereoscopic 3D gameplay, which can be toggled on/off from within the Options menu. Please note that a 3D capable television and accompanying active shutter 3D supported glasses are required to experience the game in 3D. Consult your 3D TV manufacturer's instructions for more information on enabling 3D viewing.

! CAUTION !

3D Safety Precautions: Some people may experience discomfort (including eye strain, eye fatigue, or nausea) while playing stereoscopic 3D games on 3D televisions. If you experience such discomfort you should immediately discontinue viewing and gameplay until the discomfort subsides.

Generally we recommend that you avoid prolonged gameplay and take 15 minute breaks during each hour of play or viewing. However, the length and frequency of necessary breaks may vary from person to person – please take breaks that are long enough to allow any feelings of discomfort to subside. If you experience serious discomfort or pain or if symptoms persist, stop gameplay immediately and consult your doctor.

Always follow the safety precaution information and use instructions supplied with your 3D television and 3D glasses for proper usage.

HEADS-UP DISPLAY

1. Mini-Map – Shows map of local area plus locations of friendlies and known hostiles.

2. Match Info – Displays current score, team icon and the time remaining in match. (MP Only)

3. Grenade Indicator – Icon warning you that there is a grenade nearby, arrow indicates the location of the grenade.

4. Crosshair – Indicates where you are currently pointing your weapon. Turns red when positioned over an enemy, green when positioned over a friendly. Walking or running causes the crosshair to grow wider or sometimes disappear altogether, indicating a loss of accuracy. Stopping movement, crouching and going prone increase accuracy.*

5. Use Icon – This only appears when you are near a weapon or interactive object, indicates what button to press to interact with the weapon or object.

6. Scorestreak Inventory – Indicates how many points you need to acquire the next Scorestreak, and which Scorestreaks you have chosen to be able to earn during the match. Any acquired Scorestreak can be used in the Scorestreak Inventory by pressing up or down on the D-Pad to cycle through them and pressing right on the D-Pad to equip them.

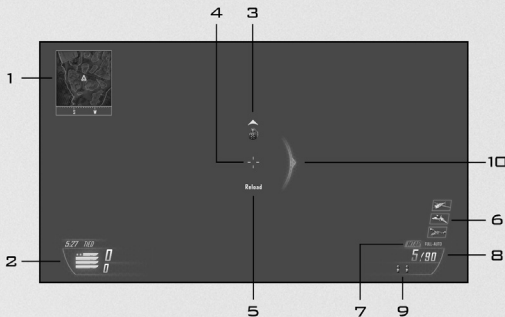

7. Weapon Indicator – Indicates which weapon you are currently using.

8. Ammo Count – Shows remaining bullets for currently equipped weapon, as well as remaining grenade supplies.

9. Inventory – Displays equipment and/or weapon attachments that are currently available.

10. Damage Indicator – Red marker shows that you are taking damage and the direction the damage is coming from. (See Health System, on page 6).

***Note:** When you press the ADS button, you will aim down the sights or scope of your weapon. This will greatly increase your accuracy and decrease your movement speed. While in ADS the crosshair will disappear.

HEALTH SYSTEM

When you take damage from enemy fire, blood splatter will appear and the damage indicator will show you the direction the fire is coming from. As more damage is sustained the screen will grow redder, you will hear your heart rate increase, and your breathing will grow heavy. If you can cover and avoid enemy fire you will slowly recover from the damage and be able to continue at full strength.

PAUSE/OBJECTIVE SCREEN

Press the ^{START} button any time in Campaign or Zombies to pause the game and access this menu. From here you may access game Options, restart the current level or save and quit to the Main Menu.

MULTIPLAYER OBJECTIVES SCREEN

Call of Duty: Black Ops II cannot be paused while playing in MP mode. Pressing ^{START} in MP will bring up a menu that will allow you to choose a new class (taking effect on your next spawn), view the description of your current game mode, and access the Options menu. Keep in mind that the MP match is still live in the background when you are in this screen.

CALLING CARD (MP ONLY)

Access your Calling Card to create your own custom Emblem that will represent your persona online. View Recent Games you or your friends have played and save them to your File Share for safe keeping. You can view and rate other Films, Clips, Screenshots, and Custom Games created by members of the Call of Duty: Black Ops II community.

You can also view all your key game statistics in the Combat Record, check your progress against the in-game Challenges, view the game Leaderboards, and create a Clan Tag all from within the Calling Card.

If the recording medium is found defective within 90 days of original purchase, Activision agrees to replace, free of charge, any product discovered to be defective within such period upon its receipt of the Product, postage paid, with proof of the date of purchase, as long as the Product is still being manufactured by Activision. In the event that the Product is no longer available, Activision retains the right to substitute a similar product of equal or greater value.

This warranty is limited to the recording medium containing the Product as originally provided by Activision and is not applicable to normal wear and tear. This warranty shall not be applicable and shall be void if the defect has arisen through abuse, mistreatment, or neglect. Any implied warranties prescribed by statute are expressly limited to the 90-day period described above.

EXCEPT AS SET FORTH ABOVE, THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, WHETHER ORAL OR WRITTEN, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT, AND NO OTHER REPRESENTATIONS OR CLAIMS OF ANY KIND SHALL BE BINDING ON OR OBLIGATE ACTIVISION.

When returning merchandise for warranty replacement, please follow the instructions at <http://www.activision.com/support> or contact us. You will also find the most up-to-date contact information and opening hours for your country and language on this website.

LIMITATION ON DAMAGES. IN NO EVENT WILL ACTIVISION BE LIABLE FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM POSSESSION, USE OR MALFUNCTION OF THE PRODUCT, INCLUDING DAMAGES TO PROPERTY, LOSS OF GOODWILL, COMPUTER FAILURE OR MALFUNCTION AND, TO THE EXTENT PERMITTED BY LAW, DAMAGES FOR PERSONAL INJURIES, EVEN IF ACTIVISION HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. ACTIVISION'S LIABILITY SHALL NOT EXCEED THE ACTUAL PRICE PAID FOR THE LICENSE TO USE THIS PRODUCT. SOME STATES/COUNTRIES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS AND/OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS AND/OR EXCLUSION OR LIMITATION OF LIABILITY MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS WHICH VARY FROM JURISDICTION TO JURISDICTION.

TERMINATION. Without prejudice to any other rights of Activision, this Agreement will terminate automatically if you fail to comply with its terms and conditions. In such event, you must destroy all copies of this Product and all of its component parts.

INJUNCTION. Because Activision would be irreparably damaged if the terms of this Agreement were not specifically enforced, you agree that Activision shall be entitled, without bond, other security or proof of damages, to appropriate equitable remedies with respect to breaches of this Agreement, in addition to such other remedies as Activision may otherwise have under applicable laws.

INDEMNITY. You agree to indemnify, defend and hold Activision, its partners, affiliates, contractors, officers, directors, employees and agents harmless from all damages, losses and expenses arising directly or indirectly from your acts and omissions to act in using the Product pursuant to the terms of this Agreement

MISCELLANEOUS. This Agreement represents the complete agreement concerning this license between the parties and supersedes all prior agreements and representations between them. It may be amended only by a writing executed by both parties. If any provision of this Agreement is held to be

unenforceable for any reason, such provision shall be reformed only to the extent necessary to make it enforceable and the remaining provisions of this Agreement shall not be affected. This Agreement shall be construed under California law as such law is applied to agreements between California residents entered into and to be performed within California, except as governed by federal law and you consent to the exclusive jurisdiction of the state and federal courts in Los Angeles, California.
