

BE A MASTER CLASS SUPERVISOR: A SUPERVISORY SKILLS

WORKSHOP

DURATION: 2 DAYS

TIME SCHEDULE

Time: 9:00am to 5:00pm

Lunch Break: 1:00pm to 2:00pm

INTRODUCTION

What is a supervisor? What does it means to be a supervisor. How do we be not only as an efficient supervisor but also a Masterclass Supervisor. Whether we relies this or not, these are some of the questions that very frequently linger in every organizations be it amongst the employees or amongst the employers. As leaders by their own right, a lot of supervisors found it to be challenging to lead the team at work, not because they are not able to but because of lack of awareness and skills to do so effectively. This program is design to provide the solutions and withdraw the commitment from the supervisors to step forward and become the Masterclass Supervisor they are.

BENEFITS

At the program's conclusion, participants should be able to:

- Understanding the definition of a supervisor.
- Developing the attitude and behaviour to be a Masterclass Supervisor.
- Building the awareness of roles and responsibility of the supervisor.
- Ways & technics on how to be a Masterclass Supervisor.
- Understanding and practicing the effective way of communications amongst themselves and with the team.
- Being aware of the personality, behaviour output and the core competencies of the team they lead.
- Being able to self-groom themselves with the best physical and mental image of a Masterclass Supervisor
- Being able to project and present themselves as a professional supervisor.
