## SEARS PROTECTION AGREEMENT TERMS AND CONDITIONS

This Sears Protection Agreement (“Agreement”) is a legal contract that describes the terms and conditions of the Protection Plan that you have purchased. Obligations under this Agreement are backed by the full faith and credit of the Obligor. Please retain this document along with your receipt as proof of ownership. Your receipt indicates the type of Plan that you purchased. There is no deductible for services covered under this Agreement.

### **This is not a contract of insurance.**

The term “Covered Product” refers to the product that this Agreement was purchased to cover. The term “Protection Plan” refers to the Master Protection Agreement (“MPA”) and/or the Repair Protection Agreement (“RPA”). The terms “you” and “your” refer to the purchaser of this Agreement. The terms “we”, “us” and “our” refer to the Obligor. See Section 18 below for Obligor.

The following sections apply to all Protection Plans under this Agreement. Please read it carefully to understand your rights and our obligations under this contract. Please refer to the state specific section at the end of this contract as the laws of your state may provide you with additional rights. Certain limitations apply. See Section 13 for coverage exclusions.

1. LENGTH OF COVERAGE. Coverage begins on: (1) the date this Agreement was purchased for the Covered Product; or (2) the date you took possession of the Covered Product. This Agreement expires on the date set forth in your sales receipt, Agreement certificate or as otherwise stated within this Agreement (“Term”).
2. COVERAGE FOR REPAIRS. We will directly pay on your behalf the cost of parts and services that are needed to maintain the proper operating condition of your Covered Product including repairs necessary due to normal wear and tear. Replacement parts may be new or refurbished to meet the manufacturer’s specifications of the original product. Repair services will be performed by a qualified repair technician (“Sears Repair”) designated by us.
3. COVERAGE FOR REPLACEMENT. We have the sole right to determine whether a Covered Product will be repaired or replaced. If we determine that a Covered Product is not repairable due to unavailability of functional parts or technical information (a “Non-Repairable Covered Product”) we will replace the Non-Repairable Covered Product with a comparable product. We will determine and authorize the replacement amount, but you will select your replacement product from a Sears or Sears affiliated store or in some cases replacement will be arranged through the manufacturer. You will have up to ninety (90) days from the date of authorization to complete the replacement process. The Non-Repairable Covered Product must be returned in order to receive your replacement product. Any coverage remaining under the term of this Agreement will be transferred to the new replacement product. Replacement products may be new or refurbished to meet the manufacturer’s specifications of the original product. If you choose not to have your Covered Product replaced under this Agreement, then you may cancel this Agreement and we will refund the total price you paid for your current coverage. **There may be additional replacement benefits and limitations depending on your type of Protection Plan. Please refer to the section of this Agreement that is applicable to your type of Plan.** We will not be responsible for reconfiguring space to accommodate a replacement product when a product of identical dimensions is not available.

**TECHNOLOGICAL ADVANCES AND REPLACEMENT PRODUCT AVAILABILITY MAY RESULT IN A REPLACEMENT PRODUCT WITH A LOWER SELLING PRICE THAN THE ORIGINAL PRODUCT (THE NON-REPAIRABLE COVERED PRODUCT). IN ALL CASES, PRODUCT COMPARABILITY FOR A REPLACEMENT PRODUCT WILL BE DETERMINED BY US AT OUR SOLE DISCRETION.**

4. DISCOUNT ON NON-COVERED REPAIRS. On the Covered Product, you are entitled to a 25% discount off the price paid on any service performed and related parts provided by Sears Repair that is not covered by this Agreement.

On some products, telephone support by a technician will be available and you may be asked to check some basic operational functions and be given possible solutions in order to get your Covered Product back to working condition. For select types of merchandise, we may transfer the Covered Product from your home to a specialized facility in order to complete the repair, at our expense if the Covered Product is covered by an in-home agreement.

10. SAFETY AND ACCESSIBILITY. In the event that Sears Repair determines that it cannot service your Covered Product due to poor accessibility or unsafe working conditions or that it cannot restore your Covered Product to safe working conditions due to reasons beyond the scope of this Agreement, such as, but not limited to, code violations, improper storage, improper installation that was not performed or authorized by Sears, use or movement of the product or equipment, including the failure to follow the owner's manual instructions including the failure to place the product or equipment in an area that complies with the manufacturer's published space or environmental requirements, Sears Repair will not be required to proceed until you remedy the applicable cause. In order for us to provide the quality service you expect, you should cooperate fully with the service technician while in your home; provide a safe, non-threatening environment and clear access to the Covered Product. Failure to comply with these conditions may be cause for cancellation of this Agreement.
11. EFFECT(S) OF MANUFACTURER'S WARRANTY ON COVERAGE. Covered Products in need of parts and service that are still covered under the manufacturer's warranty period or recall work, will be serviced by Sears Repair in accordance with the manufacturer's guidelines. Products including those within the original manufacturer's warranty period may either be repaired or replaced with a comparable product. Product replacements during the manufacturer's warranty period will be performed in accordance with the Coverage for Replacement section described in Section 3 above.

This Agreement is inclusive of and runs concurrently with the manufacturer's warranty, it does not replace it. This Agreement provides benefits in addition to the manufacturer's warranty.

12. ELIGIBILITY FOR COVERAGE. If you did not purchase this Agreement at the same time as the purchase of the Covered Product, this section applies to you. Prior to the sale of this Agreement, we reserve the right to obtain product information from you in order to determine eligibility for coverage. To be eligible for coverage, the product must be in proper operating condition at the start of coverage and the information regarding the original purchase date of the covered product is correct.
