LUKE SKYWALKER'S LIGHTSABER™

STAR WARS

The moment Obi-Wan Kenobi presents Luke Skywalker with the lightsaber that belonged to his father, we suspect (hope) that young Skywalker may, indeed, "follow old Obi-Wan on some damn-fool idealistic crusade".

An elegant weapon meant for a more civilized age, it follows Luke on epic adventures across the galaxy, from the wampa cave on Hoth and duel with Darth Vader in *The Empire Strikes Back* to the notorious escape from Jabba's sail barge in *Return of the Jedi* – and beyond.

Now it's yours to display
- and help you channel your own inner Jedi.

Enjoy building!
