This device complies with part 15 of the FCC Rules and RSS-Gen of IC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced technician for help.

CAUTION: To comply with the limits of the Class B digital device, pursuant to Part 15 of the FCC Rules, this device must accept any interference and shielded cables. All peripherals must be shielded and grounded. Operation with non-certified peripherals or non-shielded cables may result in interference to radio or reception.

MODIFICATION: Any changes or modifications of this device could void the warranty.

STATEMENT OF COMPLIANCE: Hereby, ZAGG International declares that the radio equipment wireless charging base is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address: http://www.mophie.com/cert_red

WEEE STATEMENT: Waste electrical products should not be disposed of with household waste. All electronic products with the WEEE logo must be collected or sent to approved operators for safe disposal or recycling. Please recycle where facilities exist. Many electrical/electronic equipment retailers facilitate "Distributor Take-Back scheme" of household WEEE. Check with your Local Authority or retailers for Designated Collection Facilities (DCF) where consumers may dispose of their WEEE free of charge. Link <http://eu.mophie.com/product-recycling>

Garantie
mophie s'engage à fabriquer des produits de la meilleure qualité. Afin d'étayer cette promesse, ce produit est garanti 2 ans à compter de la date d'achat. Cette garantie n'invalide pas les recours légaux auxquels vous pourriez prétendre. Conservez une copie de votre facture comme preuve de votre achat. N'oubliez pas d'enregistrer votre produit sur mophie.com. Un défaut d'enregistrement de votre produit et/ou l'absence de preuve d'achat peut annuler la garantie.

Exclusions et limitations
À l'exception de la garantie limitée expressément stipulée ou dans la mesure restreinte ou interdite par le droit applicable, mophie exclut expressément toute autre garantie explicite ou implicite, y compris toute garantie de qualité, de caractère marchand ou d'adéquation à un usage particulier et vous acceptez spécifiquement que mophie ne sera pas tenue responsable de tout dommage spécial, circonstanciel, indirect, punitif ou consécutif suite à une violation de quelque garantie de quelque type que ce soit sur quelque produit mophie. Par ailleurs et sans limiter la généralité de ce qui précède, la garantie limitée ne couvre, sous aucune circonstance, le remplacement ou le coût de tout appareil électronique ou de toute propriété personnelle à l'intérieur ou à l'extérieur du produit mophie.

Avvertenza
Prima di utilizzare il prodotto, leggere tutte le istruzioni e le norme di sicurezza. L'utilizzo improprio del prodotto può causare danni, surriscaldamento, esalazioni tossiche, incendi o esplosioni per i quali l'Acquirente sarà ritenuto unico responsabile; tali danni non potranno essere imputati a mophie (l.c. ("Produttore")).

- 1 Non conservare il dispositivo in ambienti molto caldi, né alla luce diretta del sole. Non gettare il dispositivo nel fuoco e non esporlo a temperature eccessivamente elevate.
- 2 Non tentare di smontare il dispositivo né di ripararlo o modificarlo in alcun modo.
- 3 Per domande e istruzioni sulle varie modalità di caricamento del dispositivo, fare riferimento alle illustrazioni sul presente manuale.
- 4 Non tentare di sostituire alcuna parte di questo dispositivo.
- 5 Se il dispositivo è destinato a un minore, l'adulto Acquirente accetta di fornire al minore istruzioni dettagliate e avvertenze prima dell'utilizzo del prodotto. Le conseguenze derivanti dal mancato rispetto di questo punto sono imputabili esclusivamente all'Acquirente, che accetta di sollevare il Produttore da qualsiasi responsabilità relativa a un utilizzo non intenzionale proprio o improprio da parte di un minore.
- 6 Tutti i prodotti sono stati sottoposti a un accurato controllo di qualità. Se il dispositivo risulta surriscaldato, emana odori, è deformato, abraso o tagliato, o presenta un funzionamento anormale, interrompere immediatamente l'uso e contattare il Produttore.
- 7 In ottemperanza ai requisiti di conformità in materia di esposizione alle radiofrequenze, la base di ricarica wireless deve essere utilizzata mantenendo una distanza di sicurezza di almeno 10 cm da tutte le persone.

Note legali
Questo prodotto è destinato esclusivamente all'uso con un appropriato dispositivo. Consultare la confezione del dispositivo per determinare se questo caricabatterie è compatibile con un particolare dispositivo mobile. Il Produttore non è responsabile di eventuali danni causati a qualsiasi dispositivo a seguito dell'uso di questo prodotto.

Il Produttore non è in alcun modo responsabile di qualsivoglia danno subito dall'Acquirente o da terzi a seguito dell'utilizzo, intenzionale o non intenzionale, o dell'utilizzo improprio di questo prodotto con dispositivi o accessori diversi da quello per cui il prodotto è stato sviluppato. Il Produttore non si assume alcuna responsabilità per qualsivoglia danno causato all'Acquirente o a terzi dall'utilizzo improprio di questo prodotto, come definito sopra. Qualora l'Acquirente utilizzi il prodotto con un dispositivo diverso da quello opportuno e tale utilizzo causi dei danni, l'Acquirente accetta di risarcire il Produttore per eventuali lesioni derivanti cagionate a te o a terzi.

mophie, charge stream, Stay Powerful, il design a cinque cerchi e il logo mophie sono marchi registrati di mophie inc. Il simbolo "Qi" è un marchio di Wireless Power Consortium. Tutti i diritti riservati. Patents: mophie.com/patents.

Questo dispositivo è conforme alla Parte 15 delle Norme FCC e al RSS-Gen del regolamento IC. Il funzionamento è soggetto alle due condizioni riportate di seguito: (1) il dispositivo non può provocare interferenze dannose; (2) il dispositivo deve accettare eventuali interferenze ricevute, incluse le interferenze che possono provocare un funzionamento non desiderato.

NOTA: La presente apparecchiatura è stata sottoposta a test e dichiarata conforme ai limiti stabiliti per i dispositivi digitali di Classe B, ai sensi della Parte 15 delle Norme FCC. Questi limiti

sono stabiliti per fornire livelli di protezione accettabili contro interferenze nocive in installazioni residenziali. La presente apparecchiatura genera, utilizza e può emettere frequenza radio e, se non installata e utilizzata in conformità alle istruzioni fornite dal produttore, può provocare interferenze dannose per le comunicazioni radio. Non esiste tuttavia garanzia che tali interferenze non possano verificarsi in determinati ambienti.

Se tale apparecchiatura provoca interferenze dannose per la ricezione di trasmissioni radio o televisive, che possono essere determinate prendendo in considerazione l'apparecchiatura, l'utente è invitato a cercare di correggere l'interferenza adottando una o più delle seguenti misure:

- Reorientare o reconfigurare l'antenna ricevente.
- Aumentare la distanza tra l'apparecchiatura e il ricevitore.
- Collegare l'apparecchiatura a una presa su un circuito diverso da quello del ricevitore.
- Consultare il rivenditore o un tecnico professionista.

AVVERTENZA: Per garantire la conformità ai limiti stabiliti per i dispositivi digitali di Classe B ai sensi della Parte 15 delle Norme FCC, questo dispositivo deve essere utilizzato con periferiche certificate e cavi schermati. Tutte le periferiche devono essere schermate e messe a terra. L'uso con periferiche non certificate o cavi non schermati può provocare interferenze alla ricezione radio-televisiva.

MODIFICHE: Qualsiasi cambiamento o modifica apportati a questo dispositivo può invalidare la garanzia.

DICHIARAZIONE RAE:
I rifiuti di prodotti elettrici non devono essere smaltiti insieme ai rifiuti domestici. Tutti i prodotti elettronici consegnati con il logo WEEE (RAEE) devono essere raccolti e consegnati ad operatori approvati per essere riciclati o smaltiti in modo sicuro. L'addio è stato disponibile nella struttura. Molti rivenditori di apparecchiature elettroniche ed elettroniche facilitano uno schema di ritiro da parte del distributore dei prodotti RAEE domestici. Verificare presso le autorità locali o i rivenditori quali sono i punti di raccolta designati dove i consumatori possono smaltire i prodotti RAEE a titolo gratuito.
