Ubiquiti Certified Trainer (UCT) Program

Apply today to become a Ubiquiti Certified Trainer (UCT) to begin teaching and certifying students in Ubiquiti's career-in-networking certification program. If approved, you'll gain access to exclusive classroom materials for lectures and lab activities. Publish authorized classes on Ubiquiti's calendar and earn income for each student you teach.

UCT Prerequisites

- Fill Out & Submit [UCT Application](#)
- Download & Read [Ubiquiti Course Books](#)
- Participated in [Student Classes](#) (UBWA/UEWA)

Steps to Become a UCT

Ubiquiti Training Classroom Requirements

Connectivity Requirements

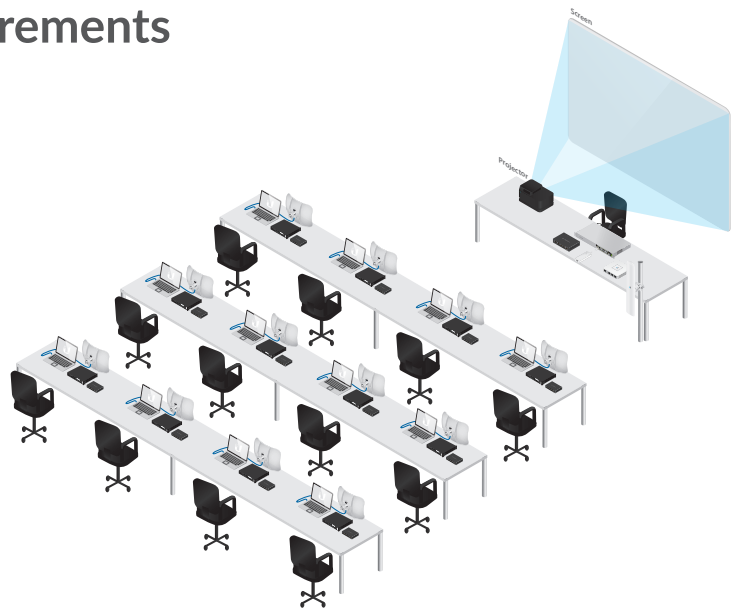

- Internet access

Trainer Equipment

- Projector and Projector Screen (or equivalent large-screen display)
- Trainer Laptop (for presentation and hands-on labs)
- CAT5e Ethernet Cables (quantity and length depend on course)
- Power Strip

Student Equipment

- Printed Lab Notes (from UCT Portal)
- [PDF Ubiquiti Course Books](#)
- Laptop (provided by student)
- CAT5e Ethernet Cables (quantity and length depend on course)
- Power Strip

Required Student/Trainer Lab Hardware

	UBWS & UBWA	UBRSS	UBRSA	UNS & UEWA
