

PAINTING WITH NUMBERS

This picture hides a cute poodle. Connect the numbers from 1 to 56 with a pencil to discover the picture. Then, you can paint the dog and decorate it.

DOG PUZZLE

Are you a dog lover? Then this puzzle should be easy! Piece the body parts together correctly and enter the numbers into the corresponding circles.

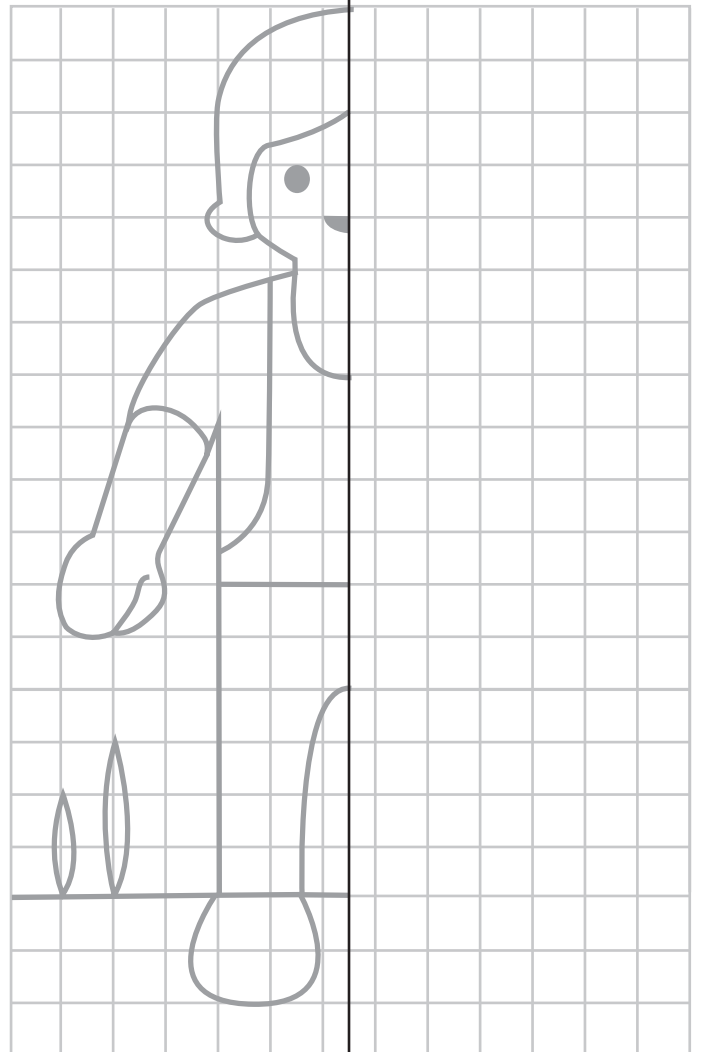

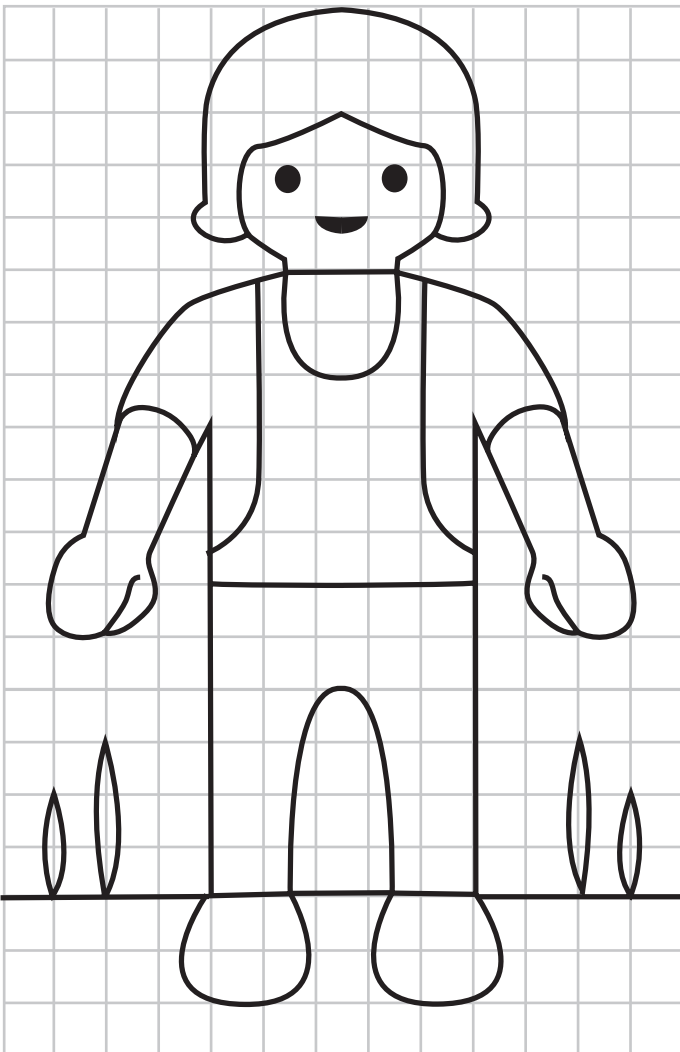

- 1) Tail
- 2) Nose
- 3) Chest
- 4) Foreleg

- 5) Eye
- 6) Back
- 7) Ear
- 8) Hind Leg

- 9) Belly
- 10) Paw
- 11) Rump
- 12) Lip

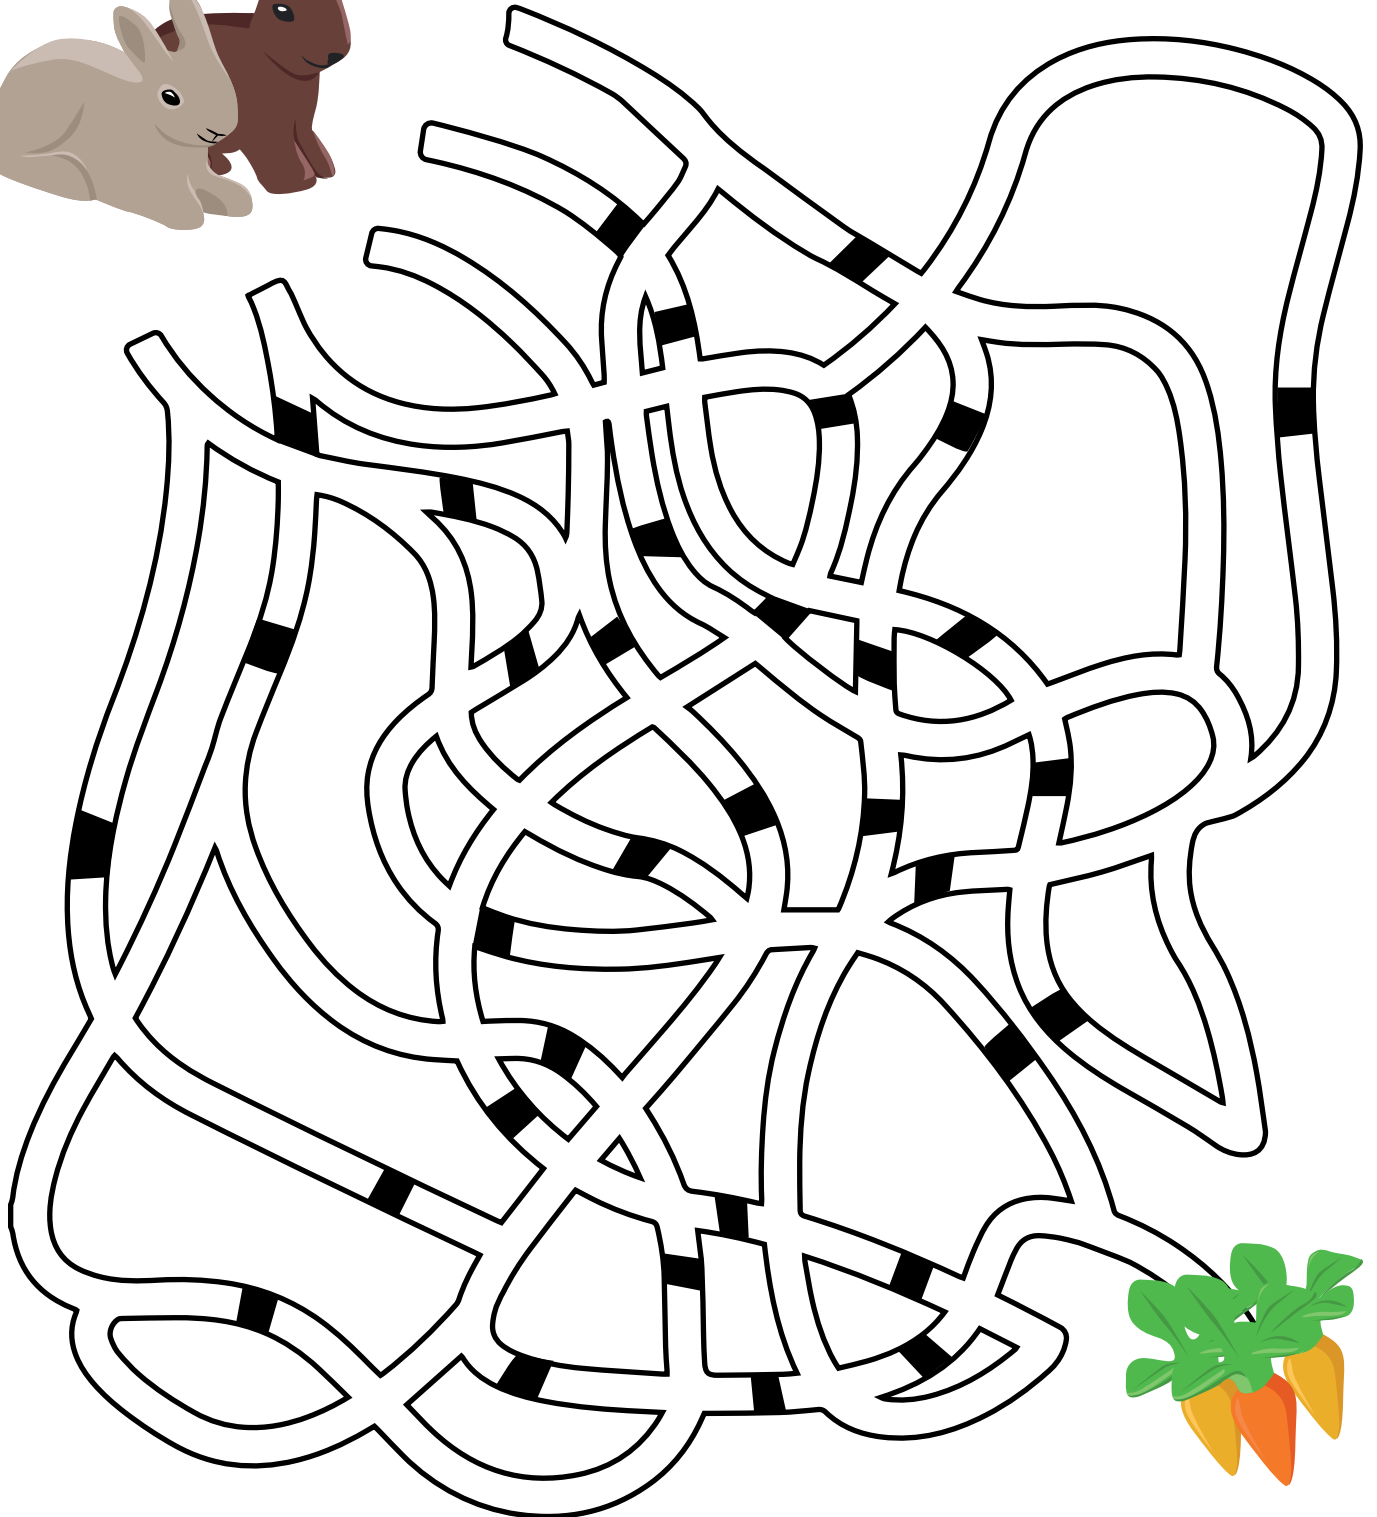

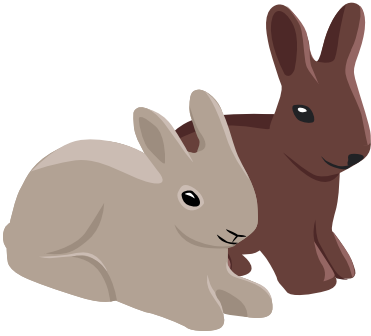

TRACING

Picture to the right is not quite finished yet. This is where you come in. First, use a pencil to trace the light grey lines. Then, sketch the mirror image on the other side. When finished, you can paint the picture. Recommended for 8 years and above.

FIND THE WAY TO THE FOOD

The little bunnies find their way to their beloved carrots.
Tip: if the labyrinth gets too difficult, try it backwards and start with the carrots instead.

Complete

Where your creativity is needed. Where are the two cute kittens? Complete the picture to find out.
