Theft Protection

Just like your Volkswagen, this one’s a keeper.

When thefts happen, your insurance policy may not cover your loss completely. If your insurance company follows common industry practices, they might cover only your vehicle’s actual cash value at the time of the theft. When it comes time to replace your vehicle, this may leave you with the burden of unexpected out-of-pocket replacement costs.

Fortunately, Volkswagen Theft Protection provides you a theft-deterrent and identification product that helps minimize your losses, plus a Replacement Benefit that gives you up to \$5,000 to apply toward the purchase of a replacement vehicle.¹

Theft Protection benefits:

- Distinctive theft-warning window decals used to deter theft
- Vehicle marked with traceable identification codes used to identify the owner of a recovered vehicle
- Up to \$5,000¹ Replacement Benefit if the theft-protection product fails to prevent the theft of the vehicle and the vehicle is declared a total loss by the primary insurer because either the vehicle is not recovered or it is recovered but damaged beyond reasonable repair
- Coverage for six (6) years
- Transferable for a \$25 fee if you sell your vehicle to a private party

Coverage exclusions may apply²:

- Vehicles stolen outside the United States, its territories, or Canada
- Theft occurring prior to the Certificate purchase date
- Theft resulting directly or indirectly from any dishonest, fraudulent, or criminal act

The theft-deterrent product is permanently installed on the covered vehicle and is therefore noncancelable.³

Protect your investment:

The following illustrates how the Theft Protection Replacement Benefit can help cover outstanding out-of-pocket costs if your vehicle is stolen and is declared a total loss.

Replacement Vehicle Cost (selling price* including taxes and fees, less any applicable rebates)	\$25,000
Actual Cash Value of Stolen Vehicle (as determined by Primary Insurer)	– \$20,000
Your potential expense	= \$5,000**
Theft Protection Replacement Benefit	– \$5,000
Amount You Owe	\$0

*Selling price cannot exceed the MSRP (for new vehicles) or NADA value (for pre-owned vehicles).

**Approximate costs; your actual costs may vary.

This example is for illustrative purposes only. Actual Replacement Benefit calculations will vary based on specific circumstances.

Added benefits:

Volkswagen Theft Protection will also provide the following additional coverage in the event your vehicle is stolen:

- Car rental reimbursement—up to \$25 a day for up to 30 days (maximum of \$750 over the coverage period)
- Trip interruption reimbursement—up to \$100 a day for meals, hotel, and transportation in the event the vehicle is stolen more than 100 miles from your home (maximum of \$300 over the coverage period)
- Homeowner’s/renter’s deductible reimbursement—if your valuables are stolen as a result of the theft of your vehicle, you may receive coverage for up to \$1,000 of the applicable homeowner’s or renter’s insurance deductible
- Primary insurance deductible reimbursement—includes coverage of up to \$500 of the primary insurance deductible if your vehicle is stolen
