about *Sweet* TAMMY'S

There are only a handful of perfect bakeries in America: Sprinkles in LA, Magnolia Bakery in New York, and now, Sweet Tammy's in Pittsburgh. By combining old-world baking traditions with an escape that envelops you in warmth and elegance, it's quite simply a most irresistible destination.

Steeped in the memories and delights of her family's kitchen and recipes, Tammy has created a bakery that's more than a shop – it's a haven that tantalizes your taste buds while it nourishes your soul. Using only the finest kosher, non-dairy ingredients, Tammy's made-from-scratch treats are an irresistible temptation, bursting with freshness, authenticity and love.

Sweet Tammy's,
our ovens are always warm,
and you are always welcome.
