Setting up Company Information

In this section, all we need is your display name, logo, and a short company description.

Be sure to keep this information up to date to maintain Customer trust in our Marketplace Partners and your account is compliant with our Seller Agreement.

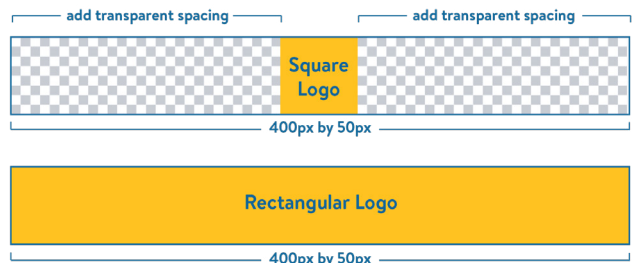

We continuously monitor your Company Information and will contact you to clarify details and if we have questions.

1 Add Display Name, Logo and Description

Click "Settings" then click "Company Info."

- Display name: Company name that customers will see.
Logo: Format your logo (JPG or PNG) at 400 x 50 pixels, so it displays correctly.
Description: Short company description (max 4,000 characters, no links/URLs)

If you have a non-rectangular or square logo, please use image editing software to format it to fit our rectangular format. You may need to add spacing on each side of the logo.
