Notes

USING THE SAVED CARTS FEATURE

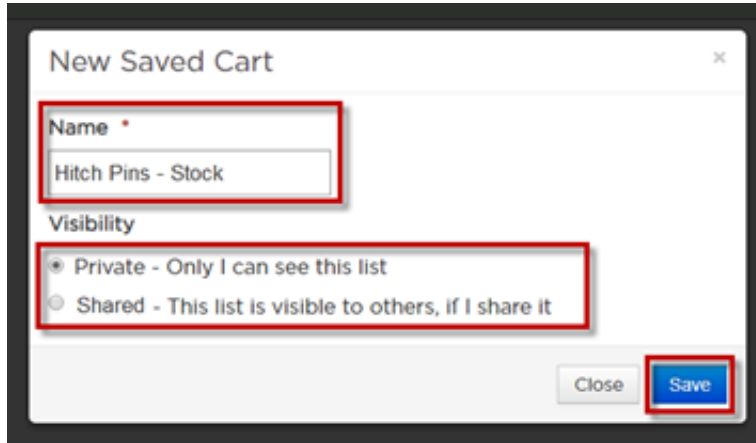

1. Click on **“SAVED CARTS”** on the top right hand corner.

2. This opens the **“Saved Carts”** page. Click **“Create a Saved Cart”** to enter an order (useful for items that are ordered regularly).

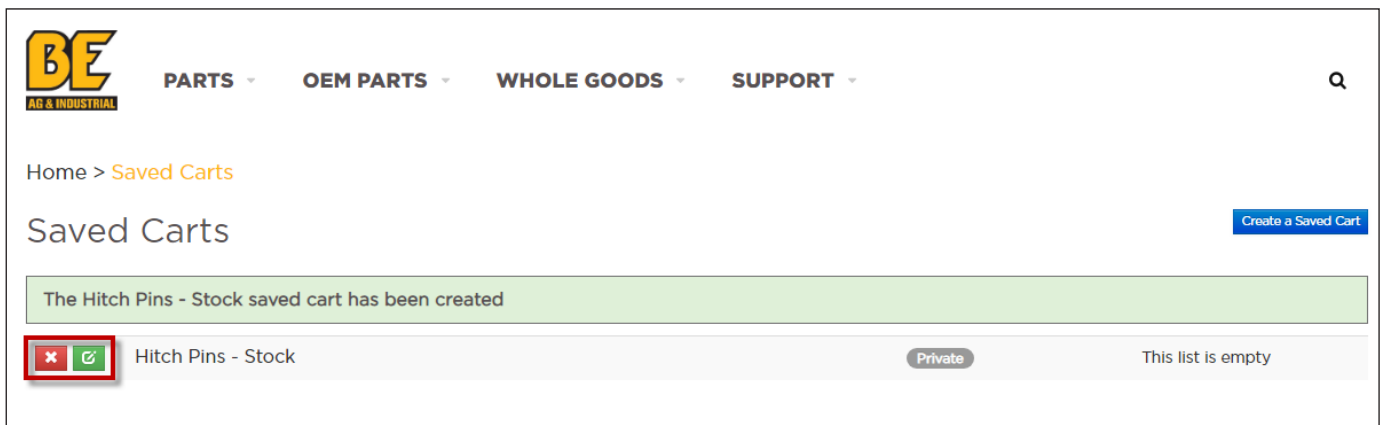

- Enter a name for this cart in the box and select whether to share this cart with others. Then click **“SAVE”** to create this **SAVED CART**.

The image shows a 'New Saved Cart' dialog box. It has a title bar with a close button. Inside, there is a 'Name' field with a red asterisk, containing the text 'Hitch Pins - Stock'. Below it is a 'Visibility' section with two radio buttons: 'Private - Only I can see this list' (which is selected) and 'Shared - This list is visible to others, if I share it'. At the bottom right are 'Close' and 'Save' buttons. Red boxes highlight the Name field, the Visibility section, and the Save button.

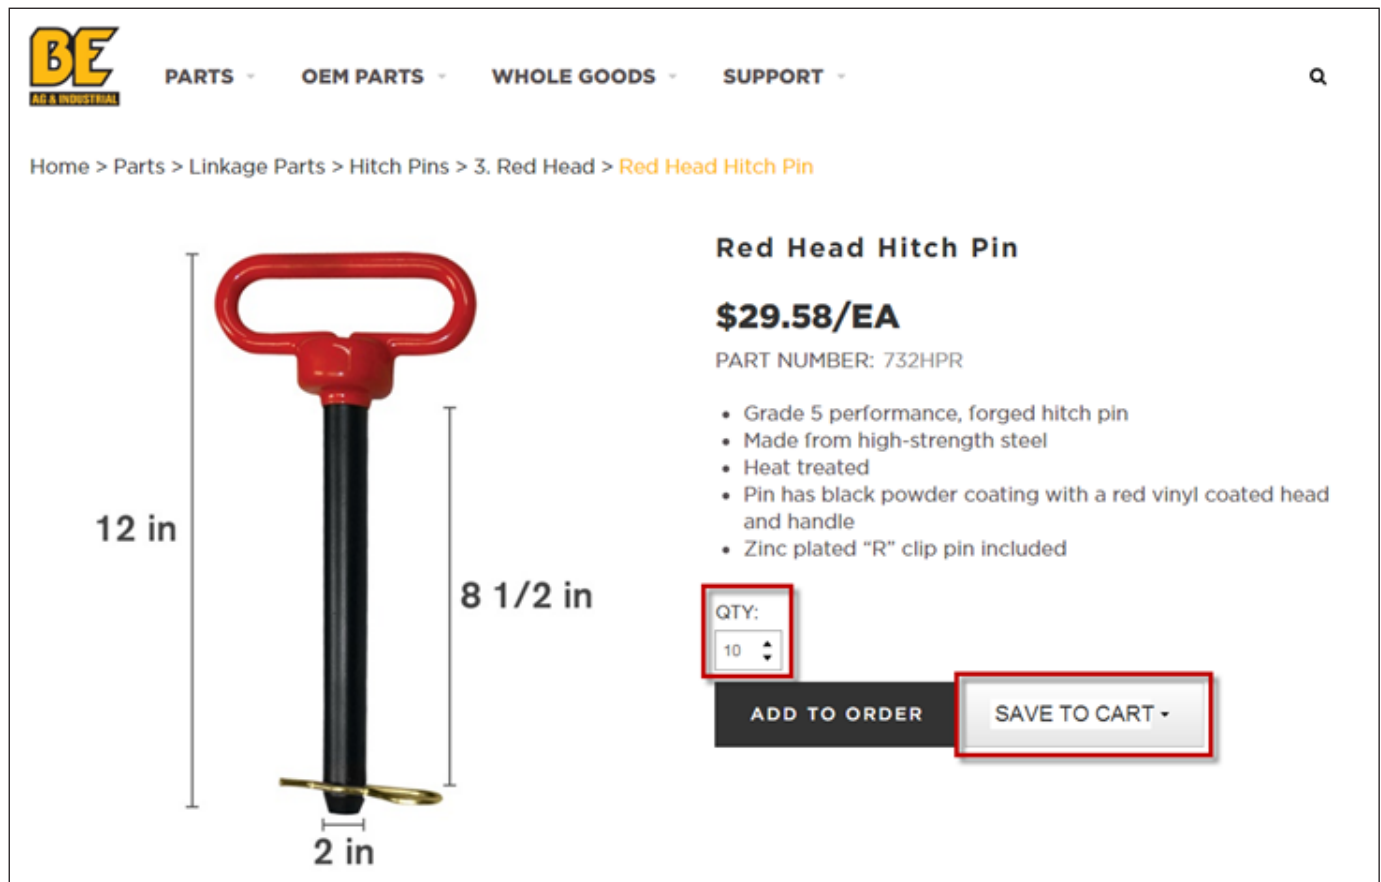

- This enters this cart on the **“Saved Carts”** page. To delete this cart click the RED box. To modify the name of this Saved Cart click the GREEN box.

The image shows the 'Saved Carts' page on the BE website. The header includes the BE logo, navigation links (PARTS, OEM PARTS, WHOLE GOODS, SUPPORT), and a search icon. Below the header, there is a breadcrumb trail 'Home > Saved Carts' and a 'Create a Saved Cart' button. A green notification bar states 'The Hitch Pins - Stock saved cart has been created'. Below this, a table lists the saved cart. The first row shows 'Hitch Pins - Stock' with a red 'X' icon (delete) and a green checkmark icon (edit) in a box, a 'Private' status button, and the text 'This list is empty'.

SAVED CARTS

5. To enter items into the **SAVED CART** navigate to an individual part by one of the METHODS found on page 6.
6. Adjust the quantity to the desired order amount. Click the **“SAVE TO CART”** button.
