Any discrepancies between the terms of the above referenced documents shall be resolved by Seller. Seller’s acceptance of Buyer’s purchase order is expressly conditional on Buyer’s assent to all of Seller’s terms and conditions of sale, including terms and conditions that are different from or additional to the terms and conditions of Buyer’s purchase order. Buyer’s acceptance of the Goods, Parts, and/or Software will manifest Buyer’s assent to the terms of this Agreement. Seller reserves the right in its sole discretion to refuse orders.

1. **Prices.** Unless otherwise specified in writing by Seller, the price quoted or specified by Seller for the Goods, Parts and/or Software shall remain in effect for thirty (30) days after the date of Seller’s quotation, Seller’s scope of work or acknowledgment of Buyer’s order for the Goods, whichever occurs first, provided an unconditional authorization from Buyer for the shipment or performance of the Goods and/or Parts, and/or Software is received and accepted by Seller within such time period. If such authorization is not received by Seller within such thirty (30) day period, Seller shall have the right to change the price for the Goods, Parts and/or Software to Seller’s price for the Goods, Parts, and/or Software at the time of Seller’s shipment or performance thereof. All prices and licensee fees are exclusive of taxes, transportation and insurance, which are to be borne by Buyer. Seller reserves the right to correct any obvious errors in specifications or prices. The service charge amount and/or minimum order value may be changed by Seller at any time, without notice.
2. **Taxes.** Any current or future tax, duty, tariff or governmental charge (or increase in same) affecting Seller’s costs of production, sale, services or delivery or shipment of Goods Parts, and/or Software, or which Seller is otherwise required to pay or collect in connection with the sale, purchase, delivery, performance, storage, processing, use or consumption of Goods, Parts, and/or Software, shall be for Buyer’s account and shall be added to the price or billed to Buyer separately, at Seller’s election.
3. **Terms of Payment.** Unless otherwise specified by Seller, terms are net thirty (30) days from date of Seller’s invoice in U.S. currency. Seller shall have the right, among other remedies, either to terminate this Agreement or to suspend further performance under this and/or other agreements with Buyer in the event Buyer fails to make any payment when due, which other agreements Buyer and Seller hereby amend accordingly. Buyer shall be liable for all expenses, including attorneys’ fees, relating to the collection of past due amounts. If any payment owed to Seller is not paid when due, it shall bear interest, at a rate to be determined by Seller, which shall not exceed the maximum rate permitted by law, from the date on which it is due until it is paid. Seller may preserve its interests in payment by enforcing any applicable mechanic’s, labor, construction or similar lien rights. Should Buyer’s financial responsibility become unsatisfactory to Seller, cash payments or security satisfactory to Seller may be required by Seller for future deliveries or performance of Goods, Parts, and/or Software. If such cash payment or security is not provided, in addition to Seller’s other rights and remedies, Seller may discontinue deliveries or performance. Buyer hereby grants Seller a security interest in all Goods, Parts, and/or Software sold to Buyer by Seller, which security interest shall continue until all such Goods, Parts, and/or Software are fully paid for, and Buyer, upon Seller’s demand, will execute and deliver to Seller such instruments as Seller requests to protect and perfect such security interest.

Seller reserves the right to make partial shipments. Seller, at its option, shall not be bound to tender delivery of any Goods, Parts, and/or Software for which Buyer has not provided shipping instructions and other required information. If the shipment or performance of the Goods, Parts, and/or Software is postponed or delayed by Buyer for any reason, Buyer agrees to reimburse Seller for any and all storage costs and other additional expenses resulting therefrom. For sales in which the end destination of the Goods, Parts, and/or Software is outside of the United States (except for those international sales to Seller’s affiliated companies), risk of loss and legal title to the Goods, Parts, and/or Software shall transfer to Buyer immediately after the Goods, Parts, and/or Software have passed beyond the territorial limits of the United States. For international sales to Seller’s affiliated companies, all shipments of Goods, Parts, and/or Software are made on a Delivered at Terminal (DAT) basis, per Incoterms 2010, with freight charges from Seller’s facility to destination terminal invoiced to buyer either on a Prepaid or PPD/Add basis, as agreed to by Seller and Buyer. All other shipments of Goods, Parts, and/or Software are made on an Ex Works (EXW) Seller’s Shipping Point basis, per Incoterms 2010, with Seller responsible to load goods on Buyer’s nominated vehicle. Any claims for shortages or damages suffered in transit are the responsibility of Buyer and shall be submitted by Buyer directly to the carrier. Notwithstanding the above, risk of loss and legal title to Parts shall transfer to Buyer (i) upon delivery by the Seller, or (ii) at the time Parts are placed in storage due to Buyer’s delay or postponement. Shortages or damages must be identified and signed for at the time of delivery. Requests for changes in quoted transportation modes will not be made or accepted on orders already processed unless otherwise mutually agreed upon by Seller and Buyer. Requests for changes in quoted transportation modes to orders already accepted by Seller will be subject to new freight terms and billed at the price in effect at the time of the request for change. Any request for changes to quoted transportation modes must be submitted in writing to Seller and are subject to Seller’s acceptance and adjustment in freight price. The transportation costs quoted by Seller may be changed by Seller without notice in order to reflect Seller’s prices at the time of shipment and will reflect any market increase in transportation costs. If a price for delivery has been quoted, any changes at the destination for transportation modes, spotting, switching, handling, storage and other accessorial services and demurrage shall be borne by the customer, and any related increase in transportation charges shall be added to the quoted price.
