Explanation of Symbols used in Revisions

- (C) - Change in Terms or condition which affects a rate or charge
- (D) - Discontinued regulation, condition, rate or charge
- (M) - Material moved to another part of the tariff without change
- (N) - New regulation, condition, rate or charge
- (T) - Change in text only -- no change in regulation, condition, rate or charge

OVERVIEW OF SERVICE PUBLICATIONS

These Terms and Conditions and (where applicable) the following additional documents (collectively, "Service Publications") shall apply to all products and services the Company provides to customers:

Pricing Schedules. A "pricing schedule" means a service price sheet or similar pricing schedule (including related attachments) or other document that is included in Part 3 of these Terms and Conditions or that is later executed by the parties and references these Terms and Conditions. A Pricing Schedule includes the services, the pricing (including discounts and commitments, if applicable), the pricing term (if applicable) and may contain or incorporate by reference other service specific terms and conditions.

Policies. A "policy" means a Company policy that applies in accordance with its terms to any Service or Service capability within its scope, as may be modified by the Company from time-to-time, including the following:

The Company's Privacy Policy, Network Management Policy, Acceptable Use Policy, Credit Policy, Return & Exchange Policy, and Service Agreement can be found at <https://www.mypremieronline.com/terms-and-conditions.html>.

Service Contracts. "Service Contracts" means service orders, service contracts, service level agreements, service-specific terms and conditions and similar documents signed by or provided to the customer containing specific descriptions, pricing and other terms and conditions for products, services or service components that are not covered by these Terms and Conditions or that are in addition to or different from these Terms and Conditions.

PRIORITY OF SERVICE PUBLICATIONS

The order of priority of the Company's Service Publications is: the applicable Pricing Schedule; any applicable Service Contract, the Company's Policies and these Terms and Conditions; provided that for any regulated services a rule may be first in priority in any jurisdiction where the applicable law or regulation does not permit contract terms to take precedence over inconsistent rules. If a conflict of exists among provisions of the Company's Service Publications, such conflicts will be resolved in accordance with the preceding order of priority; provided that specific terms will control over general provisions and negotiated or added terms, conditions or pricing will control over standardized, published or non-negotiated terms, conditions and pricing.

CHANGES TO SERVICE PUBLICATIONS

Unless otherwise provided in your Service Publications, the Company may revise its Service Publications at any time. [If the Company revises a Service Publication, the revision has a materially adverse impact on customer and the Company does not implement revisions that remedy such materially adverse impact within 30 days after receipt of notice from customer, then customer may, as customer's sole remedy, elect to terminate the affected service or service components on 30 days' notice to the Company, given not later than 90 days after customer first learns of the revision to the Service Publication. "Materially adverse impacts" do not include changes to non-stabilized pricing, changes expressly authorized or permitted by the affected Service Publication, changes required by governmental authority, or assessment of or changes to additional charges such as other charges and fees or taxes.]

RULES AND REGULATIONS

A. APPLICATION

1. General

- a. The Rules and Regulations specified herein apply to the services and facilities furnished by the Service Provider hereinafter referred to as the Company. If the customers fail to observe these Rules and Regulations, the Company has the option to discontinue service after due notice of such failure.
- b. In the event of a conflict between these General Rules and Regulations and any conditions contained in the Telephone section, the rates and conditions contained in the Telephone section shall prevail.

B. OBLIGATION AND LIABILITY OF TELEPHONE COMPANY

1. Availability of Facilities

- a. The Company's obligation to furnish services is dependent upon its ability to secure and retain, without unreasonable expense, suitable facilities and rights for such facilities, except as provided for in Part 1 H, Construction Charges.

2. Allowance for Failure of Service

- a. The Company does not guarantee uninterrupted working of its lines or equipment. In case service is interrupted other than by the negligence or willful act of the customer, an adjustment will be made in the amount of the charges for that portion of the service rendered inoperable. Any adjustment shall apply only if the interruption continues beyond twenty-four (24) hours after first noted by the Company. Adjustment will be made in the form of a bill credit. No other liability shall in any case attach to the Company.

3. Adjustment of Charges

- a. In the event of an adjustment of charges for overbilling or underbilling by the Company, a correction (refund or charge) may be made of the full amount of difference for a period not to exceed two years. When the period or amount for which overbilling cannot be fixed from available records, the maximum refund or credit will not exceed an estimated amount of such billing.

RULES AND REGULATIONS

4. Transmitting Messages - Security

- a. The Company does not transmit messages, but offers the use of its facilities, where available, for communications between parties, subject to the rules, regulations and conditions specified in these Terms and Conditions. Access to and use of any information or data obtained by customer or any user via use of service is at the customer or user's own risk, and the Company is not responsible for the accuracy, reliability or security of such information. The Company makes no attempt to verify accurate receipt of any messages and the Company is not responsible for any loss of data resulting from delays, non-deliveries, incorrect deliveries, viruses, e-mail filtering, service interruptions, etc. The Company makes no representations, warranties or assurances regarding the security of any system or network or the protection or privacy of email or other information transferred or communicated through the Internet or any other system or network. The Company shall not be liable for any breach of security arising from or in connection with a customer's or user's use of service or the Company's network.

5. Use of Connecting Company Lines

- a. Facilities of other companies may be used in establishing connections to points not reached by this Company's lines. In establishing connections with the facilities of other companies, the Company does not assume any liability for any action of the connecting company.

6. Defacement of Property

- a. The Company shall exercise care in all work done on a customer's property. No liability shall attach to the Company by reason of any defacement or damage to the customers' property resulting from the existence of the Company's instruments, apparatus and associated wiring on such property, or by the installation or removal thereof, unless such defacement or damage is the result of the negligence of the Company, or its employees.

C. USE OF SERVICE AND FACILITIES

1. Use of Customer Service

- a. Service is furnished on retail basis for residential or business use only. Service accounts are assigned to customers only, and the customer(s) in whose name the account is established will be treated as the account owner(s) for all purposes. Account owners shall be responsible for any and all use of the subscribed service. Customers will cooperate with the Company to prevent third parties from gaining unauthorized access to services via the customer's facilities.
- b. Services must be used in compliance with applicable Service Publications, including all applicable Company policies. Without limiting the preceding, customers shall not use services for fraudulent, abusive, unlawful or destructive purposes or in any manner that causes interference with the Company's or another service subscriber's use of the Company-provided network.

RULES AND REGULATIONS

- c. Services may not be resold, except as otherwise authorized in Part II, Section O of these Terms and Conditions or as authorized in a specific Service Contract.
2. Connection of Customer Premise Equipment and Wiring
 - a. Except when leased from, licensed from or otherwise provided by the Company, all premise equipment and wiring after the demarcation point is the property and responsibility of the property owner. The demarcation point is either outside or inside the premise and is typically the location where the Company's network is terminated and grounded.
 - b. Customers may provide and install their own customer premise equipment and wiring after the demarcation point so long as no electronic or physical harm is caused to the Company's network.
 - c. Customers are not permitted to physically cut, improperly terminate, substantially alter or otherwise destroy the Company's owned premise equipment and wiring before the demarcation point.
 - d. Customer Premise Equipment and Wiring may be connected throughout the premise using coaxial, copper and fiber wiring or wireless technology.
 - e. To protect the premise equipment and wiring from electronic or physical harm, signal leakage and other types of degradation, the Company may require that any premise equipment and wiring (including connectors, splitters, and other equipment used) meets reasonable technical specifications, not to exceed the technical specifications of such equipment installed by the Company. However, if the customer's connection to, redirection of or rerouting of the premise equipment and wiring causes electronic or physical harm to the Company's network, the Company may impose additional technical specifications to eliminate such harm.
 - f. The Company's network is not represented as being adapted to the use of all customer premise equipment and wiring. The Company shall not be responsible for: (a) the through transmission of signals generated by the customer premise equipment or for the quality of or defects in, such transmission; the reception of signals by the customer premise equipment.
 - g. The Company shall not be responsible to the customer if changes in criteria in these Terms and Conditions or changes in any of the facilities, operations or procedures of the Company render any customer premise equipment and wiring obsolete, or requires modification of such equipment and wiring.
 - h. Customer premise equipment and wiring may be used with the facilities furnished by the Company for telephone, broadband, or cable television service, provided that such equipment will be connected, maintained and operated in a manner compatible with the Company's network.

RULES AND REGULATIONS

- i. It is the customer's obligation to ensure compliance with any applicable state or federal laws governing the installation and use of customer premise equipment and wiring.
- j. To protect the Company's network and services furnished to the public, the customer premise equipment and wiring must comply with all applicable network protection criteria including those requirements in the National Electrical Code (NEC) and FCC regulations.
- k. If the Company determines the customer premise equipment and wiring is causing or is likely to cause interference or hazard to the network, the Company will take such action as it deems necessary for the protection of the Company's network.
- l. After notification by the Company of such interference or hazard, the customer shall discontinue such use and disconnect such premise equipment and wiring. Failure of the customer to conform to this requirement may result in suspension of service.
- m. The customer may be charged as specified in Part 2.3, Trip Charges for visits to their premises when the service trouble is determined to be caused by the customer premise equipment and wiring.
- n. The Company shall not be responsible for any loss, damage, failure or impairment of service in connection with customer premise equipment and wiring. The Company's liability is limited to that provided in these General Terms and Conditions.
- o. The customer indemnifies and saves the Company harmless against claims for libel, slander, or infringement of patents arising from combining such customer premise equipment and wiring with the facilities of the Company.

RULES AND REGULATIONS

- p. Where the Company leases, licenses or otherwise provides equipment, such equipment is provided to customer for the term of service and solely for use in connection with lawfully receiving and using Service. All such equipment remains the property of the Company. When service is cancelled or disconnected, the customer must return any such equipment to the Company during regular business hours, Monday through Friday (except holidays). The equipment must be returned to the Company in the same condition as installed or received, except for normal wear and tear. All such equipment must be returned to the Company's business office or an alternative location designated by the Company at the time of cancellation or disconnection. If a customer is unable to travel to the Company's business office or other designated location to return the equipment, the customer may request pick-up. Provision of pick-up service is solely at the Company's option and the Company's refusal or failure to provide pick-up service will not excuse the customer's obligation to return equipment. If the Company agrees to provide pick-up service, pick-up will occur during the business week and only during regular business hours. There may be a fee for pick-up, which customer will be informed of when pick-up service is requested and which will be payable at time of pick-up. If a customer fails to return equipment at the time of cancellation or disconnection of Service, the customer may be liable to the Company for an equipment recovery fee as set forth in Part 3 of these Terms and Conditions.
- q. The customer is responsible for the maintenance and safekeeping of all equipment placed in or on the customer's premises. The Company has no responsibility for replacing equipment destroyed or damaged by the customer's misuse, abuse or neglect. In the event that any equipment provided by the Company is destroyed, damaged (ordinary wear and tear excepted), lost or stolen while in the customer's possession, the customer may be liable to the Company for an equipment recovery fee as set forth in Part 3 of these Terms and Conditions.

D. ESTABLISHMENT AND FURNISHING OF SERVICE

1. Application for Service

- a. Applications for service may be made orally or in writing. These applications become contracts upon the establishment of service. The Company may require a deposit in order to establish service. If a deposit is required by the Company, applicable non-recurring charges and service charges (if any) may also be required in advance. The terms and conditions specified for such contracts are subject to these Terms and Conditions as applicable to the service to be furnished. Any change in rates, rules or regulations shall act as a modification of the contract to that extent, without further notice.
- b. Minimum contract periods and termination of service are covered elsewhere in Part 2 of these Terms and Conditions.

RULES AND REGULATIONS

2. Alterations
 - a. The customer agrees to notify the Company promptly whenever alterations or new construction on premises owned or leased by the customer necessitate changes in the Company's facilities. The customer agrees to pay the Company's charges for such changes.
3. Payment for Service
 - a. The customer is required to pay all rates and charges for services and facilities.
4. Maintenance and Repairs
 - a. All expense of maintenance and repair of services or facilities provided by the Company will be borne by the Company. The customer will be held responsible for restoration or replacement costs in case of loss of, damage to, or destruction of any of the Company's facilities not due to normal use. Customers may not rearrange, disconnect, or remove or permit others to rearrange, disconnect, or remove any Company owned facility installed by the Company unless provided elsewhere in these Terms and Conditions.
5. Unusual Installation Costs
 - a. Where special requirements of the customer involve unusual construction or installation, the customer may be required to pay additional costs as provided elsewhere in these Terms and Conditions.

E. ESTABLISHMENT AND MAINTENANCE OF CREDIT

1. Establishment of Credit
 - a. The Company is not obligated to provide service to any individual or firm that owes for services previously rendered by the Company at the same or a different address, until arrangements have been made to liquidate such previous indebtedness to the Company. Applicants for service who are required to make a deposit may be required to pay in advance of installation, the service connection, installation and/or construction charges. In order to insure the payment of all charges due for its service, the Company may require any customer to establish and maintain his credit in one or more of the following ways:
 - 1) by authorizing a commercial credit check by the Company ¹
 - 2) by furnishing credit references acceptable to the Company.
 - 3) by means of a cash deposit.

¹ Companies who make use of commercial credit checks may incur reporting obligations under Red Flag Privacy reporting rules.

RULES AND REGULATIONS

2. Amount of Deposits

- a. The amount of deposit required shall not be more than the maximum charge or three months service or as may be required by the Company in cases involving service for short periods or special occasions. The Company may require the customer to increase the amount of the deposit at any time, if the charges billed against the customer are found to warrant such an increase. Qualified low income applicants may apply for Lifeline Assistance.
- b. The Company will maintain records which show the name and address of each depositor, the amount and date of the deposit and each transaction concerning the deposit. Unclaimed deposits shall be disposed of in accordance with law.
- c. A receipt of deposit will be furnished to each customer from whom a deposit is received. Upon customer request, duplicate receipts will be provided to customers who have lost their receipt if the deposit is substantiated by the Company records.

3. Deposits and Collection Practices

- a. The fact that a deposit has been made in no way relieves the applicant or customer from complying with the Company's regulations as to advance payments and the prompt payment of bills; nor constitutes a waiver or modification of the regular practices of the Company providing for the discontinuance of service for non-payment of sums due the Company for services rendered. The Company may discontinue service to any customer failing to pay current bills regardless of the fact that such customer has made a deposit with the Company to secure payment of such bills, or has furnished the Company with a guarantee in writing for such bills.

4. Discontinuance of Service for Failure to Establish Credit

- a. Service may be discontinued for failure to establish or maintain credit, as set forth in E.4 above, five days after the Company has mailed notice requiring the customer to do so.

5. Service Charge for Reconnection

- a. Where service has been discontinued for failure to establish or maintain credit, as set forth in F.1. above, the applicable service charges as listed in Part 3 shall apply.

6. Deposit Refunds

- a. The deposit shall be refunded or credited to the customer after not more than 12 consecutive months of prompt payment, unless the Company has documented information which indicates the deposit is necessary to insure payment.
- b. Interest on deposits, will accrue at the level determined by the Company and as listed in Part 3.

RULES AND REGULATIONS

7. Criteria for Procurement of Deposits

- a. False credit information
- b. Unsatisfactory credit history
- c. Requests for special construction or equipment

F. APPLICATION OF BUSINESS AND RESIDENCE RATES

1. Business rates apply at the following locations:

- a. In offices, stores, factories, mines, and all other places of a strictly business nature.
- b. In boarding houses, except as noted under G.2. below, offices of hotels, halls and offices of apartment buildings; quarters occupied by clubs or lodges; public, private or parochial schools or colleges, hospitals, libraries, churches and other similar institutions.
- c. At residence locations when the customer has no regular business access line service and the use of the service either by himself, members of his household, or his guests, or parties calling him can be considered as more of a business than of a residence nature. This may be indicated by advertising either by business cards, newspapers, handbooks, billboards, circulars, motion picture screens, or other advertising media, such as on vehicles, etc.
- d. In any location where the listing of service at that location indicates a business, trade or profession, except as specified under G.2. below.

2. Residence rates apply at the following locations:

- a. In a private residence where business listings are not provided.
- b. In private apartments of hotels, rooming house, or boarding houses where service is confined to the customer's use.
- c. In college fraternity or sorority houses where individual access line service is provided.

G. INSTALLATION AND SERVICE CHARGES

1. General

- a. Service charges for Telephone, Broadband and Cable Television services apply to connect, move or change each individual service and facilities according to the components of work required.
- b. The Company may allow service charges for bundled services that are lower than the sum of the individual service charges for each respective service.

RULES AND REGULATIONS

2. Types of Charges

a. Service Order Charge – (Telephone Service Only)

- 1) Per customer request for work ordered and requested to be completed at the same time
- 2) For residence service
- 3) For business service

b. Central Office Access Line Charge – (Telephone Service Only)

- 1) Per Central Office Access Line or telephone number worked on including, but not limited to the following:
 1. Residential Lines, each
 2. Business Lines, each
 3. Off-premises mileage and tie lines involving central office work, each

c. Trip Charge

- 1) One charge for all work ordered and completed at the same time on the same visit.

d. Labor Charge

- 1) Per employee per hour for all work ordered and requested to be completed.

3. Conditions

a. Service Charges are in addition to the other applicable rates and charges located in other parts of these Terms & Conditions.

b. Service Charges apply in addition to, but not in lieu of, mileage rates or those charges covered under Construction Charges on Page 1-17.

c. Service Charges do apply for:

- 1) Establishing service at the customer's request.
- 2) Move of service from one premise to another at the customer's request.
- 3) Account name changes at the customer's request.
- 4) Changes of service type, features etc. at the customer's request.
- 5) Rearrangement or relocation of facilities at the customer's request.
- 6) Reconnecting a service after disconnection for non-payment.

d. Service Charges do not apply:

- 1) When any change is made and initiated by the Company.
- 2) When services are reestablished at a secondary location immediately following the rendering of the customer's primary location as unfit for occupancy, due to fire, flood, etc.

RULES AND REGULATIONS

H. SERVICE CHECK – CUSTOMER PREMISE EQUIPMENT AND INSIDE WIRING REPAIR CHARGES

1. General

- a. A service check will be performed when a customer requests the Company to perform a check of its facilities up to the demarcation point.
- b. Where feasible, Customers will also be encouraged to unplug Customer Premise Equipment or disconnect all inside wiring at the demarcation point so as to self-diagnose where their wiring or equipment may be causing an out of service condition.
- c. A Wire Maintenance Plan is available to residential customers. A set monthly fee may cover maintenance of approved Customer Premise Equipment and Wiring.

2. Conditions

- a. No charges will be assessed when a service check is performed and:
 - 1) The Company determines the trouble exists on the Companies side of the demarcation point.
 - 2) The Company identifies or repairs any trouble on the customer's side of the demarcation point and the customer does purchase a wire maintenance plan.
- b. Charges will be assessed when a service check is performed and:
 - 1) The customer requests the Company identify or repair any trouble on the customer's side of the demarcation point and the customer does not purchase a wire maintenance plan.

I. CONSTRUCTION CHARGES

1. General Conditions

- a. The Company may assess construction charges for the installation of facilities beyond the existing Company facilities.
- b. The Company may assess construction charges to the appropriate party which may include, but is not limited to, the service applicant, individual owner or land developer.

RULES AND REGULATIONS

- c. Construction charges may include all costs associated with the installation of facilities, including but not limited to, engineering, labor, legal, material, right-of-way and contractor costs.²
 - d. Full payment of construction charges is required prior to the commencement of the work.
 - e. The party paying the construction charges does not obtain any rights of ownership or any other rights pertaining to facilities installed by the Company. All facilities installed by the Company shall be under its exclusive control.
2. Types of Network Additions governed by Construction charges may include
 - a. Line Extensions
 - b. Temporary or Speculative additions
 - c. Special Type or Request
 - d. Real Estate Developments and Subdivisions
 - e. Multi-Dwelling Units or Apartment Complexes

J. MINIMUM CONTRACT PERIODS

1. Minimum Contract Period
 - a. Except as specified elsewhere in these Terms and Conditions, the minimum contract period is one month from the date service or additions to service are established and the minimum charge is the authorized rate for one month. For purposes of rate administration each month is considered to have 30 days.
 - b. The Company may require a contract period longer than one month at the same location for unusual construction necessary to meet special demands, and involving extra costs (see Special Type Construction).

K. DISCONNECTION OR REFUSAL OF SERVICE

1. By the Company Without Notice
 - a. The Company may disconnect or refuse service without notice:
 - 1) in the event of a condition on the customer's premises determined by the Company to be hazardous.

² In the case of Companies' with Rural Utilities Service (RUS) financing, loan covenants may limit Company's ability to charge or the amount of construction charges that may be assessed.

RULES AND REGULATIONS

- 2) in the event of customer's use in such a manner as to adversely affect the Company's facilities or the Company's service to others, such as:
 - a) connection of Customer Premise Equipment which causes or is likely to cause interference or hazard to the network.
 - b) Impersonation of another with fraudulent intent.
 - 3) in the event of tampering with facilities furnished and owned by the Company.
 - 4) in the event of unauthorized use.
2. By the Company After Prior Written Notice
- a. In addition to the reasons set forth in subparagraph 1a. above, the Company may disconnect or refuse service after providing at least five days for any of the following reasons:
 - 1) failure of a customer to make suitable deposit as required by these rules.
 - 2) use of service in an unlawful or abusive manner, including to illegally threaten or harass other persons or in violation of any federal, state, or local law applicable to use of service.
 - 3) the customer's bill for services remains unpaid after the last date for timely payment.
 - 4) for failure of the customer or prospective customer to furnish permits or certificates of right-of-way specified as conditions for obtaining service, or the termination of those permissions or rights, or for the failure of the customer or prospective customer to fulfill the contractual obligations imposed upon them as conditions of obtaining service by a contract.
 - 5) for failure of the customer to permit the Company reasonable access to its facilities.
 - 6) any other violation of the Service Publications, the requirements of municipal ordinances or law pertaining for the service.
 - b. Despite the prior written notice provisions as contained in these rules, disconnection may take place prior to the expiration of the notice period if the Company determines, from verifiable data, that usage during the notice period is so abnormally high that a risk of irrevocable revenue loss is created.
 - c. Only one written notice will be provided to the customer if multiple violations occur.

RULES AND REGULATIONS

- d. The notice of pending disconnection required by these rules shall be a written notice setting forth all reasons for the notice, and the final date by which the account is to be settled or specific action taken. The notice shall be considered rendered to the customer when deposited in the U.S. mail with postage prepaid. If delivery is by other than U.S. mail, the notice shall be considered rendered when delivered to the last known address of the person responsible for payment for the service. The final date shall be not less than five days after the notice is rendered, or in the case of deposits twelve days. The notice will include a toll-free or collect number where a customer can obtain additional information.
 - e. Where written notice is required, the Company will not disconnect service on a weekend or holiday unless the Company is prepared to reconnect the service the same day.
3. Disputes
- In the event of a dispute concerning a bill, the Company may require the customer to pay a sum of money equal to the amount of the undisputed portion of the bill. Following payment of the undisputed amount, efforts to resolve the complaint, shall be made using the procedures listed following.
- a. Within 15 days of the bill date of a disputed bill, the Company must receive from the customer an itemized statement in writing which identifies the disputed charges and reasonably explains the basis of the dispute. Failure to comply with this requirement shall mean the bill is deemed correct and all amounts are due to the Company.
 - b. The Company shall review the customer's statement of disputed charges, and shall issue a written initial determination within 15 days after receipt to set forth the Company's proposed resolution of the dispute charges.
 - c. If the customer is not satisfied with the Company's proposed resolution, the customer must advise the Company in writing within 15 days after receipt of the Company's initial determination, of the specific reasons for the dissatisfaction and provide any additional information the customer deems pertinent or relevant to the dispute.
 - d. Within 15 days after the Company's receipt of additional information, the Company shall make its final determination and resolution of the disputed charges based upon all documentation or information available to the Company.

RULES AND REGULATIONS

- e. If the customer continues to withhold payment of any disputed amounts, determined to be owed to the Company, the customer's account shall be deemed to be past due, and subject to termination.

In the event that the Company and a Customer are unable to resolve a dispute, either party may refer the matter to ³

any court with suitable jurisdiction, or

Binding Arbitration

In the event the dispute is related to Telephone services, dispute resolution may continue for not less than forty-five days after the rendering of the disputed bill, during which the service shall not be disconnected for non-payment for the disputed amount in accordance with 199 IAC 22.4(5)h(3).

4. Emergency Medical Conditions

Disconnection of a telephone service to a residential customer shall be postponed 30 days if an existing medical emergency of the customer, a member of the customer's family, or any permanent resident of the premises where service is rendered would present an especial danger to the health of any permanent resident of the premises in accordance with 199IAC 22.4(6)

5. At Customer's Request

- a. Contracts for service may be terminated prior to the expiration of the contract period provided advance notice is given to the Company and upon agreement to pay all charges due for the service furnished, plus any termination charges which are applicable.
- b. Where a contract for service with a one-month minimum period is canceled before establishment of the service is completed, a charge not to exceed the service charge specified, is applied if all or a portion of the facilities have been installed.
- c. No minimum or termination charge will apply (unless otherwise stated specifically in these Terms and Conditions) where a new customer takes over the service of the former customer, provided the service is to be furnished at the same location without interruption and that the new customer assumes all unpaid charges on the original contract. Minimum and termination charges will apply for any service furnished under the original contract which is not retained by the new customer.
- d. No minimum or termination charge will apply in the event the service is terminated because of condemnation, destruction, or damage to property by fire or other cause, beyond the control of the customer.

2.2 OPTIONAL CALLING SERVICES

Optional Telephone Service types are shown in paragraph B. below. The rates and charges for these services contained herein are in addition to all other applicable rates and charges located in other parts of these Terms and Conditions.

1. HUNTING SERVICE

A. General

Hunting Service is an optional arrangement available to customers with two or more business or residence line services at the same location. Where facilities permit, lines are arranged so that incoming calls to a busy line overflow to another line in the hunting arrangement.

- Hunting starts with the called line and tests for busy on each line in a prearranged group until either an idle line is found or the end of the group is reached.
- Circular Hunting starts with the called line and tests for busy on each line in a prearranged group of lines. When the end of the group is reached, circular hunting continues to the first line of the hunt group and hunts until the line just preceding the dialed number is hunted.

B. Conditions

- a. The rates for hunting services are in addition to the rates for basic business and residential, exchange access lines.
- b. Hunting is not offered between grades or classes of service, e.g., business to residence, business to key system or PBX.

EFFECTIVE: January 1, 2020

Terms and Conditions

2. DIRECT INWARD DIALING SERVICE (DID)

1. General

Direct-Inward-Dialing (DID) is a special trunking arrangement which permits incoming calls from the exchange network to reach a specific PBX station without attendant assistance.

2. Conditions

The Company will assign line numbers for direct inward dialing in blocks of numbers. When additional numbers are required, they will be made available as soon as the Company has equipment available for this purpose. The Company does not guarantee that line numbers will be made available in all cases.

3. RATES

Rates for Hunting and DID services are in addition to the rates for PBX Trunk, or High Capacity Services and are as listed in Part 3.

4. CUSTOM CALLING SERVICES

a. GENERAL. Custom Calling Services are optional telephone service arrangements which may be provided only from central offices equipped to provide one or more custom calling features. The rates and charges contained herein are in addition to all other applicable rates and charges located in other parts of these Terms and Conditions.

b. CUSTOM CALLING SERVICE DESCRIPTIONS

1. 900 RESTRICTION - Subscriber control access to 900 numbers from their phones by entering a four-digit PIN number. The 900 Restriction feature enables subscribers to establish, using the telephone keypad, a list of 900 exchange codes to be denied or permitted access from their phones. The 900 Restriction feature may also be used to deny or permit access to all 900 numbers. The four-digit PIN number is entered by the subscriber.
2. ANONYMOUS CALLER REJECTION - allows subscribers to reject calls for which calling name or calling number delivery information has been intentionally blocked. Users do not need to be subscribers of Calling Name or Calling Number Delivery.
3. AUTOMATIC CALL BACK - An outgoing call management feature which will enable the subscriber to dial a special code to re-dial the last number dialed from his/her station. This will apply regardless of whether the original call was answered, unanswered, or encountered a busy tone. The system will monitor the calling and called lines and will attempt to connect the call for up to 30 minutes. The activation of this feature can be canceled by the subscriber when desired.

Terms and Conditions

4. AUTOMATIC RECALL - an incoming call management feature that enables a subscriber to have call set-up performed automatically to the calling party of the last incoming call. This applies whether the incoming call was answered or unanswered. If the directory number of the last incoming call is not marked "private", the subscriber hears a voice announcement of the directory number, and is given the opportunity to re-call that number. If the directory number of the last incoming call is marked "private", it will not be voiced back.
5. CALL WAITING - provides for signaling a customer, who is talking on the line, that another call has been placed to the line. The customer may, by switch hook operation, hold the first call, answer the second, return to the first or converse alternately with both. Call Waiting Deactivation is available without additional charge and gives customers the ability to turn Call Waiting off on a per call basis.
6. CALL FORWARD - Permits a customer to transfer all incoming calls to another dialable telephone number. The customer pre-selects a second telephone number to which he wants all incoming calls to be automatically transferred. Calls may be transferred to a long distance message telecommunications point subject to the availability of the necessary facilities in the central office from which the calls are to be transferred. Call Forwarding shall not be used to extend calls on a planned and continuing basis to intentionally avoid the payment in whole or in part, of message toll charges that would regularly be applicable between the station originating the call and the station to which the call is transferred. Customers utilizing Call Forwarding service are responsible for the payment of the charges for each toll call between the telephones to which the call was transferred.
7. CALL FORWARD BUSY - This feature provides forwarding capability to incoming calls that encounter a busy signal. The forwarded-to DN is programmed by the subscriber by dialing an access code followed by the number.
8. CALL FORWARD NO ANSWER - this feature provides forwarding capability to incoming calls that encounter a no-answer state. The forwarded-to DN is programmed by the subscriber by dialing an access code followed by the number. In addition, the subscriber programs that number of rings before transfer to designate a no-answer state.
9. CALL FORWARD REMOTE ACCESS - allows subscribers to activate or deactivate the Call Forward option on their telephone from a local or toll remote station. This is accomplished by dialing a dedicated base DN, your own seven-digit DN, followed by a Personal Identification Number, and the activation/deactivation codes.

Terms and Conditions

10. CALL TRANSFER - can transfer a call to another number or add a third person to a call. When the originating caller hangs up, the other two people can continue their conversation.
11. CALLING NUMBER DELIVERY - allows for the automatic delivery of a calling party's telephone number (including non-published and non-listed telephone numbers) to the called customer, which gives the called customer an opportunity to decide whether to answer the call immediately or not. The number is displayed on customer provided equipment.
12. CALLING NAME & NUMBER DELIVERY - allows for the automatic delivery of a calling party's name and telephone number to the called customer, which gives the called customer an opportunity to decide whether to answer the call immediately or not. The name and number is displayed on customer provided equipment.
13. The name displayed shall be the name associated with the calling telephone number as shown on the Company's records. The Company, in its discretion, may abbreviate or limit that name for display purposes. The Company does not assure name accuracy, and it shall not be liable to any party for errors, omissions or mistakes. The Company's sole and only obligation shall be to reasonably correct errors in names when notified in writing of such errors.
14. CALLING NAME & NUMBER DELIVERY BLOCKING - PER LINE - provides a permanent private indicator on a customer's line. Once blocking is established on the customer's line, the private status cannot be deactivated by the customer. Rates and charges are provided herein. Federal, State and Local Law Enforcement Agencies, nonprofit domestic violence/sexual assault agencies and their staffs, and victims of domestic/sexual assault or individuals who express a personal safety need and sign a personal safety exemption form may be provided additional arrangements for private status and/or line blocking, on a line-by-line basis, at no charge.
15. The certification form identifies the customer who is to receive Per Line Blocking at no charge and acknowledges that if a line is equipped with Per Line Blocking, that the telephone number and name will not be delivered to subscribers of Caller ID, including poison control centers, hospitals, medical centers and others who might use Caller ID to provide assistance. 911 is not affected. And, some subscribers of Caller ID Service may choose not to answer blocked calls.
16. The customer acknowledges the understanding of the above. Further, the customer releases the Company from all claims and liability, including personal injury caused by its errors, omissions and operation or malfunction of Per Line Blocking service.

EFFECTIVE: January 1, 2020

Terms and Conditions

17. CUSTOMER ORIGINATED TRACE - allows the subscriber to initiate a trace on the last incoming call by dialing an activation code. The call is traced automatically, and the originating directory number and the time the call was made are forwarded to the telephone company. The subscriber must contact the telephone company to have the information released to the appropriate law enforcement agency.
18. DISTINCTIVE RINGING/CALL WAITING - an incoming management feature that allows the subscriber to define a list of calling directory numbers that provides the subscriber with special incoming call treatment. Any incoming calls on this list are indicated by a distinctive ringing pattern or a distinctive Call Waiting tone, if applicable. Terminating calls from directory numbers which are not on the list, or which cannot be identified, are given standard treatment.
19. ONE-PLUS PER CALL RESTRICTION - allows subscribers to control one-plus dialing from their phones by using a four-digit PIN. The PIN must be dialed before all one-plus calls. The subscriber will receive a second dial tone after a valid PIN is entered. The subscriber will be routed to an announcement when a one-plus call is attempted without the correct PIN. One-Plus Per-Call Restriction is not permitted on lines with Super Speed Calling assigned.
20. ONE-PLUS BULK RESTRICTION - allows the subscriber to turn all One-Plus dialing on or off from the station by dialing an activation/de-activation code.
21. SPEED CALLING (8 NUMBERS) - enables a customer to place calls to other telephone numbers by dialing a one or two digit code rather than the complete telephone number. 8 numbers may be coded.
22. SPEED CALLING (30 NUMBERS) - enables a customer to place calls to other telephone numbers by dialing a one or two digit code rather than the complete telephone number. 30 numbers may be coded.
23. TEEN SERVICE - allows the subscriber to have a second directory number on the same line. Calls to the second number are indicated by a distinctive ring.
24. THREE-WAY CALLING - allows a customer to add a third person to the call. By pressing the switchhook, the first person is placed on hold, giving another dial tone. Another person can then be called, and by pressing the switchhook again, the three-way conversation is completed. To end the call, simply hang up.
25. TELEMARKETING CALL SCREENING - Provides the customer with the ability to screen private and unidentified calls that are placed to their number. A customer who subscribes to *Telemarketing Call Screening* must also subscribe to Caller Identification – Name and Number.

Terms and Conditions

c. CONDITIONS

1. Call Forwarding Services shall not be used to extend calls on a planned and continuing basis to intentionally avoid the payment in whole or in part, of message toll charges that would regularly be applicable between the station originating the call and the station to which the call is transferred. Customers utilizing call forwarding services are responsible for the payment of charges for each toll call to the telephone to which the call is transferred.
2. Control of the number assignment on the shared speed call list associated with Group Intercom resides with the provider. The provider must have an access line in the same central office as their client for the purpose of controlling the speed call list. The access line will be restricted from dialing any toll calls billable to the end user.
3. Custom Calling Services will be provided in connection with individual line residence and business service. Custom Calling Services may not be available to PBX customers.

Terms and Conditions

C. ENHANCED UNIVERSAL EMERGENCY NUMBER SERVICE (E911)

1. GENERAL

a. E911 Service– 911 Service (“911”) is a three-digit local dialing arrangement available in specified areas to facilitate the reporting of an emergency requiring response by a public safety agency. . E911 services provided to the County may include capabilities such as call routing to dedicated trunks, maintenance of an Automatic Location Information (ALI) database, and Automatic Number Identification (ANI) delivery to a Public Safety Answering Point (PSAP) to provide for determination of the location of the caller.

2. RATES AND SURCHARGES

The rates and charges for providing E911 call routing, trunks, and ALI database updates will be determined on an individual case basis. Additional charges may also be applied for individual features requested by the customer including, but are not limited to, central office modifications, data base preparation, trunking and maintenance.

Surcharges to customers of local exchange service are currently authorized in IAC Chapter 34A, to be assessed and collected by the Company.

3. CONDITIONS

- a. The Telephone Company does not undertake to answer and forward E911 calls, but furnishes the use of its facilities to enable the customer’s personnel to respond to such calls on the customers` premises.
- b. The E911 calling party forfeits the privacy afforded by non-listed and non-published service to the extent that the telephone number, address, and name associated with the originating station location are furnished to the PSAP. The names, addresses, and telephone numbers of telephone customers whose listings are not published in directories or listed in Directory Assistance Offices is confidential. Information will be provided on a call-by-call basis only for the purpose of responding to emergency calls.
- c. The Telephone Company’s entire liability to any person for interruption or failures of E911 Service shall be limited to the terms set forth in this section and other sections of these Terms and Conditions.

EFFECTIVE: January 1, 2020

TERMS AND CONDITIONS

- d. The Telephone Company's liability for any loss or damage arising from errors, interruptions, defects, failures, or malfunctions of this service or any part thereof whether caused by the negligence of the Telephone Company or otherwise shall not exceed an amount equivalent to the pro rata charges for the service affected during the period of time that the service was fully or partially inoperative.
- e. Each customer also agrees to release, indemnify and hold harmless the Telephone Company from any and all loss, claims, demands, suits, or other action, or any liability whatsoever, whether suffered, made instituted or asserted by the customer or by any other party or person, for any personal injury to or death of any person or persons, or for any loss, damage, or destruction of any property, whether owned by the customer or others.
- f. The customer also agrees to release, indemnify, and hold harmless the Telephone Company for any infringement or invasion of the right of privacy of any person or persons, caused or claimed to have been caused, directly or indirectly by the installation, operation, failure to operate, maintenance, removal, presence, condition, occasion or use of E911 service features and the equipment associated therewith, or by any services furnished by the Telephone Company in connection therewith, including, but not limited to, the identification of the telephone number, address, or name associated with the telephone used by the party or parties accessing E911 service hereunder, and which arise out of the negligence or other wrongful act of the Telephone Company, the customer, its user, agencies, or municipalities, or the employees or agents of any one of them.

D. OTHER N11 – SERVICE OFFERINGS

- b. 311 Service– 311 Service (“311”) is a three-digit local dialing arrangement available in specified areas for the delivery of non-emergency local government services via voice grade facilities. Pursuant to Order 00-256, issued by the Federal Communications Commission (FCC) in CC Docket 92-105, the 311 code is assigned for non-emergency local government services.
- c. 511 Service - 511 Service (“511”) is a three-digit local dialing arrangement available in specified areas for the delivery of travel information services via voice grade facilities. Pursuant to Order 00-256, issued by the Federal Communications Commission (FCC) in CC Docket 92-105, the 511 code is assigned for access to travel information services.

TERMS AND CONDITIONS

- d. 711 Service– 711 Service (“711”) is a three-digit local dialing arrangement for telephone transmission access to all Telecommunications Relay Service (TRS) entities as a toll free call. Pursuant to Order 00-256, issued by the Federal Communications Commission (FCC) in CC Docket 92-105, the 711 code is assigned for nationwide access to TRS entities.
- e. 811 Service– 811 Service (“811”) is a three-digit local dialing arrangement available in specified areas used for access to One Call systems via voice grade facilities. Pursuant to Order 05-59, issued by the Federal Communications Commission (FCC) in CC Docket 92-105, the 811 code is established as the national abbreviated dialing code to be used by state One Call notification systems in order to provide the means for excavators and the general public to notify underground facility operators in advance of their intent to engage in excavation activities in compliance with the Pipeline Safety Improvement Act of 2002 (the Pipeline Safety Act).

2. TERMS AND CONDITIONS

- a. N11 Service is available in Company territory only. To provide N11 access to end users in another company’s territory, or to a Competitive Local Exchange Carrier’s (CLEC) end user, the N11 subscriber must make appropriate arrangements with the Company or CLEC serving that territory.
- b. This service is provided subject to the availability of the N11 code.
- c. N11 can be delivered via regular exchange access lines (by individual business line, PBX trunks, etc.).
- d. Access to N11 is not available to the following classes of service:
 - 1+,
 - 0+, 0-(credit card, third-party, collect calls),
 - 101XXXX.

In addition, operator assisted calls to the N11 subscriber will not be completed.

- e. The N11 subscriber is restricted from selling or transferring the N11 code to an unaffiliated entity, either directly or indirectly.
- f. N11 will not provide calling number information in real time to the N11 subscriber. If the N11 subscriber needs this type of information, the N11 subscriber must subscribe to a compatible Caller Identification Service.
- g. Calls to the N11 code that translate to a disconnected number will be routed to intercept of the announcement facilities for a maximum of 60 days, when the N11 provider is a Company subscriber. The announcement provided may refer the caller to another telephone number. Callers placing calls to N11 from areas where N11 Service is not provided will be advised that the service is not available from their number.

EFFECTIVE: January 1, 2020

TERMS AND CONDITIONS

- h. Disputes regarding geographic coverage by two or more N11 subscribers will be referred to the Iowa Utilities Board.
- i. The Company will provision the subscriber's order within a reasonable time, given the complexity of the order. The N11 subscriber will be billed the nonrecurring charge (if applicable) when the Company provisions the service.

If during this period, the N11 subscriber has failed to establish service or decides to discontinue service establishment, the N11 code will be recalled and the code will be considered available for reassignment. If the network has been provisioned for the subscriber, the nonrecurring charges if applicable will not be refunded or waived.

- j. Only a single seven or ten-digit local number or a single ten-digit toll free number may be used as the point-to number.
- k. N11 Service is provided where facilities permit.
- l. The N11 subscriber should work separately with cellular or wireless companies to ascertain whether cellular or wireless customers will be able to reach community information and referral services, non-emergency local government services, travel information services, telephone transmission access to all Telecommunications Relay Service (TRS) entities as a toll free call, or access to One Call systems provided by dialing N11.
- m. N11 will be provided under the following conditions:
 - 1. The subscriber will subscribe to adequate telephone facilities, both initially and subsequently as required in the judgment of the Company, to handle calls to N11 without impairing the Company's general telephone service or telephone plant.
 - 2. The N11 subscriber is responsible for obtaining all necessary permissions, licenses, written consents, waivers and releases, and all other rights from all persons whose work, statements or performances are used in connection with the service, and from all holders of copy rights, trademarks, and patents used in connection with the service.
 - 3. The N11 subscriber shall be liable for, and shall indemnify, protect, defend and save harmless the Company against all suits, actions, claims, demands and judgments, and of all costs, expenses and counsel fees incurred on account thereof, arising out of and resulting directly or indirectly from the service or in connection therewith, including but not limited to, any loss, damage, expense or liability resulting from any infringement or claim of infringement, or any patent, trademark, copy right, or resulting from any claim of liable and slander.

TERMS AND CONDITIONS

4. Suspension of N11 Services is not allowed.
 5. The N11 subscriber will respond promptly to any and all complaints lodged with any regulatory authority against any service provided via N11. At the Company's request, the N11 subscriber will assist in responding to complaints made to the Company concerning the subscriber's N11 service.
 6. The Company will provide both oral and written notification when a N11 subscriber's service unreasonably interferes with or impairs other services rendered to the public by the Company or by other subscribers of N11. The Company reserves the right once notification is made to institute protective measure up to and including termination at any time and without further notice. The Company may take protective measure when the N11 subscriber makes no modification or is unwilling to accept modification in method of operation, or continues to cause service impairments.
- n. The following conditions apply if the N11 subscriber provides a pre-recorded announcement:
1. The N11 subscriber will provide announcements. The Company will provide only delivery of the call.
 2. The Company's provision of access to the N11 network for transmission of announcements or recorded program services is subject to the availability of such facilities and the requirements of the local exchange network.
 3. The N11 subscriber assumes all financial responsibility for all costs involved in providing announcement or recorded program services including but not limited to, the recorder-announcement equipment producing the recording, advertising and promotional expenses.
 4. The N11 subscriber assumes all financial responsibility, according to other specific rates and charges under catalog, for all facilities required to connect the recorder-announcement equipment located on the subscriber's premises.
- o. The Company may take all legal and practical steps to disassociate it from N11 subscribers whose business and/or public conduct (whether demonstrated or proposed) generate unacceptable levels of complaints by end users.
- p. The Company is not liable for any losses or damages of any kind resulting from the unavailability of its equipment, facilities or for any act, omission, or failure of performance by the Company, its employees or agents, in connection with these Terms and Conditions. The Company will not be responsible for calls that cannot be completed as a result of repair or maintenance difficulties on Company facilities and equipment or on equipment owned or leased by the subscriber.
- q. Calls placed to the N11 code will be routed to the point-to number based upon the central office switch and/or the Number Plan Area (NPA) of the calling party.

EFFECTIVE: January 1, 2020

TERMS AND CONDITIONS

3. RATES AND CHARGES

- a. A Service Establishment charge will apply per point-to number.
- b. N11 subscribers will pay the applicable charges contained in the Company's schedule for the local exchange arrangements used for transporting and terminating messages at the N11 subscriber's designated premises.
- c. A Central Office Switch Activation charge will apply per central office translated to the point-to number and to change the point-to number.
- d. Charges applicable to N11 Service are as listed in Part 3:

E. LIFELINE ASSISTANCE

1. The Federal Lifeline Assistance Program is a plan which assists qualified low-income applicants with discount credits toward their monthly service rate. Lifeline provides for a federally-funded discount credit to a low-income residential customer's telephone, mobile or broadband service charges. Monthly Lifeline discounts provided in connection with the Company's local telephone service will first be applied against the subscriber's Federal End User Common Line Charge. Any remaining Lifeline discount amount will then be applied against charges for the subscriber's local phone service. Qualified applicants shall receive a credit in the federal support amount defined in 47 CFR 54.403.

2. Eligibility Requirements

To be eligible for assistance, an applicant must provide documentation showing the applicant (1) meets income-based criterion currently defined as at or below 135 percent of the Federal Poverty Guidelines, OR (2) participates in at least one of the following programs as defined by 47 CFR 54.409:

- a. Medicaid/Medical Assistance
- b. Supplemental Nutrition Assistance Program (SNAP)
- c. Supplemental Security Income (SSI)
- d. Federal Public Housing Assistance (FPHA)
- e. Veterans Pension Benefit and Survivors Pension

The Lifeline customer is responsible for notifying the Company within 30 days if the customer ceases to participate in any of the public assistance programs listed above.

A Lifeline customer may only receive assistance for one service per household.

3. Application for Assistance

An applicant shall request telephone assistance through completion of a certification form provided by the Company as governed by 47 CFR 54.410.

EFFECTIVE: January 1, 2020

TERMS AND CONDITIONS

4. Rates

- a. The Lifeline customer will receive a monthly credit toward the customer's service rate as is identified in 47 CFR 54.403.
- b. If applicable, Toll blocking shall be included with this service offering without charge. No service deposit would be required if applicant voluntarily elects toll blocking with the initiation of Lifeline Service.

F. LONG DISTANCE SERVICE

1. Message Toll Services

- a. The Company provides Message Toll Services through access to facilities, services and equipment over which telephone customers may transmit voice, data and other communications of their own choosing to intrastate, and interstate destinations.
 - b. Service is only available to customers of Company Local Telephone service.
2. Additional Terms, Conditions and rates for Toll Services are as listed in the Long Distance Terms and Conditions as posted on the Company's website which shall prevail in the event of any conflicts with this document.
