

PROTECTION AGREEMENT TERMS AND CONDITIONS

This Protection Agreement (“Agreement”) is a legal contract that describes the terms and conditions of the Protection Plan that you have purchased. Please retain this document along with your sales receipt as proof of ownership. Your receipt indicates the type of Plan that you purchased. There is no deductible for services covered under this Agreement.

This is not a contract of insurance. Unless otherwise regulated under state law, the contents under this Agreement should be interpreted and understood within the meaning of a “service contract” in Public Law #93-637.

The term “Covered Product” refers to the product that this Agreement was purchased to cover. The term “Protection Plan” refers to the Master Protection Agreement (“MPA”) or the Repair Protection Agreement (“RPA”). The terms “you” and “your” refer to the purchaser of this Agreement. The terms “we”, “us” and “our” refer to the Obligor. See Section 17 below for Obligor.

We will repair your Covered Product or provide a comparable replacement item if we cannot complete a covered repair due to unavailability of functional parts or technical information, with no deductible for service(s). Replacement items will include delivery and basic installation. In the event of a replacement, any coverage remaining under the term of this Agreement will be transferred to the new replacement product.

The following numbered sections apply to both Protection Plans under this Agreement. In addition to the numbered sections below, please see the additional terms and conditions specific to the type of Protection Plan you purchased. They can be found after Section 18 of this Agreement. Please read it carefully to understand your rights and our obligations under this Agreement. Please refer to the State Specific Exceptions section at the end of this Agreement as the laws of your state may provide you with additional rights. Certain limitations apply. See Section 12 for **LIMITATIONS OF COVERAGE APPLICABLE TO ALL PLANS**.

1. **LENGTH OF COVERAGE.** Coverage begins on: (1) the date this Agreement was purchased for the Covered Product; or (2) the date you took possession of the Covered Product, whichever is later. This Agreement expires on the date set forth in your sales receipt, Agreement certificate or as otherwise stated within this Agreement (“Term”).
2. **COVERAGE FOR REPAIRS.** We will directly pay on your behalf, or reimburse you based on pre-approval by us, the cost of parts and services that are needed to repair your Covered Product due to normal wear and tear. Replacement parts may be new or refurbished to meet the manufacturer’s specifications of the original product. Repair services will be performed by a qualified repair technician designated by us.
3. **COVERAGE FOR REPLACEMENT.** We have the sole right to determine whether a Covered Product will be repaired or replaced. If we determine that a Covered Product is not repairable due to unavailability of functional parts or technical information we will replace the Covered Product with a comparable product. We will determine and authorize the replacement amount but you will select your replacement product from a store as designated by us. In some cases replacement will be arranged through the manufacturer. You will have up to ninety (90) days from the date of authorization to complete the replacement process. The original Covered Product must be returned in order to receive your replacement product. Any coverage remaining under the term of this Agreement will be transferred to the new replacement product. Replacement products may be new or refurbished to meet the manufacturer’s specifications of the original product. If you choose not to have your Covered Product replaced under this Agreement, then you may cancel this Agreement and we will refund the purchase price you paid for your current coverage. We will not be responsible for reconfiguring space to accommodate a replacement product when a product of identical dimensions is not available.

There may be additional replacement benefits and limitations depending on your type of Protection Plan. Please refer to the section of this Agreement that is applicable to your type of Protection Plan.
