

2021 AVIATOR

DEP
DEALER ePROCESS

Always begin on a bright note.

Whether your day ahead is filled with places to be, or as open as a big blue sky, the 2021 Lincoln Aviator starts it with a warm embrace. As you approach, Lincoln Signature Lighting flows beneath the headlamps, while the available illuminated Lincoln Star on the grille glows from within. Illuminated Lincoln logo welcome mats and backlit door handles extend an invitation, while the Dynamic Lower Entry feature of the available Air Glide Suspension eases access for all. Whether you select Aviator or Aviator Grand Touring¹ with its advanced plug-in hybrid electric technology, every drive starts with beautiful chimes orchestrated by a world-renowned symphony as the LCD screen animation takes you soaring through blue skies. Elevate life's journey in your Aviator.

New available Monochromatic Reserve II Equipment Collection shown in Pristine White.
Vehicle imagery throughout this brochure may be computer-generated and may include available and aftermarket equipment. ¹Available only at EV-certified Lincoln Dealers.

IMMERSE YOURSELF IN ELEGANCE

Imagine a place specially designed to evoke a sense of serenity, a sanctuary where you can relax and unwind after a challenging day. The 3-row Aviator cabin is carefully crafted to be that place. Enter using your available Phone As A Key,¹ while Aviator recalls your saved Personal Profile settings for the driver's seat and so much more. Tuck your phone into the available wireless charging pad² inside the center console. Then, relax into the available 30-way Perfect Position Seats with Active Motion[®] massage functionality, and heated and ventilated settings. You'll also enjoy best-in-class 1st-row leg room.³ The available customizable Head-Up Display⁴ automatically adjusts the prominence of information as priorities change, and it's easily seen in various light conditions.

STAY INFORMED AND ENTERTAINED

SiriusXM[®] gives you ad-free music, plus sports, comedy, news and talk – inside your Aviator and on the go – with a 3-month All Access trial subscription.⁵ With the available Voice-Activated Touchscreen Navigation System, you'll also enjoy a 6-year subscription⁵ to SiriusXM Traffic and Travel Link[®] services.

ENGAGE WITH DYNAMIC 3D AUDIO

You won't just hear it – you'll feel the exceptional level of precision and musical accuracy offered by the expertly engineered Revel[®] Ultima 3D Audio System that's available. Enjoy your favorites through a network of 28 speakers – including 8 in the headliner – finely tuned to the Aviator interior. It's as if you're seated in a concert hall, and listening modes like "Audience" and "On Stage" let you choose your level of immersion. Outstanding, multi-dimensional sound in every seat is courtesy of advanced cabin correction tuning, QuantumLogic[®] 3D Surround sound technology, and Revel Waveguides. With 127 steps of adjustment, the immersion control slider lets you customize how the music envelops you for a personalized sound experience.

¹Requires feature activation. Not compatible with all smartphones. ²Qi wireless charging may not be compatible with all mobile phones. ³Based on advertised dimensions. Class is Large Crossover Premium Utilities starting at under \$75,000 based on Lincoln segmentation. ⁴Don't drive while distracted. See owner's manual for details and system limitations. ⁵Trial length and service availability may vary by model, model year or trim. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service will automatically stop at the end of your trial unless a subscription is purchased. See the SiriusXM Customer Agreement at www.siriusxm.com for complete terms. Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change.

TRANSPORTS UP TO 7

From short jaunts around town to epic getaways, the 3 spacious rows of seating inside Aviator make it easy to travel with family and friends. Seat up to 7 when you combine the 2nd-row bench seat with the standard 3rd-row PowerFold® bench seat. Or seat up to 6 with the available heated and ventilated 2nd-row captain's chairs, which pair with your choice of an available full center console, or a step-over mini console with convenient pass-through to the 3rd row.

Helping you maintain harmony on long trips, Aviator includes Lincoln Connect™¹ with 4G LTE Wi-Fi hotspot capability that passengers can use to stream content on their mobile devices. Plus, up to 6 available smart-charging USB ports, as well as a 110V/150W AC power outlet, and two 12V powerpoints help keep everyone's devices charged up. An available panoramic Vista Roof® and best-in-class 2nd-row shoulder room² bring even more joy.

ADAPT WITH REMARKABLE EASE

You'll enjoy effortless loading and unloading of people, pets and so much more using the power tip-and-slide feature on the 2nd-row outboard seats. To access the cargo room behind the 3rd row, simply kick your foot beneath the available hands-free liftgate. You can also press the PowerFold 3rd-row seat buttons in the rear cargo area to quickly expand your cargo-carrying possibilities.³

¹Lincoln Connect and complimentary Connected Service are required for remote features (See Lincoln Way Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. ²Based on advertised dimensions. ³Cargo and load capacity limited by weight and weight distribution.

494_{HP}¹

630_{LB.-FT. TORQUE}¹

BEHOLD THE MOST POWERFUL LINCOLN YET

Aviator Grand Touring² is engineered to thrill. It brilliantly blends the power of a Twin-Turbocharged 3.0-liter V6 engine with that of a battery-powered electric motor to offer you nearly instantaneous torque. Its exhilarating output is channeled to the road via Intelligent all-wheel drive. And it's easy to charge your Aviator Grand Touring if you wish, using the standard dual-voltage charging cord to enable Level 1 charging or significantly faster Level 2 charging. A unique grille design and 21" wheels enhance its stunning elegance. Experience a flowing sense of power in Aviator Grand Touring.

¹Calculated via combined performance of the engine and electric motor with peak battery power. The calculations utilize SAE J1349[®] engine results and Lincoln electric motor dyno testing. Your results may vary. ²Available only at EV-certified Lincoln Dealers.

THRIVE WITH LINCOLN DRIVE MODES

Aviator puts the power to adapt your drive right at your fingertips. Simply turn the knob to select a Lincoln Drive Mode, and the system adjusts suspension, ride height, steering, shift points and more, to help provide a remarkable driving experience. Plus, Grand Touring models² feature 2 additional modes. "Preserve EV" mode can save stored energy for use later and help recharge the vehicle up to as much as 75%, while "Pure EV" mode offers a quiet, all-electric drive well-suited to your shorter trips around town.

TURBOCHARGE YOUR TRAVELS

Treat yourself to one of the most powerful and compelling engines in the Lincoln lineup: the Twin-Turbocharged 3.0-liter V6 that gives Aviator best-in-class standard 400 horsepower and 415 lb.-ft. of torque.¹ This gasoline direct-injected engine is driven by your choice of rear-wheel drive or available Intelligent all-wheel drive. And it's mated to the 10-speed SelectShift[®] automatic transmission, which can adapt in real time, engaging the right gear at the right time to deliver the performance you seek.

ILLUMINATE A NEW PATH

See things in a whole new light with the groundbreaking technology in the available Illumination Package. Adaptive Pixel LED Headlamps use Speed Dependent Lighting to provide additional light, and spread it more widely at slower speeds to emphasize the area around and directly in front of the vehicle. Their Adaptive Dynamic Bending can even illuminate an upcoming curve before you steer into it. This enlightening package also includes the illuminated Lincoln Star on the grille.

GLIDE WITH EFFORTLESS GRACE

It's as though every stretch of road feels freshly paved with the advanced technologies in the available Dynamic Handling Package. Adaptive Suspension with Road Preview helps Aviator detect upcoming road irregularities, then carries you comfortably over them. The available Air Glide Suspension optimizes the vehicle's ride height and spring rates as your load and operating conditions change. With the Dynamic Lower Entry feature, the vehicle appears to "kneel" as you approach, graciously lowering by 50 mm to ease your entry. In Deep Conditions mode, it raises 30 mm above normal ride height to improve ground clearance. In Excite mode, it lowers to increase aerodynamics. Quite simply, this system helps Aviator deliver a smooth riding experience under just about any condition.

¹Horsepower and torque ratings based on premium fuel per SAE J1349[®] standard. Your results may vary.

400_{HP¹} 415_{LB.-FT. TORQUE¹}

DEP
DEALER ePROCESS

CONNECT AND COMMAND

SYNC 3 voice-activated technology¹ connects your tech with your Aviator, and puts you in control of calls, music and more with the tap of a button on your steering wheel and simple voice commands. You can also tap or swipe the stunning 10.1" touchscreen. To see your phone's familiar interface on the large screen, you can take advantage of compatibility with Apple CarPlay^{®2} for your iPhone[®]. It is also compatible with Android Auto.^{™2}

IN-APP AND IN CONTROL

Aviator also lets you enjoy voice control of compatible mobile apps on your connected phone using SYNC 3 AppLink.^{®3} The system works with your Lincoln Way[™] App⁴ and many others. You can use it with the Waze[™] community-based traffic and navigation app.⁵ It also works with the Lincoln+Alexa app, so you can ask Alexa to play music, listen to audiobooks, check the weather, control smart home devices and more while inside your Aviator.⁵

WI-FI FOR ALL

Since Aviator has the ability to seat up to 7 people, a vast array of smartphones, tablets, gaming systems and computers may come along for the ride thanks to plenty of power connectivity. Lincoln Connect^{™6} with 4G LTE Wi-Fi hotspot capability provides a strong connection for up to 10 devices at once. So everyone can enjoy their favorites – from inside of Aviator and up to 50' away.

APPLE CARPLAY & ANDROID AUTO COMPATIBILITY | LINCOLN WAY APP | WAZE | LINCOLN+ALEXA | 4G LTE WI-FI HOTSPOT CAPABILITY

Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. ¹Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Requires device with active data service and compatible software. SYNC 3 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. ³Commands may vary by phone and AppLink software. ⁴Compatible with select smartphone platforms, is available via download. Message and data rates may apply. ⁵Commands may vary by phone and AppLink software. Waze is available via iPhone and on Android Auto. Certain Alexa functionality is dependent on smart phone and home technology. ⁶Lincoln Connect and complimentary Connected Service are required for remote features (see Lincoln Way Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot.

STANDARD LINCOLN CO-PILOT360™

From help lighting up the night to helping you stay on course, every Aviator driver can benefit from our Lincoln Co-Pilot360 suite of driver-assist technologies,¹ which includes:

- AUTO HIGH-BEAM HEADLAMPS
- BLIND SPOT DETECTION WITH CROSS-TRAFFIC ALERT
- LANE-KEEPING SYSTEM
- PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING
- REAR VIEW CAMERA WITH WASHER

LINCOLN CO-PILOT360 PLUS

A number of available driver-assist technologies¹ are conveniently packaged together as Lincoln Co-Pilot360 Plus, including Adaptive Cruise Control with Traffic Jam Assist, which combines Lane Centering, Stop-and-Go, and Speed Sign Recognition, to help keep you driving confidently. Lincoln Co-Pilot360 Plus includes:

- ACTIVE PARK ASSIST PLUS
- ADAPTIVE CRUISE CONTROL WITH TRAFFIC JAM ASSIST
- EVASIVE STEERING ASSIST
- REVERSE BRAKE ASSIST

JOURNEY WITH CONFIDENCE

Our extensive collection of standard and available driver-assist technologies¹ utilizes a network of sensors and sophisticated cameras to offer you support during many scenarios. These advanced features are all aimed at helping you feel confident in the 2021 Lincoln Aviator.

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. They do not replace safe driving. See owner's manual for details and limitations.

¹Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary. ²Actual mileage will vary. ³Available only at EV-certified Lincoln Dealers. ⁴Calculated via combined performance of the engine and electric motor with peak battery power. The calculations utilize SAE J1349 engine results and Lincoln electric motor dyno testing. Your results may vary. ⁵EPA-estimated ratings: 22 city/25 hwy/23 combined mpg, 18.0-gallon fuel tank; 21 miles electric. Range calculation based on www.fueleconomy.gov. Actual range varies with conditions such as external elements, driving behaviors, vehicle maintenance and lithium-ion battery age. Actual mileage will vary. EPA-estimated ratings: 54 city/58 hwy/56 combined MPGe. Actual mileage will vary. MPGe is the EPA equivalent measure of gasoline fuel efficiency for electric mode operation. ⁶With Vista Roof, height is 69.2". 1st-row max. head room is 40.3" and 2nd-row head room is 38.4." ⁷When properly equipped with available Class IV Trailer Tow Package. Max. towing varies based on cargo, vehicle configuration, accessories and number of passengers. ⁸At purchase, the Lincoln Connect modem is connected and sending vehicle data (e.g., diagnostics) to Lincoln. To disable, or for more information, see in-vehicle connectivity settings. Learn more at www.Connectedlincoln.com. Lincoln Connect and complimentary Connected Service are required for remote features (see Lincoln Way Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. Wi-Fi hotspot includes wireless data trial that begins upon AT&T activation and expires at the end of 3 months or when 3GB of data is used, whichever comes first, but cannot extend beyond the trial subscription period for remote features. To activate, go to www.att.com/lincoln. ⁹Lincoln Way App, compatible with select smartphone platforms, is available via download. Message and data rates may apply. ¹⁰Trial length and service availability may vary by model, model year or trim. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service will automatically stop at the end of your trial unless a subscription is purchased. See the SiriusXM Customer Agreement at www.siriusxm.com for complete terms. Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. ¹¹Always wear your safety belt and secure children in the rear seat.

Discounts do not apply to all coverage elements; actual savings vary by state, coverage selections, rating factors and policy changes.

NEW VEHICLE LIMITED WARRANTY Your new Lincoln has the following coverage: 4-year/50,000-mile bumper-to-bumper coverage, 6-year/70,000-mile powertrain coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion perforation (aluminum panels do not require perforation) coverage. Unique electric components come with 8-year/100,000-mile hybrid/electric unique coverage. Whichever comes first. Please ask your dealer for a copy of these limited warranties.

Comparisons based on competitive models (class is Large Crossover Premium Utilities starting at under \$75,000 based on Lincoln segmentation), publicly available information and Lincoln certification data at time of release. Vehicles may be shown with optional equipment. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations. Dimensions shown may vary due to optional features and/or production variability. Information is provided on an "as is" basis and could include technical, typographical or other errors. Lincoln makes no warranties, representations, or guarantees of any kind, express or implied, including but not limited to, accuracy, currency, or completeness, the operation of the information, materials, content, availability, and products. Lincoln reserves the right to change product specifications, pricing and equipment at any time without incurring obligations. Your Lincoln Dealer is the best source of the most up-to-date information on Lincoln vehicles.
