Electronic Check Conversion

When you pay your bill by check, you authorize us to either use the information from your check to make a one-time electronic funds transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from the bank. You agree to pay a fee of up to \$30 if your check is returned unpaid. Returned checks may be represented electronically.

Single Payment Agreement (for kiosk payment)

I authorize AT&T to pay my bill by debiting my bank account. If my bank rejects a payment, I may be charged a return fee up to \$30.

2 AutoPay Enrollment:

If I enroll in AutoPay, I authorize AT&T to pay my bill monthly by electronically deducting money from my bank account. I can cancel authorization by notifying AT&T at att.com/MyWireless, 1-800-331-0500, or 611 from my cell-phone. If my bank rejects a payment, I agree to pay a return fee of up to \$30.

1. Federal Universal Service Charge (FUSF) - Congress requires all retail providers of telecommunications services providing interstate service to contribute to the Federal Universal Service Fund, which helps make phone service affordable and available to all Americans. Carriers are permitted by the FCC to charge a monthly customer fee to cover their contribution costs.

2. Government Fees and Taxes - State and Local taxes and fees on your bill, including taxes on local, long distance, wireless, and Internet services.

3. 911 Surcharge - Under state law, a county may adopt a plan for emergency 911 services on a county-wide basis and impose a monthly charge through the telephone bill. The county government must approve changes with this charge.

4. Total Amount Due - Total of your current charges plus any remaining previous balance.
