A Message from the Department

This Handbook provides information about the examination and licensing process for individuals who wish to become licensed by the Arizona Department of Insurance ("Department"). In addition to the information in this Handbook, you should also review the information on eligibility to hold a license on the Department's website: www.insurance.az.gov/producers

The Handbook **does not** provide instructions pertaining to licensing business entities. For information about licensing a business entity, visit the Insurance Licensing Section website at <https://insurance.az.gov/producers>, e-mail the Insurance Licensing Section at insurancelicensing@difi.az.gov, or call the Insurance Licensing Section at 602.364.4457.

At a Glance

This handbook provides information about the examination and licensing process for obtaining a resident insurance license. You should read this Licensing Handbook, including the examination content outlines, prior to taking an exam. If interested in applying for a nonresident license, you can apply online via NIPR at www.nipr.com or an NIPR authorized business partner.

Overview of Licensing Process

Follow these main steps if you are interested in obtaining an insurance license.

- 1 Read the information** on the Department's website for the type of license you desire to make sure you meet all of the requirements.
www.insurance.az.gov/producers
- 2 Review this handbook** to determine which exam(s) you need to pass, if any, for the type(s) of license you require. Prepare for your exam, using this bulletin and materials from other sources. The content outlines at the back of this guide are the basis for the exams.
- 3 Register and schedule** your exam. The easiest way to schedule is online at www.prometric.com/arizona/insurance Phone; fax and mail options are also available.
- 4 Bring the required identification** to the test center and take the exam(s). You will receive your results immediately after the exam.
- 5 You must pass your exam then** apply for your license at <http://www.nipr.com/>

Certain types of licenses require submission of fingerprints as part of the application package. Please see the chart below in Arizona licensing requirements to determine if this is a requirement and detailed information on the fingerprint requirements and options in the section Apply for your license.

- 6 If you do NOT pass the exam**, repeat steps 2 through 4. **PLEASE NOTE:** ARS §20-284(H) permits a maximum of 4 attempts to pass an exam in a 12-month period. If you do not pass an exam after 4 attempts, you must wait one year after failing the fourth attempt before you are eligible to take that exam again.

Note Passing an exam does not guarantee that you will receive a license. If you take an exam unnecessarily or are found unqualified, neither the exam fee nor the license application fee will be refunded.

Arizona Licensing Requirements

Arizona Revised Statutes ("ARS") and Arizona Administrative Code ("AAC") set forth the requirements for licensees, insurers and insurance products in the State of Arizona. The Arizona legislature may amend the statutes and the Department of Insurance may promulgate changes to administrative code or policies as necessary. Licensees must remain aware of changes in law, code and Department policies that affect their activities.

- For ARS, select "Arizona Revised Statutes" from the "Legislative Council" menu option on the Arizona State Legislature website at www.azleg.gov.
- For AAC, select "Administrative Code" from the "Rules" menu option on the Arizona Secretary of State website at www.azsos.gov.
- To receive Department regulatory bulletins and press releases, register online at <http://www.insurance.az.gov/maillinglists.html>.

Types of Licenses

The Department grants licenses specifying one or more lines of license authority. Each license is only valid for the lines of license authority shown on the license.

Exam requirements do not apply to business entity licenses and they do not apply to most nonresidents. Most residents and some nonresident adjusters must complete exams as shown in the following table. Obtain additional license requirements from the Producer page of the Insurance Licensing Section website (<https://insurance.az.gov/producers>).

Consult the Producer page of the Insurance Licensing Section Website (<https://insurance.az.gov/producers>) for detailed application requirements.

Note: Long-term care Training & Continuing Education

Accident and health or sickness insurance producers (resident or nonresident) who wants to sell, solicit or negotiate long-term care insurance must first complete eight hours of Arizona-approved **long-term care training (LTCT)** and must complete four hours of Arizona-approved LTCT during each two-year period after July 1, 2009. A resident licensee can apply hours of LTCT toward satisfying Arizona's CE requirement. Nonresidents can satisfy the LTCT requirement if they completed substantially similar courses in another state.

Exception to the long-term care training requirement. A nonresident insurance producer can satisfy Arizona's LTCT requirement by satisfying a substantially similar LTCT requirement in the producer's home state. ARS §20-1691.12.

Note: Annuity Training & Continuing Education

Life insurance producers (resident or nonresident) who wants to sell, solicit or negotiate annuities must first complete four hours of Arizona-approved annuity training. A resident licensee can apply hours of annuity training toward satisfying Arizona's CE requirement if the course is also an Arizona approved CE course. Both residents and nonresidents can satisfy the annuity training requirement if they completed substantially similar courses in another state.

Moving to Arizona

If you hold a resident insurance license in another state and are **relocating to Arizona**, you must submit a license application to the Department within 90 days after canceling the resident license in your former state to avoid having to pass an Arizona insurance exam. Your application must include a “clearance letter” issued by the insurance department in your former state. The letter **must specify**:

- the date your license from the former state was cancelled, expired or converted to a nonresident status (which must be within 90 days of the date the Department receives your application);
- the line(s) of authority for which you were licensed in the other state (Arizona must already issue these exact license types to residents of this state); and,
- that you were licensed in good standing at the time the license expired, cancelled, or converted to a nonresident status.

Note: If your prior home state does not issue clearance letters, contact the Licensing Section for the required procedures. Not all license lines of authority are eligible for transfer.

Nonresident Applicants

If you are seeking a **nonresident adjuster license** and you are not licensed as a resident in your resident state, you will need to pass the AZ adjuster exam.

All nonresident applicants must **either**:

- apply online at <http://www.nipr.com/>; or
- submit the appropriate NAIC Uniform Application Form.

Note: If you apply through NIPR or use a Uniform Application, carefully review the checklist of application requirements and furnish all specified information.

Fingerprint Requirement

If you are an Arizona resident, a nonresident relocating to Arizona, or a nonresident adjuster whose resident state does not license adjusters, you must submit fingerprints and Form L-FPV with your license application. You are not required to submit fingerprints if you are adding a line of authority to an existing Arizona insurance license. **Form L-FPV is located in bulletin near the last page.**

The Arizona Department of Public Safety (AZDPS) and the Federal Bureau of Investigations (FBI) use the fingerprints to conduct criminal history background checks. See the “Obtaining your license” section on page 18 for details on how to satisfy the fingerprint requirement.

Your fingerprints will be used to check the criminal history records of the FBI. If you have a criminal history record, the officials making a determination of your suitability for the job, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record. You should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before officials deny you the job, license, or other benefit based on information in the criminal history record.

The procedures for obtaining a change, correction, or updating of your FBI criminal history record are set forth in Title 28, Code of Federal Regulations (CFR), Sections 16.30 through 16.34. Information on how to review and challenge your FBI criminal history record can be found at

<https://www.fbi.gov/services/cjis/identity-history-summary-checks> (Identity History Summary Checks) or by calling 304.625.5590.

To obtain a copy of your Arizona criminal history in order to review, update or correct the record, you can contact the Arizona Department of Public Safety

Criminal History Records Unit at 602.223.2222 to obtain a fingerprint card and a Review and Challenge packet. Information on the review and challenge process can be found on the DPS website at

<https://www.azdps.gov/services/public/records/criminal>

Prometric offers a fingerprinting service at its Arizona test centers. Please refer to the Fingerprinting service under Apply for your license below.

Scheduling Your Exam

Exam Restriction

Exam Restrictions. It is unlawful to take an examination for a line of authority for which you already hold an Arizona insurance license. ARS § 20-284(G). Additionally, while ARS § 20-284(C) requires the Department of Insurance to make license examinations available to license applicants, the Department is not required to make examinations available to other persons. To promote security over exam questions, the Department has instructed Prometric to refuse to administer an examination to a person who is not an applicant for a license.

Note: You will be eligible to take the exam up to four attempts to pass an exam for a line of authority within a one-year period. After the fourth unsuccessful attempt, you will be placed into a waiting period and not be able to retake the exam until the one-year waiting period is over. ARS § 20-284(H)

Preparing for Your Exam

Being well prepared can help you pass the exam and save time and possibly money spent retaking it. This section offers:

- An overview of the exam content outlines.
- Information about study materials.
- An explanation of how to take a practice exam.

Content Outlines Overview

The license exam for each type of license consists of questions that test knowledge of topical areas listed in the content outline for that exam. An overview of each exam content outline appears at the end of this handbook.

Note: Do not schedule the exam until you are familiar with all subject areas in the applicable content outline.

Study Materials

The Department of Insurance does not provide study materials, cannot recommend any supplier for study materials and does not evaluate the quality of any training course or study material. You are free to use the materials of your choice to prepare for the exam. Different publishers provide materials to assist you in preparing for insurance licensing exams. These materials take different approaches and you should choose one that meets your needs. A list of businesses that have advised the Department that they may provide training or study materials can be found at:

<https://insurance.az.gov/sites/default/files/documents/files/Study%20Materials%2020161018.pdf>

Neither the Office of the Commissioner of Insurance nor Prometric reviews or approves these study materials.

General recommendations. You may obtain recommendations for study materials and pre-licensing study courses from insurance companies, the company or agency you plan to work for, or local insurance and agents' associations.

Arizona statutes. The exam outlines contain a section relating to Arizona Revised Statutes ("ARS") and Arizona Administrative Code ("AAC"). In addition to general study material, you may wish to consult ARS Title 20 and AAC Title 20, Chapter 6.

You can also access Arizona statutes and insurance regulations at <http://www.azleg.gov/arsDetail/?title=20> and the Arizona Secretary of State at <https://www.azsos.gov/rules/arizona-administrative-code>.

Practice Exams

To take a practice exam, select or copy link below to your browser:

<https://www.prometric.com/en-us/clients/insurance/Pages/practice-exam.aspx>

While practice exams contain general, non-state specific insurance questions, they are created in the same format and use the same question types as the actual licensure exams. Practice exams are designed to help you become familiar with the computer-based testing process.

During the practice exam, you will get immediate feedback to correct and incorrect responses as well as overall feedback at the end of the session just as you would during the actual exam. Practice exams are available for:

- (LIPA) Life Insurance Producer/Agent Practice Exam in English only
- (HIPA) Health Insurance Producer/Agent Practice Exam in English only
- (PIPA) Property & Casualty Insurance Producer Practice Exam in English only

There is **no cost** to take Prometric Practice Exams!

Taking Your Exam

Knowing what to expect when taking the exam may help you prepare for it. This section contains:

- An overview of the testing process.
- Regulations that will be enforced at the testing center.
- Information about the types of questions on the exam.
- A guide to understanding the exam results.
- Information about appeals.

The Testing Process

The exam will be administered by computer; you are not required to have any computer experience or typing skills to take the exam.

Arrival. You should arrive at least **30 minutes before** the scheduled exam appointment. This allows time for you to sign in and for staff to verify your identification and complete all security checks.

Identification Required. You must present a valid form of identification before taking the test. The identification document **must**:

- Be government-issued (e.g., driver's license, state-issued identification card, passport, or military identification card).
- Contain **both** a current photo and signature (if not you must present two identification cards: one with your photo and one with your signature).
- Exactly match the name used to register for the exam (including designations such as "Jr." and "III").

Important Failure to provide appropriate identification at the time of the exam is considered a missed appointment. As a result, you will be required to pay another **full examination fee** before making another appointment. If you cannot provide the identification listed above, contact Prometric **before** scheduling the appointment to arrange an alternative way to meet this requirement.

Test Center Regulations

Copyrighted Questions. All test questions are the property of Prometric LLC and are protected by copyright. Federal law provides severe civil and criminal penalties for the unauthorized reproduction, distribution, or exhibition of copyrighted materials.

To ensure that all candidates are tested under similar conditions, the following regulations and procedures will be enforced at each test center. Failure to follow any of these security procedures may result disqualification from taking an examination.

- 1 While in the test center, you will be continuously monitored by video. During your examination, you will also be monitored by physical walk-throughs and through an observation window. All testing sessions are video and audio recorded.
- 2 You must present valid (unexpired) and acceptable ID(s) in order to take your test. (See "Identification required" in the previous section).

- 3 You will be scanned with a metal detector wand prior to every entry into the test room. If you refuse, you cannot test.
- 4 You will be required to raise your pants legs above your ankles, empty and turn all pockets inside-out and raise shirt sleeves above your wrists prior to every entry into the test room.
- 5 If you are wearing eyeglasses, you will be required to remove them for visual inspection to ensure they don't contain a recording device. Large jewelry items must be stored in your locker due to concerns over concealed recording devices.
- 6 You must sign the test center roster each time you leave the test room. You must also sign back in and show your ID to the Test Center Administrator (TCA) in order to re-enter the test room.
- 7 You are **prohibited** from communicating, publishing, reproducing, or transmitting any part of your test, in any form or by any means, verbal or written, for any purpose.
- 8 You **must not** talk to other candidates or refer to their screens, testing materials, or written notes in the test room.
- 9 You **must not** use written notes, published materials, or other testing aids.
- 10 You are **allowed** to bring soft ear plugs or center-supplied tissues into the test room.
- 11 Any clothing or jewelry items allowed to be worn in the test room must remain on your person at all times. Removed clothing or jewelry items must be stored in your locker.
- 12 You **must not** bring any personal/unauthorized items into the testing room. Such items include but are not limited to outerwear, hats, food, drinks, purses, briefcases, notebooks, pagers, watches, cellular telephones, recording devices, and photographic equipment. Weapons are not allowed at any Prometric test center. You will be asked to empty and turn your pockets inside out prior to every entry into the test room to confirm that you have no prohibited items.
- 13 You **must** return all materials issued to you by the test center administrator ("TCA") at the end of your test.
- 14 You are not allowed to use any electronic device or phone during breaks.
- 15 If you have a medical condition that may require you to access food or medicine during your exam session, you must store those items separately from other items you place in the test center locker. You must inform the TCA **before** you retrieve the food or medicine, and the TCA will observe you obtaining the item from the locker. You are not allowed to access any item other than food or medicine needed for a medical reason.
- 16 You must conduct yourself in a civil manner at all times when on the premises of the test center. Exhibiting abusive behavior towards the TCA or any other staff member of the test center may result in examination disqualification and criminal prosecution.

Note Failure to follow any of these security procedures may result in the disqualification of the examination. Prometric reserves the right to audio and videotape any examination session.

For more information on Prometric test center regulations, please visit:
www.prometric.com/en-us/for-test-takers/prepare-for-test-day/documents/TestCenterRegulations.pdf

Please note: Test center administrators are not allowed to answer any questions pertaining to the exam content. If you do not understand a question on the examination, you should answer the question to the best of your ability.

Question Types

The examination contains four-option multiple-choice questions. These questions are designed to be as clear and concise as possible while testing knowledge and comprehension of insurance concepts as well as the application of the insurance concepts. The design of the exam ensures that those who possess the required knowledge of the specific insurance line of authority being tested should perform well on the examination for which they prepared.

Question Formats.

Three different multiple-choice formats are used. Each format is shown in the following examples. An asterisk (*) indicates the correct answer in each sample question.

Format 1— Direct Question

Which one of the following is a type of health insurance policy designed to replace the wages of an insured that is unable to work due to an accident or sickness?

- * 1. Disability Income Insurance Policy
- 2. Employer-Sponsored Group Major Medical Policy
- 3. Hospital Expense Insurance Policy
- 4. Special Risk Policy

Format 2— Incomplete Sentence

Benefits under workers' compensation insurance are payable:

- 1. For bodily injury that is accidental or intentional
- * 2. Regardless of the liability of the employer
- 3. Unless safety rules are violated
- 4. Up to a maximum of 30 percent of weekly wages

Format 3—All of the following except

A life insurance policy may include provisions that do all of the following EXCEPT:

- 1. Restrict coverage if death is caused by suicide
- 2. Require evidence of insurability to reinstate coverage
- * 3. Extend the contestable period beyond two years
- 4. Adjust proceeds if the insured's age is misstated on the application

Experimental Questions

The examination may include some experimental questions that will not be scored. If present, they are distributed throughout the examination and will not be identified as such. These are used to gather statistical information on the questions before they are added to the examination as scored items. These experimental questions **will not** be counted for or against you in the final examination score.

You will be helping us help future test takers by completing 5 experimental test questions in your exam. We plan to use the experimental questions on future exams based on your performance.

The questions will:

- be randomly distributed within your test
- will not be counted in your final score
- time spent on the question will not be deducted from your test time

Your Exam Results

At the end of your exam, your score will be shown on the screen and you will receive a printed score report. The report shows your overall score and grade, including the numerical percentage of questions answered correctly and whether you passed or failed.

The report also displays the correct percentage in each major section of the exam, as defined by the exam content outline. These section scores are shown to guide you, or your employer and/or trainer, about areas requiring additional preparation for retesting if you do not pass the exam. Even after you pass, you may want to focus on these areas as you begin to provide insurance products and services to the public.

Sample Score Report

Life Total Test Score	100	80	80%

General Insurance	7	5	71%
Life Insurance Basics	20	17	85%
Life Insurance Policies	18	14	78%

Qualified Plans	6	5	83%
		Score: 80%	
		Grade: Pass	
(A total score of 70 percent is required to pass)			

Note that the section percentages will not average out to the total percentage score. That is because individual exam outline sections are allocated different numbers of questions on the exam. The total percentage score is computed by dividing the number of questions you answered correctly by the total number of questions in the exam. Adding the section percentages and dividing by the total number of sections do not compute the total score.

Prometric electronically notifies the Department of Insurance of exam results within 48 hours of passing the exam. Note that exam scores are confidential and will be revealed only to you and the Department.

Duplicate score report. You may call or write to Prometric to request a duplicate of your score report for a period of one year after an exam with no fee. Direct any questions or comments about your exam to Prometric.

***Appeals
Process***

Our goal is to provide a quality exam and a pleasant testing experience for every candidate. If you are dissatisfied with either and believe we can correct the problem, we would like to hear from you. We provide an opportunity for general comments at the end of your exam. Your comments will be reviewed by our personnel, but you will not receive a direct response.

If you would like to submit an appeal concerning examination content, registration, scheduling or test administration (testing site procedures, equipment, personnel, etc.), please submit an appeal by visiting <http://www.prometric.com/contactus>.

The Appeals Committee will review your concern and send you a written response within 20 business days of receipt.

Apply for Your License

Once you have passed your license exam (if an exam is required), you must submit your license application along with any other required paperwork and your fee payment to the Insurance Licensing Section. The Section must receive all required application materials, including the correct nonrefundable license fees, **within one year** after you pass the exam. ARS § 20-284 (A).

NOTE: The Insurance Licensing Section no longer accepts documents by fax.

Submit Your Application

- You must submit **license applications** either (1) through the NIPR electronic licensing system (www.nipr.com) or (2) by mailing to the Insurance Licensing Section. **NOTE:** NIPR applications are prioritized for processing, and are processed faster than mailed paper applications.
- **Fingerprints** (if required) must be delivered with Form L-FPV to the Insurance Licensing Section. The form can be found at: <https://insurance.az.gov/sites/default/files/documents/files/L-FPV%20Fingerprint%20Verification%2020170601.pdf>. Please follow the directions completely or your fingerprints may be rejected causing a delay in the application processing. Prometric offers the convenience of a fingerprinting service at our Arizona test centers only, if scheduled when you schedule your exam. Further information on this service can be found below.
- If you answer "Yes" to a background question on the application, **submit your written statement accompanied by corresponding official court documents** (printouts from a court's web site are not acceptable):
 - as part of your NIPR electronic license application (using the Attachments Warehouse), or
 - by e-mail to insurancelicensing@difi.az.gov, or
 - by mailing to the Insurance Licensing Section.
- **Submit all other documents** either by e-mail to insurancelicensing@difi.az.gov or by delivery to the Insurance Licensing Section.

Business Name

When conducting insurance business, Arizona law requires that you use your legal name unless you obtain permission from the Department to use another name. Access the L-193 "Certificate of Assumed Name" form on the Insurance Licensing Section website <https://insurance.az.gov/producers/licensing-related-forms> to learn how to request permission to use an "assumed name" and how to protect the name by registering a "trade name."

Licensing Eligibility Requirement (Form L-152)

Arizona state agencies cannot issue a license to an individual unless the agency first receives a completed Form L-152 accompanied by a readable photocopy of a required form of identification. You may download Form L-152 from the Insurance Licensing Section Web site at

https://insurance.az.gov/sites/default/files/documents/files/form_l-152_20170809.pdf

Arizona residents applying for an initial license and non-resident adjusters who reside in states that do not issue adjuster licenses must complete this form, attach a copy of a required identification and submit it with the license application. If you are applying online at a Prometric test center, you should bring the completed Form L-152 with you to the test center.

Fingerprint Service

If you want Prometric to scan your fingerprints immediately after you pass your exam, you must register for the fingerprinting processing service. **We recommend you do not schedule your fingerprint appointment until you have passed your licensing exam. You will not be fingerprinted if you do not pass your exam, as all fees are non-refundable**

Note In some cases, based on the content of your application or the type of license for which you are applying, the NIPR application system may inform you that you need to provide additional information before the Department can process your application.

Department of Insurance Application Review Process

It is your responsibility to ensure that you have completed the license application and other supporting documents fully, properly and accurately. If your application is incomplete, the Department will return it to you, delaying the licensing decision. You will have 60 days from the deficiency date to cure any deficiency. After 60 days, the application will be withdrawn and the fees forfeited.

After receiving your application, the Department has up to 120 days to determine whether it contains all required information and is therefore “administratively complete,” and up to an additional 60 days to review the substance of your application. These timeframes are the outer limits by which the Department must grant or deny a license application. The Department processes most license applications within 10 days. The Department is usually able to process applications submitted electronically faster than applications submitted on paper.

After reviewing your application, the Department will either issue or deny the license. If the Department denies your application, the Department will send you a notice that describes the denial reason and your appeal rights.

The Department may deny a license for any cause listed in ARS § 20-295. If your application contains inaccurate or untruthful responses, or material omissions, the Department may deny the license and prevent you from being licensed in the future. If the Department issues a license and later discovers that the application was incomplete or contained erroneous, untruthful or materially incomplete information, the Department may fine you or revoke your license.

License Expiration

When the Department issues an Arizona insurance license to someone who does not already hold a license, the license term is between three and four years and expires on the last day of the licensee’s birth month. Future renewals will be a full four-year term from the previous expiration date, expiring on the last day of your birth month.

Maintaining Your License

Insurance professionals are responsible for complying with Arizona insurance laws and rules, including but not limited to timely reporting changes of address and timely renewing insurance licenses.

NIPR: National Insurance Producer Registry

You can use the NIPR's website, at www.nipr.com to report changes of email, address and telephone information at no charge. In many cases, for a small additional fee, you can also use the NIPR website to renew an existing license.

License Renewal

An insurance professional may renew a license up to 90 days before the date the license expires. The licensee is solely responsible for renewing the license before its expiration. The Department may or may not remind the licensee of the need to renew a license.

If the license expires, the licensee must cease acting under the license. For up to one year after the expiration of the license, a person may apply for a "late renewal" by fulfilling the renewal requirements and adding a \$100 late renewal fee to the license renewal fee.

You can either use **NIPR** (<http://www.nipr.com/>) to renew your license online, or download a renewal application from the Insurance Licensing Section website at <https://insurance.az.gov/producers/licensing-related-forms> and mail the completed renewal form to the Insurance Licensing Section.

More detailed information on license renewals can be found on the Department's website at: <https://insurance.az.gov/producers/producer-agentbroker/producer-agentbroker-license-renewal-individual>

Insurance Continuing Education

The insurance continuing education requirements apply to all major line resident licensed Insurance Producers. Specific requirements can be found at <https://insurance.az.gov/producers/producer-agentbroker/producer-agentbroker-continuing-education> and by using our surveymonkey tool at https://www.surveymonkey.com/r/adoi_ce.

Insurance continuing education only applies to insurance producers.

Continuing education is not required for a person to renew a license for insurance adjuster, bail bond agent, self-service storage agent, insurance exchange navigator or insurance exchange certified application counselor license.

Nonresidents do not have an insurance continuing education requirement.

A nonresident would only be required to complete insurance continuing education if the resident state did not have a continuing education requirement (and all states do) or if the resident state required an Arizona resident to complete insurance continuing education (and no state does).

Individuals who only hold a limited-line credit or crop insurance producer license do not have an insurance continuing education requirement.

A resident that holds a major line of authority may need to complete insurance continuing education.

Long-term care training As of July 1, 2009, an accident and health or sickness insurance producer (resident or nonresident) who wants to sell, solicit or negotiate long-term care insurance must complete four hours of Arizona-approved long-term care training (LTCT) during each two-year period after July 1, 2009. A resident licensee can apply hours of LTCT toward satisfying Arizona's CE requirement. Nonresidents can satisfy the LTCT requirement if they completed substantially similar courses in another state.

Exception to the long-term care training requirement. A nonresident insurance producer can satisfy Arizona's LTCT requirement by satisfying a substantially similar LTCT requirement in the producer's home state. ARS §20-1691.12.

Exam Content Outlines

The following outlines give an overview of the content of each of the Arizona insurance examinations. Each examination will include questions on the subjects contained in the outline. The percentages indicate the relative weight assigned to each section of the examination.

For example, 10 percent means that 10 questions will be drawn on a 100-question exam and 15 will be drawn on a 150-question exam.

An outline that includes more descriptive subsections for your exam is available online at

www.prometric.com/arizona/insurance.
