

A woman with long dark hair, wearing a white lab coat over a dark blue collared shirt, is looking down at a counter in a pharmacy. In the background, there are shelves stocked with various medications. A red banner is overlaid on the bottom half of the image.

**Cardinal Health Inventory Manager (CIM)**

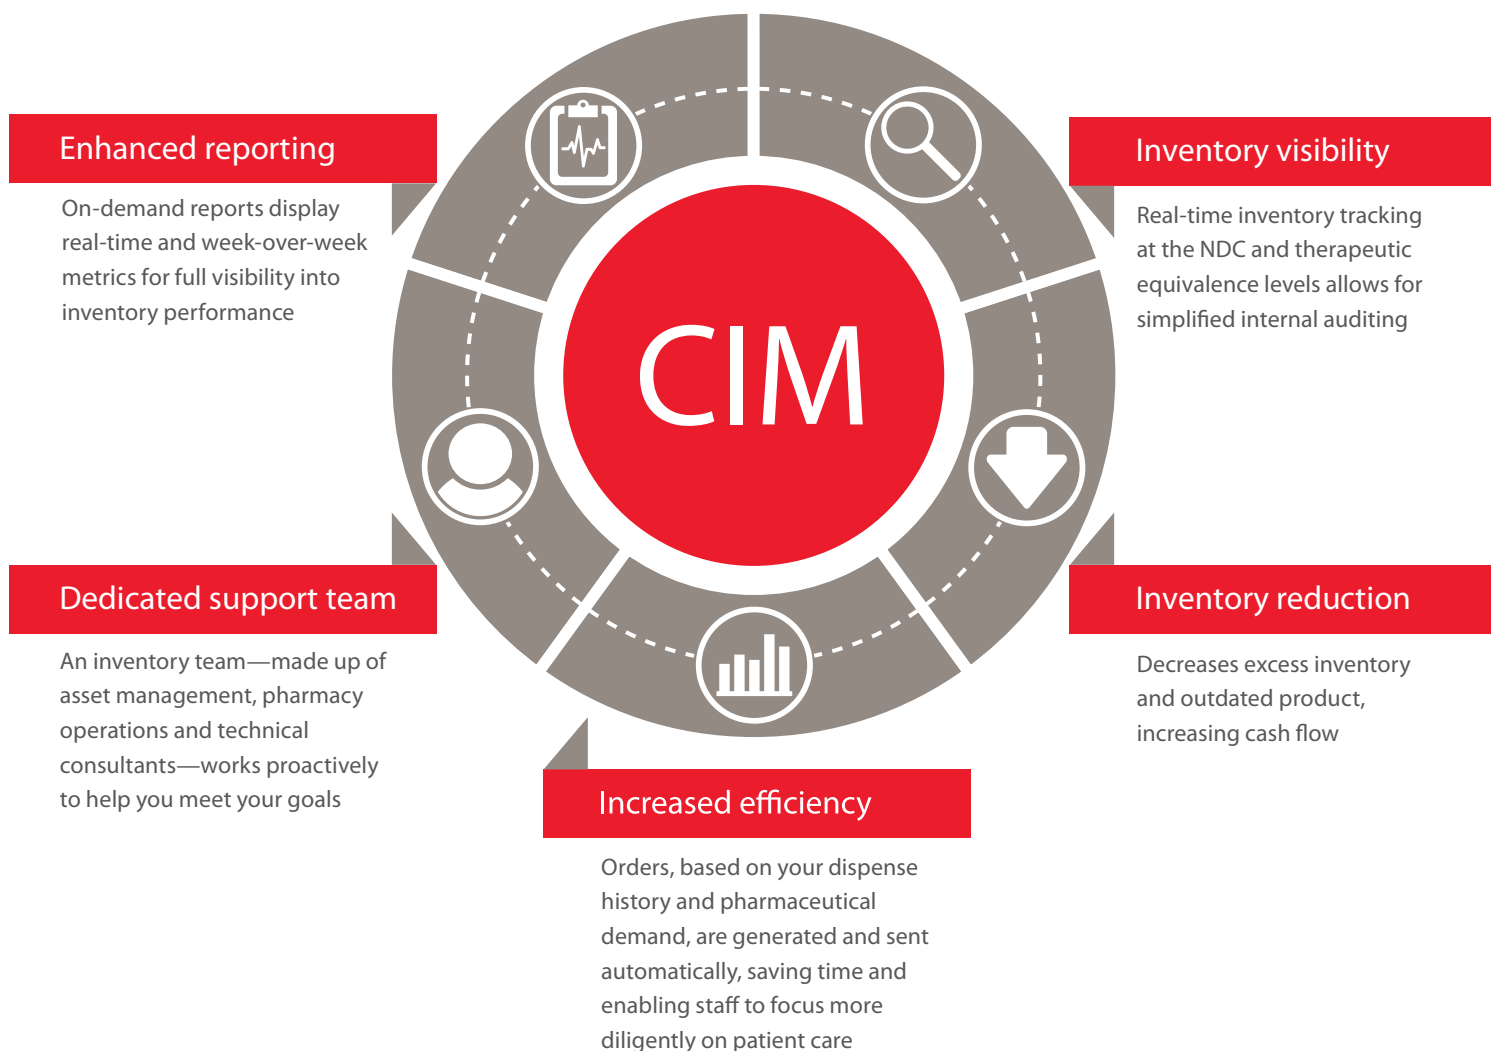

# Driving better purchasing decisions

**CIM is a web-based solution that provides outpatient pharmacies with inventory visibility, enhanced reporting capabilities and purchase optimization.**

## Why now?

CIM delivers “just-in-time” replenishment, driven by automated order points, helping you make more informed purchasing decisions.

## Benefits to the pharmacy
