

🌲 Message From The G.M. 🌲

As we move into the summer at Heritage Pines the residents will see the renovation of our clubhouse begin. We will enlarge the Restaurant and Bar, and in September we will renovate the pool and the outside decks. New furniture, carpets and wall coverings will be installed. A "Tommy Bahama" resort style has been selected for the interior and exterior renovation. We will carry this theme forward with the renovation of the pool and outside decks. Color boards and renderings will be in the lobby to illustrate the improvements. The exterior will be started in January 2011 with new windows, doors, roof, siding and a covered roof in the back where the trellis will be replaced. This is being paid for mostly from our Reserve, with the expansion being paid for with our money we have saved in the 2010 operating budget.

Our amenity analysis consultant will be interviewing focus groups on July 23rd, 2010. These groups will be comprised of 10 residents each. In preparation for these interviews, we would like to give all the members of Heritage Pines, both permanent and seasonal, an opportunity to present via email to kim.norton@heritagepines.net, concerns, recommendations, comments (positive or negative), suggestions, etc regarding any or all of our amenities. We will provide all of the inputs we receive to the representatives to assist them in the formulation of their recommendations. We request that you also submit the length of time that you have lived in Heritage Pines and if you would be available to participate in a focus group. Please specify the group(s) you would like to participate in. They include:

1. Pay as you go golfers
2. Prepaid golfers (annual, seasonal, and nine-hole members)
3. Food & Beverage
- 4) Residents who do not use any of the amenities
- 5) Clubhouse and other activities (pool, tennis, fitness)

We are looking forward to our residents in Heritage Pines participating in our strategic management process. As always, if I can be of assistance, please do not hesitate to call.

Bill Berthold, CHA, CCM, CAM

Notes From

The Architectural Review Committee

If by chance you don't have a copy of the Heritage Pines Architectural Review Policy Manual, pick up a copy at the front desk. The manual will help guide you in making decisions about changes to the exterior of your home and plantings in your yard.

When submitting an Architectural Change Request form, please give as much information as possible. Such as measurements, color, materials to be used, and samples if applicable. Most of the time when a request is rejected, it's because we don't have enough information.

When putting in a new planting or replacing a plant, the committee needs to know that the new plants are Florida Friendly. Please remember that a planting must be five (5) feet inside your property line.

Now about the nameplate that is on the lamppost. It is very important that there is a nameplate on each and every house in the development. Not only does it help friends and neighbors find your house, but also helps emergency people locate it. If you rent your property, it is recommended that the house number be on the nameplate. If you are a new resident and there isn't a name plate on the lamppost, contact the front desk and these kind ladies will give you the information you need to get your name plate.

Patricia Welsh, Secretary

How to Dispose of Medications

Expired or unwanted prescriptions or over the counter medications should never be thrown down the sink or toilet. They will cause contamination to Florida's aquatic system. Please follow the simple steps the County has set up for this matter.

1. Keep all medications in original containers but take off your name and prescription information. Either black it out or remove it.
2. For pills add some water or soda to start them to dissolve, for liquids add some other inedible item like cat litter, or dirt or cayenne pepper.
3. Close the lid and secure with duct or packing tape.
4. Place the bottle inside a non see thru container like coffee can, juice container and tape it closed.
5. Hide this container in the trash. Do not recycle.

With these steps you will protect animals and humans from the wrong interaction with the medications. Please don't flush or wash away in the sink.

Any more questions, please contact Pasco County directly at (727) 847-8131 in New Port Richey.

Community/Memorial Tree Program

The Community/Memorial Tree Program provides the opportunity for our residents to purchase a tree in memory of a loved one or friend. Trees may also be purchased to honor a person or because you wish to donate one in your name to beautify our community. Prices vary according to the type and size of tree. Residents may choose a general location for a donated tree which can be on the golf course, along the main boulevard or in other areas of the community. The final placement of each tree will be approved by our golf course superintendent, Tommy Land. Trees will be planted during the months of March/April and October/November. Please plan your purchase during the respective months.

A map showing the location of all donated trees is located in the hallway by the Magnolia Room. This map was completed and dedicated during the month of April. Come take a look at it!

The Community/Memorial Tree Program project is headed by Linda O'Leary. Please contact Linda at 819-9207 for pricing information.

Sponsored by the Golf Advisory Committee.

Propane Exchange

With the summer already upon us, outdoor grilling is going to be all the rage! Have you ever been in the middle of a backyard barbeque and you no sooner throw your steaks (or which ever food item you prefer) on the grill, and then you realize... "uh oh, the gas is out"?

Worry no more Heritage Pines! As a service to our residents, we are now offering a propane exchange within our community starting July 1st, 2010. Hours of service will be Mon-Th, 10:00 a.m. - 6:00 p.m., Fri-Sun 10:00 a.m. - 4:00 p.m., holiday hours will be posted in advance. The process is simple:

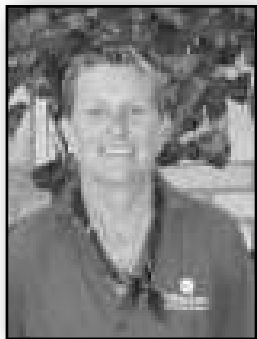

1. Come up to the clubhouse front desk or bar or pro-shop. **(Please do not bring the tank into the clubhouse.)**
2. Ask to exchange your propane. The cost is \$19.99 plus tax to exchange or \$51.99 to purchase a new tank (no exchange).
3. Our staff will contact a member of maintenance, who will meet you down by the recycling center located next to the cart barn.
4. Exchange your empty tank, for a full one!

And... ta-da! You're back grillin'! Have a great summer, Heritage Pines!

July's Employee of the Month

Kim Storage

This month's employee is Kim Storage, from Valleycrest. Her exemplary quality of work and her dedication to her job are the reason she was chosen this month.

Kim was born and raised in Detroit, MI. Her dad taught her how to play softball, racquet ball and golf while she was young. She played softball and golf in the summer and racquetball in the winter.

Her parents would take her and her sister to Fort Lauderdale every Easter, and it was then that she fell in love with Florida. Upon graduation from High school in 1980, she decided to move to Fort Lauderdale. Four years later, she started working for her first golf course and 26 years later, it still one of her passions. Now, though, she is a state licensed pesticide applicator.

Kim has also owned and operated a janitorial company with her parents from 1986 to 2006, which is when she relocated to Spring Hill.

Kim applied for a position with Valleycrest Golf and Maintenance a little over two years ago and has been working for Tommy Land ever since. In addition to applying pesticides for the company, she also takes care of the bunkers and operates the mowers as needed.

Kim loves her job and working for Tommy Land. Heritage Pines and Valleycrest are great places to work! Good job, Kim!

- Eat well to reduce the risk of reactions to donation.

See You There!

Susan G. Komen™ 3-Day For A Cure Event

First, let me start by introducing myself. My name is Mark Stanish. I am the Assistant Food & Beverage Manager at the Clubhouse. I'm your average 27-year old; I could be your son, your grandson, your nephew, your neighbor, your co-worker, or even your friend. But in this case, I'm just someone trying to do something to help people; those I have met and those I haven't had the opportunity to cross paths with.

Every day, dozens of people are diagnosed with cancer, and struggle with the day-to-day life and meanderings of treatments and survival. I'm walking because their fight shouldn't go unnoticed. Their struggles should be met with open arms, a kind heart, and a comforting friend.

I am asking you to show your support as I make this endeavor to raise a non-negotiable \$2,500.00 in the fight against breast cancer. In return, I make a commitment to you, to walk 20 miles each day for three consecutive days; to be the open arms, the kind heart, the comforting friend, to you, or anyone you know who has been affected by breast cancer.

I am proud to be representing not only my own friends and family, but also the entire Heritage Pines Community, and all my friends and family within our gates.

The Susan G. Komen 3-Day for the Cure is a 60-mile walk over the course of three days. Net proceeds from the Susan G. Komen 3-Day for the Cure™ are invested in breast cancer research and community programs.

I ask you not to walk in front of me, nor behind me, but by my side—please, donate and show your support.

To Donate via the Internet:

1. Please Visit: <http://www.the3day.org/goto/markle>
2. On the left hand side, click the pink button labeled "Click to donate to Mark in 2010."
3. Follow the donation instructions on each page.

To Donate via Check:

1. Paper forms for donations available at the front desk.
2. Make checks payable to "Susan G. Komen 3-Day for the Cure."
3. On the memo line write: 5264936 (this makes sure it goes to my donation list).
4. Return to front desk for mailing.

From the Mary Giella School...

Thank you once again for helping with the food drive for the children. With the help of a small church by the school; we were able to give a bag of food to 82 families. With the cards I got at Christmas time; we were able to give a \$10.00 card to each to purchase bread and milk. I want to give a special thanks to the lady who appeared at my door with a \$100.00 gift card for Publix. I took it to school and gave it to the vice principal.

The next day when I was there in the afternoon; I was called to the vice-principal's office. She wanted me to know that that morning a little girl had told her teacher she was hungry and there was no food in the house. The teacher took her to the cafeteria and then went to the principal and told the story. The vice principal took the \$100.00 Publix card and went to the little girl's house and she went to Publix with the mom and bought food for the house. Thank you so much for that came at the right time when there was a special need. Heritage Pines has been such a blessing to the school. I hear it so many times from the staff. Thank everyone at Heritage Pines. We have been so blessed to have all the help. Anyone who would like to go to the school at any time call me and I will arrange it. They have also offered to come here and speak. Once again, thank you so much.

Thank You!

Heritage Pines is proud to host, for the first time ever, Craig A Meyer, an Elton John Impersonator straight out of Vegas!

Throughout Meyer's busy career, he was repeatedly approached about his striking resemblance to Elton John and his uncanny ability to sound like the rock and roll legend. Meyer was eventually persuaded to expand his repertoire and began impersonating Sir Elton John.

Today, Meyer is known to be one of the best Elton John Tribute acts in the industry. His strong vocals, looks and amazing talent on the piano has every audience remembering "When Rock Was Young". Meyer performs in the US and overseas in casino showrooms, theatres, corporate events and special events.

Save the date, Wednesday, July 21st, for a Summer Extravaganza of golf followed with lunch for those of us here through the summer months. We'll miss our seasonal fellow golfers as they enjoy their time away from Heritage Pines.

Member-Guest 2011

This is just a reminder for those of us that plan on playing in the Member-Guest Tournament next year. The Tournament is scheduled for the first week-end in March. Now is a good time to be thinking of making vacation and travel plans for family and friends.

HPMGA Member Handbook 2010

If you have not yet obtained a copy of the 2010 Member Handbook, you may do so in the Pro Shop.

Tommy Land and his staff are to be commended for keeping our golf course in pristine condition. Many of us have played some of the neighboring courses this summer, and none are in as good condition as ours.

Reminders

If you have signed up to play in the Men's Club event on Wednesday, and you find out beforehand that you will not be able to play, please call the Pro Shop as soon as possible so that other arrangements can be made with pairings.

Please repair all ball marks, divots and adhere to the 90 degree rule. When filling divots with sand, step on the sand to compact it.

Niners Ladies' Golf

Whew, the first five months of the year have been a whirlwind of activity. We have had our First Annual Niners Ball; rewritten and amended our constitution and by-laws; held our Member/Member Tournament; instituted Hole-in-One insurance; held our Over the Rainbow Invitational; and last month had the Migration Celebration Luncheon. Now it's time to take a deep breath and enjoy the summer. Remember, as the song goes: "Summertime and the livin' is easy".

Did you know? In the cabinet in the lobby of the club house there is a scrapbook with Thank You notes to the Niners and residents of Hertiage Pines from Mary Giella Elementary School students thanking us for the donations we have made to them. Take a look.

Things to remember when out on the course: Make sure the flag is out of the hole when putting and if the flag is hit while on the green it is a two stroke penalty. All scores must be posted, even away scores. If your ball touches the red hazard line, it is in the hazard. Always play without delay. Keep the play moving.

May/June Birdies: Cheryl Armstrong, Helen Campana, Judy Kortier, Nancy Losurdo, Linda Smith, Nancy Suter, Rhonda Gibson, Linda McCann, JoAnn McDonald, MaryAnn Snyder, Cathy Stoehs, Nancy Thomas, Janice Benedetti, Joan Gould, and Christine Lyon. Way to putt ladies!

May/June Chip-Ins: Judy Brischke, Gini Reinhold, Linda Smith, Cheryl Armstrong, JoAnn McDonald, MaryAnn Snyder, Cathy Stoehs, Linda McCann, Gloria Saunderson, Nancy Suter and Lillian Stoffa, Edie Stephens. Nice Aim!

Very Special Rounds: The Niners would like to recognize Nancy Suter for her round of 39 May 11th on the back nine. Congratulations.

Niners and Diners: Thelma and Louise are now residing at the following residences: Judy & Jack Kortier paired with Carol & Ray Donahue plus Ann & Curt Verity paired with Carolyn & Jack Nelson. Well done!

Featured Member of the Month

Carol Henningsen was born and raised in Buffalo, New York, (husband Pete keeps telling Carol **never** tell anyone you're from Buffalo!) Sorry Pete the word is out! Carol attended and met Pete at Syracuse University. They have been married forty-seven years, have three children and are blessed with eight grandchildren! Their two boys live in Colorado and daughter in New Hampshire, so traveling is a big part of their life. They spent most of their married life in Massachusetts then onto Michigan for ten years. After the children were raised Carol went to work for a woman OB/GYN in Michigan, loving every minute of it and in awe of the miracles of the babies! After her seven years with the doctor, they moved onto Florida and retired in Heritage Pines. Carol says this has proved to be a great decision! She loves the people and the Ladies Golf League. She is an active member of the HPLGA serving at one time as Secretary and another as Treasurer. She is currently the Membership Chairperson. Carol enjoys tennis, cards (mainly bridge) and of course her loving husband. Both enjoy playing in Friday's Couple Golf League meeting new people and renewing friendships. Carol is warm, friendly and a loyal person and friend who knows no strangers! She and Pete both are a great asset to our community.

Congratulations to Linda Klepps!

on her first Hole-In-One! Linda was playing at Remington Golf Course on May 29th in Kissimmee, FL when she sank that ball on the 5th Green! Linda said at the time she was more excited about earning 8 quota points, but then realized what she had done! WAY TO GO GIRL! Witnessing this exciting event were Gaylon and Linda Swenson and husband Bob.

“Friendly competition while having fun in the sun”

We waited all winter for spring, but unfortunately it passed us by and now its summer and it is HOT! Stay hydrated and use sun block. We don't want anything to happen to you!

Golf Advisory Committee

We want to thank Don Goldberg and Ron Warren for their contributions to the committee. Both gentlemen have resigned due to more pressing concerns and a hectic travel schedule that prevents them from attending our meetings. We feel that there is no need to replace them at this time. In fact, we will not be holding a July Golf Advisory Committee meeting because so many of us will be vacationing, probably in very exotic places!! The next meeting will be held on Monday, August 2, 2010.

Betty Simpson has graciously agreed to become our secretary. Thank You, Betty. You can begin with our August 2nd meeting. We will give the month of July off!

Natures Keepers have been hard at work helping with the golf course. They have completed cutting around and painting all the out of bounds markers on the whole course as well as repairing ball marks and filling divots. (A never ending job.) They should not have to but they pick up trash and cigarette/cigar butts on the course as well. They could use more help so shame on us golfers who want a well maintained golf course but don't want to participate in helping keep it that way.

Book Club

The Heritage Pines Book Club meets on the **4th Wednesday of each month**. During the summer, we don't have assigned books, but hold lunch meetings outside Heritage Pines. However, due to popular demand, this month we'll do **brunch** instead. On July 28, we'll meet at the Clubhouse and carpool once again to Brian's on Shoal Line Blvd. for a delicious brunch and "book talk". We'll need to leave the Clubhouse earlier than usual, but we'll have our entire afternoon free. Everyone is welcome, and if you wish to join us, the sign-up sheet is located in the Book Club binder in the Lobby Armoire, where you must sign up no later than Monday, July 26th.

We look forward to some fascinating discussions starting in September. You can find our reading schedule on the Bulletin Board and in the Book Club binder in the Lobby Armoire.

Everyone in the community is welcome in the Book Club, so please come and join our stimulating and insightful discussions. If anyone has any questions, please call Judith Chase at 862-4545.

Hope to see you on the 28th!

American Sign Language

We have been fortunate to arrange, through the auspices of the Deaf & Hard of Hearing Service of Florida, another SIX WEEK COURSE in Signing For Everyday Living beginning on June 15th through July 20th 2010.

This will be presented on TUESDAYS, at 1:00 p.m. to 3:00 p.m. in the CRAFT ROOM. The course is FREE and NO TEXTBOOK is required. You will be given handouts that coordinate with the lessons.

Beat the heat by enjoying the Clubhouse air conditioning and perhaps having lunch before the class begins. Then enjoy the friendly teaching of Dr. Aynne Rosenberg who will introduce you to sign language and the deaf culture.

ASL is the third most used language in the United States. Everyday more people are losing part or all of their hearing due to illness, aging, and the range of "noise" assaulting our hearing daily. This is an opportunity to enrich your education and perhaps, one day, be of assistance to someone who has suffered hearing loss.

We would like to welcome back those folks who had participated before but were unable to continue. Also, please remember, this course is available to your friends who live outside Heritage Pines.

Time is URGENT. Please contact one of the following to register, or present any questions you may have. Thank you and we look forward to seeing you!

Friends of New York

I would like to thank everyone for attending our meeting last month. I really appreciate it.

We were going to Swanee in June and hopefully we had a great time. I know we had a good turnout. Nothing really going on in July and August except if we decide to have a dinner somewhere, which will be on the email. I hope everyone has a great summer and we will see you at our meeting in September, which will be on the 14th at 7 p.m. in the PAC room. As always, new people are always welcome, Any questions, please contact Pat Gardella at 727-862-8393.

The Kitty Coalition

EAR-TIPPING FOR FERALS

If you have ever come across a stray cat with what looks like one ear tip cut off, then you have found a feral cat that has been humanely trapped, neutered, given a rabies shot, ear-tipped by the vet and then returned to his/her habitat. Likely, a devoted volunteer is feeding the cat each day to keep it healthy.

According to the experts on feral cat behavior and management, this is the best and most effective way to care for older or unadoptable feral cats. As explained in previous articles, feral cats are neither domestic pets, nor wildlife. They are the recent descendants of un-neutered pets that were abandoned by an irresponsible human. Snowbirds, do not EVER turn your cat outside when you fly north for the summer. Contact the Kitty Coalition and we will do our best to help you find a suitable home. Abandonment is both cruel and illegal, and it burdens your neighbors.

Some humane groups “tip”, or “notch” the right ear for males and left ear for females. However, the vast majority simply tip the left ear for both genders. That is the method Spay Pasco uses, and therefore our cats in HP will have the left ear tipped regardless of gender. If you find a stray and both ears are in tact, please call us to arrange trapping. We will attempt to learn where the cat eats and spends most of its time, and then enlist the help of a resident to monitor the trap. Once the cat is trapped, we will take it from there.

On May 10, we trapped our first beautiful feral, a sweet boy we named “Chief”, although he rightfully earned the nickname “Houdini”, as he very quickly escaped from his foster home and is now on the lam again. However, he had already been neutered, given shots and his ear tipped, so he is our first success story. The vet pronounced him a true feral, as he “tried to climb the walls of the clinic” rather than be handled by a human. He has a wide range of territory, so you might see him anywhere. Reportedly, he's

been seen in Linkside, Hilltop, Regal Pines and Winding Way. Once you've seen him, you'll never forget him, as he is absolutely beautiful. He likes to flirt with the pet cats who live indoors.

On May 18, Will Jackson trapped “Freedom”, an estimated three year old male, near the Cart Barn. Will turned him over to Kitty Co. volunteers and we took him to the vet as well. He was even more feral than Chief, and no one has reported seeing him since his release. Freedom is a gray tabby with a noticeably broad nose. If you see Freedom, with his left tipped ear, let us know! We have a feeder for the cart barn, but she hasn't seen Freedom even once. Instead, she is working to win the trust of an orange tabby she calls Ginger.

Every two weeks, the Heritage Pines Kitty Coalition sends out a bulletin by e-mail, with updates, photos and information on our stray and feral kitties. If you would like to join the Kitty Coalition, or simply stay informed, please let us know and we will add you to our newsletter mailing list – contact us at KCHP@tampabay.rr.com. And, of course, donations are desperately needed. To donate, visit the Front Desk. Thank you!
