

LEVITON 3-YEAR CONNECTED EQUIPMENT PRORATED WARRANTY

Leviton Manufacturing Co., Inc. ("Leviton") will repair or replace, at Leviton's option, equipment which is damaged by a transient voltage surge while properly connected through a Leviton surge protector to a properly wired AC power line with a protected ground. The Connected Equipment Warranty is a 3-Year (from point of purchase) limited warranty subject to the limitations and exclusions set forth herein. The duration of this Connected Equipment Warranty is stated in the above table. Leviton will attempt to repair or replace the damaged equipment, at Leviton's option, in an amount equal to the fair market value of the damaged equipment up to the maximum amount set forth below. Leviton reserves the right to inspect the Leviton surge protector, any connected equipment, as well as the site where the damage occurred. All costs of shipping the surge protector and connected equipment to Leviton for inspection shall be born solely by the purchaser. Connected equipment must remain available for inspection until the claim is finalized.

All above warranties are null and void if:

- The Leviton surge protector in use during the occurrence is not made available to Leviton for inspection;
- Leviton determines the surge protector has been improperly installed, altered in any way or tampered with;
- Leviton determines that the damages did not result from the occurrence or that no occurrence took place;
- Leviton establishes that the equipment was not properly used under normal operating conditions or in accordance with any packaging instructions or labels accompanying the product.

The Connected Equipment Warranty only protects against properly connected equipment where Leviton determines, at its sole discretion, that the damages resulted from a power surge and it is not protected against acts of God.

Please note that the product is not for use with aquariums or other related products and should be used only indoors and in dry locations.

Claims must be submitted to Leviton within thirty (30) days of the occurrence that lead to the damage of the Connected Equipment. Claims may be submitted to Leviton by contacting Leviton's Network Solutions Technical Support Department at:

Phone: 1-800-722-2082; Fax: 1-425-483-5270

Website: <http://www.leviton.com>

In no event shall Leviton be liable for incidental, special, direct, indirect, consequential, or multiple damages including, but not limited to, such business or lost profits out of the sale or use of any Leviton surge protector.

This Warranty contains the sole warranty of Leviton concerning Connected Equipment. There are no other warranties, expressed or implied, including the implied warranty or condition of quality, merchantability for this particular purpose and such applied warranty, if any, are limited in duration to the term of this warranty.

Warranty Terms & Conditions may vary depending on the point of purchase. Warranty procedures can vary by country and are subject to local laws and requirements. Additional documentation may apply in order to obtain repairs or replacements.
